Secrets of Daniel Jacques Doukhan, 2000 Understand Daniel as never before Drawing from his research in ancient Jewish sources and knowledge of the original language Doukhan recreates the world of Babylon explains obscure allusions and finds hidden patterns within the prophecies that clarify their meaning

**Sumerian Gods of Nibiru** ISHMAEL NINGISHZIDA, The Sumerians are today's wonder of the day and another incredible ancient society Ancient Sumer a group of city states was in Mesopotamia The Sumerians invented arithmetic geometry writing and armies Furthermore their publications educate readers about Sumerian culture today The Sumerian civilization flourished between 4100 and 1750 B C Sumer was named after the land of cultured rulers Sumer was one of the earliest to divide the day into hours and minutes They also had a sophisticated religion centered on gods known as the Anunnaki The Sumerians' destiny was thought to be in the hands of the Anunnaki The Anunnaki were often depicted in myths as judging humankind The gods were also known as the children of the Earth and the Sky Most people regard these tales as myths just like the Greek gods Others though wonder whether there is more to the story Some scientists think the Anunnaki were actual people They might have come from another planet according to popular belief Many individuals believe they are from the enigmatic planet X which they claim passed incredibly close to Earth thousands of years ago Why would aliens come to Earth and behave like gods Of course to enslave humans According to this theory the Anunnaki compelled the Sumerians to dig for gold for them The Anunnaki departed for Planet X after they had all they needed According to some the Anunnaki were a kind of reptile humanoid They argue that these reptiles assisted the Sumerians in the development of their writing and mathematical systems Furthermore they believe that reptiles still exist and have influence over people Were the Anunnaki genuine Or have they fabricated gods One thing is sure these ancient Sumerian deities continue to attract humans

**Sacrifice, Cult, and Atonement in Early Judaism and Christianity** Henrietta L. Wiley, Christian A. Eberhart, 2017-09-28 Critical and creative studies that offer fresh perspectives on ancient ideas and practices The contributions to this volume deal in various ways with the cult at the Jerusalem Temple that epitomized the religious cultural and socio political identity of Judaism for many centuries Some essays examine ancient constitutive practices and concepts such as purification rituals sacrifices atonement or sacred authorities at the temple with the goal of interpreting their meanings for modern readers Other essays explore alternatives to ancient cultic meaning and practice Essays critique established traditions attempt to renegotiate them or use metaphor and spiritualization to expand the potential of these phenomena to serve as terminological and ideological resources Thus they examine and affirm the continuing relevance of ancient Jewish cultic notions long after the destruction of the Second Temple in 70 CE An international group of scholars representing different fields and diverse religious backgrounds A thorough examination of traditions as through the lens of contemporaneous interpretive traditions such as Jewish prophecy the Dead Sea Scrolls and Early Christian literature Examination of topics such as purification sacrifice and atonement and the depiction and

development of sacred authority throughout the Bible      God Walks into a Bar . . . Grenville Kent,2025-10-01 In the beginning were the billiard balls chemical particles blasting out from the Big Bang following the laws of physics and forming everything planets paddfish people completely by chance Or was there a Mind behind the universe writing the laws and making it all work Could there be a God that wanted us loves us like children and offers an afterlife with more happiness than we ve ever imagined That s attractive compared to ending up as worm food after you ve hurtled around the sun seventy or eighty times using your 3 900 weekends on pleasures while part of you wonders about the point of it all Clearly religion has been used to push guilt and manipulate people for power and money A blind leap of faith No thanks Yet a good God could offer us a deeper purpose hope in hard times and care when we mess up So is there any evidence for God      **Daniel: God's Sovereignty on Display** Dr. Nathan Ogan,2018-07-22 The constant pressure to compromise one s faith to the point of complete apostasy is present but examples are given of those who won t bow the knee and whose faithfulness to God is stalwart The life and style of Daniel s prophecy encourages involvement in the life of the Gentile nation as far as conscience allows and shows that while faithfulness to God will entail great dangers it is the key to success Daniel reassures God s people that He is sovereign and so encourages their faithfulness to Him This is even more the case for Christians who know that the Son of Man has come once to defeat evil will come again to establish His kingdom and that they live in the last days of conflict It is no surprise then that Revelation picks up many motifs from Daniel and encourages believers to stand firm because of God s final victory      God Space Tompaul Wheeler,2007 In life s ruthless race God can seem like so much outer space But life s more than a long fight for last place The answer is to give God more than just shelf space and go from self centeredness to discipleship Love Art Science Spirituality In God Space Tompaul Wheeler tackles issues that can make your head spin With wit spirit and openness he zooms in on seven central themes one for each day of the week Go behind the scenes of the Bible science Adventism and spirituality and discover God s incredible mission for your life So defog your headspace Put God in first place Stop worrying about saving face And welcome to a world of grace      **The a to Z of the Seventh-Day Adventists** Gary Land,2009-07 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination      The A to Z of the Seventh-Day Adventists Gary Land,2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller s conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to

church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination's geographical expansion from a small North American sect to a global church. The dictionary entries that constitute the bulk of the volume address individuals, organizations, institutions, and doctrines that have been important in the history of the church, including dissident movements and individuals who have emerged as critics of the denomination and its beliefs. Second, there are entries on the development and current situation of Adventism in many individual countries. Finally, thematic entries on such subjects as art, music, literature, health care, and women address other elements important to understanding church life. The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination, commercial and academic presses, and individuals and organizations.

**Historical Dictionary of the Seventh-Day Adventists** Gary Land, 2014-10-23. Seventh-day Adventism was born as a radical millenarian sect in nineteenth-century America. It has since spread across the world, achieving far more success in Latin America, Africa, and Asia than in its native land. In what seems a paradox, Adventist expectation of Christ's imminent return has led the denomination to develop extensive educational, publishing, and health systems increasingly established within a variety of societies. Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent. In the process, it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins. This second edition of *Historical Dictionary of the Seventh Day Adventists* covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 600 cross-referenced entries on key people, cinema, politics, and government, sports, and critics of Ellen White. This book is an excellent access point for students, researchers, and anyone wanting to know more about Seventh-day Adventism.

**Knowing Tomorrow Today** Merrick Brown, 2023-05-31. Global warming, Pandemics, Heatwaves, Droughts, Terrorism, Wars, Famine. And who really expects things to get better? At least anytime soon. On the contrary, the future can look awfully bleak. And who at times doesn't feel helpless before it all, especially before the unknown? Which is why one of the most tantalizing questions we sometimes ask ourselves is: Can the future be known? Obviously, with people spending billions each year on psychics, palm readers, horoscopes, tarot cards, fortune tellers, or even computer algorithms, people think we can know it. Yet are they really going to find answers in a palm reader? The good news is that the Bible provides us with answers, and it reveals that we can be hopeful about the future. *Knowing Tomorrow Today* is a riveting account which outlines a most amazing prophecy from the Bible which points to our day and predicts that the next global superpower will be one that will last forever. It is a love story of a God who so deeply cares for us that He risked it all by coming down into the messiness and brokenness of our human reality in order to save us from ourselves and the forces of darkness. In *Knowing Tomorrow Today*, we are given a glimpse of the world tomorrow, a world in which good has forever triumphed over evil. The future will see heaven on earth, a blissful existence in which redeemed humanity forever enjoys endearing encounters with their Creator. Global warming, Pandemics, Heatwaves, Droughts, Terrorism, Wars, Famine. Yes.

but there s also this promise as well And God will wipe away every tear from their eyes there shall be no more death nor sorrow nor crying There shall be no more pain for the former things have passed away Revelation 21 4 That s knowing tomorrow today
