Rubian Politics In Transition Institutional Conflict In A Nascent Democracy:

Armed Conflicts in South Asia 2009 D. Suba Chandran, P R Chari, 2020-11-29 The essays in this volume are concerned with armed conflicts in South Asia and the conflict management efforts made to mitigate them Articles in the volume study conflict management look at the direction armed conflict is likely to take and provide a set of alternative measures that could be perused by the actors It addresses five key issues history of the armed conflict identifying the principal actors of the conflict describing the course of the conflict and its major trends evaluating conflict management measures undertaken if any presenting appropriate conclusions It also includes additional chapters on Naxalism and sectarian strife in Pakistan Designed as an annual series this important collection discusses India's geo strategic importance including its common borders with its neighbours the psychological and economic costs of violence and the problem of refugee migrants treaties and ceasefire agreements signed across countries the role of the UN and other peacekeeping forces and the future of failed and failing democracies The book makes an important contribution to analysing armed conflicts and conflict resolution

The Jarring Road to Democratic Inclusion Aviad Rubin, Yusuf Sarfati, 2016-08-30 This edited volume brings together chapters that offer theoretically pertinent comparisons between various dimensions of Israeli and Turkish politics Each chapter covers a different aspect of state society interactions in both countries from a comparative perspective including the public role of religion political culture women rights movements religious education religious movements marriage regulation labor market inclusion and ethnic minorities Israel and Turkey share significant similarities such as state formation under nationalist ideologies familiarity with democratic governance since the 1940s strong affiliation with the West recent resurgence of religious parties ongoing conflict with ethno national minority groups that challenge the dominant national project contemporary popular protests against the incumbent regime and recent serious erosion of democratic rights At the same time they differ on major variables such as size majority religion geopolitical location level of economic development policy towards ethnic minorities and institutional arrangements to managing the state religion relations The presence of these differences in face of common backgrounds facilitates analytically grounded comparisons in a host of dimensions Therefore employing a case oriented comparative method this book provides historically interpretative and causally analytic accounts on the politics of both societies The contributions reveal the dynamic and complex rather than one dimensional and linear nature of political processes in both settings This empirically rich and theoretically sophisticated volume should contribute to a better understanding of these two important states and no less important stimulate new directions for comparative research especially on Middle East regimes social movements and democratization

Security, Development and the Fragile State David Carment, Stewart Prest, Yiagadeesen Samy, 2009-09-10 This book reconceptualises the notions of state failure and fragility to provide a new policy relevant framework on these issues In a wide ranging treatment drawing on large samples and case studies the authors create an alternative model of the fragile state emphasizing

the multidimensional multifaceted nature of the fragile state problematique *Post-Soviet Political Order* Barnett Rubin, Jack Snyder, 2002-11-01 Post Soviet Political Order asks what is shaping the institutional pattern of the post Soviet political order what the new order will be like what patterns of conflict are emerging and what can be done about stabilising the region In considering these questions the contributors converge on four common themes the institutional legacy of empire the social processes unleashed by imperial collapse patterns of bargaining within and between states to resolve conflicts arising out of the imperial collapse the impact of the wider international setting on the pattern of post imperial politics Focusing on the former Soviet Union and Eastern European countries the contributors show how strong state institutions are essential if conflict and political instability are to be avoided Facets and Practices of State-Building Julia Raue, Patrick Sutter (lic. iur.), 2009 Drawing on a mix of international academic and field expert work this book presents and analyses contemporary state building efforts It offers studies on the theoretical and practical foundations and causes of state building identifies the role and responsibilities of key actors and points to vital issues which merit specific attention in state building undertakings The book offers lessons for the future of state building relevant to both practitioners and the academic community *Votos, drogas y violencia* Guillermo Trejo, Sandra Ley, 2022-01-20 POR QU A MEDIDA QUE LA DEMOCRACIA SE HA CONSOLIDADO EN M XICO LA VIOLENCIA A GRAN ESCALA SE HA MULTIPLICADO Guillermo Trejo y Sandra Ley ofrecen en este libro una teor a novedosa y necesaria sobre la violencia criminal que enfatiza la influencia crucial de la pol tica A partir de estudios de caso en profundidad y an lisis estad sticos que abarcan m s de dos d cadas y distintos niveles de gobierno muestran que los procesos de transici n democr tica aunados a la fragmentaci n del poder pol tico pudieron ser la causa principal del estallido e intensificaci n de las guerras en M xico as como su expansi n a las esferas de la pol tica local y la sociedad civil A diferencia de estudios previos que ven a los grupos de crimen organizado como empresas econ micas libres que operan en oposici n a las autoridades estatales Trejo y Ley los conciben como grupos ilegales ntimamente relacionados con el Estado Por tanto estos grupos responden al cambio pol tico el crimen organizado no puede existir ni operar con xito si no cuenta con alg n grado de protecci n estatal Los autores denominan a esa intersecci n colaborativa zona gris un espacio donde los grupos criminales pueden respirar crecer reproducirse y triunfar Sin embargo cuando la esfera del poder estatal cambia el equilibrio de la zona gris tambi n lo hace y eso genera violencia Votos drogas y violencia propone un nuevo enfoque pol tico que ampl a nuestra comprensi n del crimen organizado y de las condiciones que propician la guerra y la paz en el inframundo criminal **Harnessing Post-conflict Transitions** Nicholas J. Armstrong, Jacqueline Chura-Beaver, 2010 This monograph addresses the challenging topic of transition in post conflict stability operations and is intended for a wide audience that includes military and civilian policymakers international development experts and scholars in academe It is a primer systematic review and comprehensive assessment of the fields of research and practice It presents and appraises the major lenses process authority transfer phasing and end state categories war to peace power societal

political democratic security and economic approaches and tools under which post conflict transitions are conceived It lays the groundwork for both future research and greater collaboration among diverse international and local actors who operate in post conflict environments to develop a comprehensive definition of transition and adequate tools to address all facets of the concept It provides recommendations for future research and improved transition policy which include cross institutional political security economic and multi level local regional national studies that explore the interdependencies between simultaneous transitions underlying assumptions of current transition tools and indicators relationships between transition and institutional resilience and thresholds and tipping points between transition phases
