The Ancient Christians Perrin, Jean Paul, 2015-02-10 It has given me no small pleasure to learn that you are engaged in publishing an American edition of the Rev Jean Paul Perrin s History of the Old Waldenses anterior to the Reformation In the execution of this undertaking you are undoubtedly rendering an important service to the cause of evangelical truth and order It is indeed wonderful that a work so interesting and so truly instructive and valuable which has been more than two centuries before the public and which was translated into the English language more than a hundred years ago should never have been

given from the press on this side of the Atlantic a work too so often inquired after so frequently quoted and deemed of such high authority in the department to which it belongs I cannot help hoping and believing that your enterprise will be favorably received and suitably rewarded Such a work ought undoubtedly to be within the reach of all who are disposed to inquire what the Church of God has been in its best days since the Apostolic age The promise of the Savior to his apostles was that the gates of hell should never prevail against his church This promise seems to secure to his people that there shall be in all ages and in the worst of times a true and substantially pure Church that is that there shall always be a body of people more or less numerous who shall hold fast the doctrines and order of Christ's house in some good degree in conformity with the model of the primitive Church Accordingly it is not difficult to show that ever since the rise of the Man of Sin there has been a succession of those whom the Scriptures style Witnesses for God Witnesses for the truth who have kept alive the faith once delivered to the saints and have in some good degree of faithfulness maintained the ordinances and discipline which the inspired apostles in the Master's name committed to the keeping of the Church Among these Witnesses the first that we distinctly read of were the Paulicians They rose up about A D 660 A very interesting account of these pious people is given in Milner's Ecclesiastical History of the seventh century and a still more extended and distinct account in the Revelation Adam Blair's History of the Waldenses Book I chapter I While the Paulicians were still maintaining their faithful testimony the Waldenses arose or rather more probably these two denominations had a common origin and a common faith The name Waldenses the most common and popular one of these humble and devoted people was evidently derived not from Peter Waldo but from the place of their dwelling The following statement of the learned and ingenious Robert Robinson a divine of Cambridge in England who died more than half a century ago places the origin of this name in what I suppose to be the true light From the Latin Vallis came the English valley the French and Spanish valle the Italian valdesi the Low Dutch valleje the Provencal vau vaudais the ecclesiastical Vallenses Valdenses Ualdenses and Waldenses The words simply signify valleys the inhabitants of valleys and no more It happened that the inhabitants of the Pyrenees did not profess the Catholic faith It fell out also that the inhabitants of the valleys about the Alps did not embrace that faith It happened moreover in the ninth century that one Valdo a friend and counselor of Berengarius and a man of eminence who had many followers did not approve of the Papal discipline and doctrine And it came to pass about an hundred and thirty years after that a rich merchant of Lyons who was called Valdus because he received his religious opinions from the inhabitants of the valleys openly disavowed the Roman religion supported many to teach the doctrines believed in the valleys and became the instrument of the conversion of great numbers All these people were called WALDENSES THE WALDENSES THE ALBIGENSES THE VAUDOIS

Nelson's New Illustrated Bible Commentary Thomas Nelson, 1999-05-13 A comprehensive verse by verse commentary for lay Bible students fully highlighted by articles maps charts and illustrations all in one volume Clear and Comprehensive Annotations by leading evangelical scholars don't dodge tough issues alternative views are presented fairly

but commentators make their positions clear Attractively Designed Graphics appeal to the sound bite generation and others who aren't traditional commentary readers Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background Visually Appealing Maps drawings and photos illuminate the commentary and visualize important information [The Baptist Confession of Faith and Catechism for Dispensational Churches](#) Brandon James Crawford, 2023-02-07 In the late 1600s the Baptist Confession of Faith was first penned for the churches to have a document upon which they agreed for the principles of their faith Over the centuries this document has been revised and adapted as needed to help the reader understand its meaning In this current edition Brandon James Crawford stays true to the Elizabethan English while adapting some of the wording for the modern day reader in an attempt to help believers share it in their homes schools businesses and churches To reinforce what is taught within Crawford also includes the Baptist Catechism at the end in hopes of making the reader stand even firmer in their faith Any believer would benefit from the words within to help them to understand their own beliefs and the foundation on which they stand
