Secrets Of Answered Prayer:

Secrets of Answered Prayer Lester Sumrall, 1985 Prayer is the only power in the world able to overcome the laws of nature This book teaches you clear and simple scriptural keys to unlocking the greatest most thrilling resource of power in the world prayer The Mystery of Prayer James M R, 2023-02-22 We are in a generation where people love prayer but experience little to no results in their prayer life And the reason for this frustration is not far fetched they pray amiss The mystery of prayer focuses on the rudiments of prayer It reveals to you the mysteries or secrets that enhance a world of triumph and victory in the place of prayer and the good news is the secrets are already revealed The secret things belong unto the LORD our God but those things which are revealed belong unto us and to our children forever that we may do all the words of this law Deut 29 29 A major reason why people don't receive answers to prayer is that they don't have the secrets of God The kingdom of God operates on the sequence of revealed secrets or truth As believers of Christ we are supposed to know and understand these secrets to experience sweatless triumphs in the battles of life That is why Jesus said in his teachings that it is given unto you to know the mysteries of the kingdom of heaven but to them unbelievers it is not given Matt 13 11 The secret of the LORD is with them that fear him and he will show them his covenant Psa 25 14 God has secrets These secrets are in the possession of men and women who walk in the fear of God and for this reason he is committed to showing and revealing these secrets or covenants to them Apart from not having the secrets of God being a reason for unanswered prayers another reason is that we have believers who have refused to grow They are baby believers who follow their weaknesses and what they see around them They don't follow the leadings of God but mature believers follow the leadings of God In other words mysteries are revealed to sons not babies For as many as are led by the Spirit of God they are the sons of God Rom 8 14 A king will not bother his little child with the affairs of his kingdom even though the child is his heir That child cannot bear those things He has to wait till he is mature enough not necessarily by age only but by the display of maturity You don't have to struggle long hours in prayer without results to show because now you have the rules of engagement in your hands Don't get me wrong the time spent has nothing to do with how your prayers are answered This book in your hands is not just another book of information but a book with life experiences and secrets revealed to me by the spirit of God and I'm excited you are one of the many who will experience a great turn in your prayer life Congratulations You will begin to experience a world of answered prayers and sweatless triumph in life **The Hub** Dalen Garriss, 2023-11 Everyone wants God to pay attention to them So we pray with the hope that God will actually hear us and answer us But what are the rules for getting those prayers not just heard but answered There are many books written on the secret to prayer We are given advice on how to pray how long to pray how loud to pray where to pray what mindset we should have when we pray what scriptures to read before we pray and who we should pray with I'm sure that's all good advice but what I want to know is not how to pray but how to get answers to prayer Plenty of scriptures admonish us to have faith so we can move mountains

but I believe that there are conditions that God requires of us to validate that faith to get it moving Understand those conditions and you can unlock the promises We are dealing with an invisible world for which we are given a book of clues As with everything in God the answers are in His Word and it will all seem so simple when we finally cross over and see Him face to face but for now we must follow that which is revealed in His Word Each of these secrets taken separately is like a spoke on a wheel None are sufficient alone but need the support of all the others to make a fully functional wheel Some may seem repetitious but each passage brings its own nuances The Word of God will weave a tapestry that will reveal His face when it is finally woven together I started with nine secrets Then there were ten then twelve you know how it goes with each new revelation that God shows you Finally I came to realize that there is only one master secret for all prayer from all people It is the hub for all the different spokes I will reserve that for last but I m telling you about it now so you won t quit reading until you reach it If there was ever a time that we needed prayer warriors who can contend to the Throne of God it is now We are about to enter an age of unbelievably intense spiritual warfare Satan is loosed upon the earth the powers of darkness are growing and the spirit of Antichrist is rising out of the sea Prayer is our weapon but we need champions of the faith to wield that weapon victoriously I am praying that warrior is you Let s start with the first one faith Secrets of Answered Prayer, Etc. [Edited by C.H. Powell.]. Cyril Henderson POWELL,1958 **Eight Secrets to Answered Prayer** Martin

Otto,2011-03-03 If you think that this book is a repackaging of traditional approaches to prayer you are in for a surprise In fact you may even find some of the contents controversial Each secret is an insight that the author has discovered and tested one at a time over several decades after trying the stock in trade teachings of traditional religion There is nothing here about praise or repentance but there is a chapter on thanksgiving and plenty of references to unconditional love and forgiveness It is about a God who is much more fun much more loving much less judgmental than you may think It is about a life that is much easier and less complicated And most of all it is about prayers that are answered **The Secret to Answered Prayer**
