Secret Papers Of Camp Get Around:

Trading Secrets Mark Huband, 2012-12-14 Today's intelligence community faces challenges that would have been inconceivable only a dozen years ago. Just as al Qaeda's destruction of the Twin Towers heralded a revolution in global diplomacy, the events of 9/11 also threw two centuries of spy craft into turmoil because this new enemy could not be bought. Gone were the sleepers and moles whose trade in secrets had sustained intelligence agencies in both peacetime and war. A new method of intelligence had been born. The award-winning former Financial Times security correspondent Mark Huband here takes us deep inside this new unseen world of spies and intelligence. With privileged access to intelligence officers from Rome to Kabul and from Khartoum to Guantanamo Bay, he reveals how spies created secret channels to the IRA, deceived Iran's terrorist allies, frequently attempted to infiltrate al Qaeda, and forced Libya to abandon its nuclear weapons. Using accounts from ex-KGB officers, Huband vividly describes the devastation caused by the West's misreading of Soviet intentions in Africa and explains how ill-prepared western intelligence agencies were when the Cold War was replaced by the perception of a new terrorist threat. Benefiting from privileged access to intelligence sources across the world, *Trading Secrets* provides a unique and controversial assessment of the catastrophic failure of spies to grasp the realities of the Taliban's grip on Afghanistan and draws upon exclusive interviews with serving officers in assessing the ability of the major intelligence agencies to combat the threat of twenty-first century terrorism.

Paper Secrets Mary Jo Stanley, 2010-12-02 *Paper Secrets* is the first book of a family saga involving the Black and Coleman families having mixed feelings for each other. Vivian Black and Louise Coleman were best friends during their childhood years in the 1930s until circumstances led to a ten-year separation. When they meet again in college, Louise is extremely rich and Vivian is attending college on an academic scholarship. They both fall in love with the same handsome wealthy upperclassmen, John Williams from Richmond, VA, and the former friends find themselves at odds over his affection. Louise is used to having her way and doesn't take no for an answer. She is determined to have him and will not let a little thing like his love for Vivian get in the way. *Paper Secrets* is a story with many misunderstandings, trials, and even lost loved ones for both families caused by the discovery of various pieces of paper. While some family members are anxious to have the secrets revealed, others want them hidden or forgotten forever. Lawsuits and threats of public humiliation are the least of their worries with the secrets looming over their heads.

The Fifteen William Geroux, 2025-03-18 The revelatory true story of the long forgotten POW camps for German soldiers erected in hundreds of small U.S. towns during World War II and the secret Nazi killings that ensnared fifteen brave American POWs in a high-stakes showdown. In the pantheon of American history, it's very hard to find compelling original stories and even harder to find authors worthy of them. In *The Fifteen*, William Geroux delivers the goods. John U. Bacon, New York Times bestselling author of *The Great Halifax Explosion*. The American government was faced with an unprecedented challenge: where to house the nearly 400,000 German prisoners of war plucked from the battlefield and shipped across the Atlantic. On

orders from President Franklin D Roosevelt the Department of War hastily built hundreds of POW camps in the United States Today traces of those camps which once dotted the landscape from Maine to California have all but vanished Forgotten too is the grisly series of killings that took place within them Nazi power games playing out in the heart of the United States Protected by the Geneva Convention German POWs were well fed and housed Many worked on American farms and a few would even go on to marry farmers daughters Ardent Nazis in the camps however took a dim view of fellow Germans who befriended their captors Soon the killings began In camp after camp Nazis attacked fellow Germans they deemed disloyal Fifteen were sentenced to death by secret U S military tribunals for acts of murder In response German authorities condemned fifteen American POWs to the same fate and in the waning days of the war Germany proposed an audacious trade fifteen German lives for fifteen American lives Drawing on extensive research journalist and author William Geroux shines a spotlight on this story of murder and high stakes diplomacy and on the fifteen American lives that hung in the balance from a fearless P 51 Mustang fighter pilot to a hot tempered lieutenant colonel nicknamed King Kong Propulsive and vividly rendered The Fifteen reminds us that what happens to soldiers after they exit the battlefield can be just as harrowing as what they experience on it
