Kennedy was killed by a lone gunman Lee Harvey Oswald Fifteen years later the House Committee on Assassinations re examined the evidence They announced that he was not killed by a single gunman but probably murdered as the result of a conspiracy This House Committee hesitated to speculate on who might have been involved in that conspiracy or why John F Kennedy was killed in Dallas on November 22 1963 In 1979 Michael Burke and former congressman Harold Ryan were asked to continue that investigation This historical novel will take the reader back to that time Burke and Ryan will peel back the passage of time and the layers of secrecy and denial to reveal the reasons so many elites were determined to stop the Kennedy agenda

Burying the Lead Mal Jay Hyman, 2019-03-01 The Cold War ushered in a time of secrecy and willing media cooperation to keep those secrets But even after winning that war the vault of secrets remains firmly locked especially surrounding John F Kennedy s murder Even for those who fundamentally oppose the current presidential administration notions of a national security state and fake news must be examined to maintain a functional democracy This book explains the rapid decline in confidence in government that started after the assassination of JFK The mainstream media failed to go beyond repeating the official story and by 1991 they along with academe and the government had stopped investigating altogether It was filmmaker Oliver Stone whose film fueled public outrage and led to the JFK Act to declassify all of the remaining documents Almost four million pages of documents were then released that even Congress had not yet seen The JFK Act stated that all files must be released by October 2017 yet thousands are still withheld on the grounds of national security This volume examines the tight alliances that have allowed this cover up for more than 50 years President Kennedy declared in October 1963 that men who create power make an indispensable contribution to a nation s greatness but the men who question power make a contribution just as indispensable especially when they are disinterested for they determine whether we use power or power uses us
