Chess Improvement Peter Wells,Barry Hymer,2020-10-16 Written by Barry Hymer and Peter Wells Chess Improvement It s all in the mindset is an engaging and instructive guide that sets out how the application of growth mindset principles can accelerate chess improvement With Tim Kett and insights from Michael Adams David Howell Harriet Hunt Gawain Jones Luke McShane Matthew Sadler and Nigel Short Foreword by Henrik Carlsen father of world champion Magnus Carlsen Twenty first century knowledge about skills development and expertise requires us to keep such mystical notions as fixed talent in perspective and to emphasise instead the dynamic and malleable nature of these concepts Nowhere is this more apparent than in chess where many gifted players fall prey to plausible but self defeating beliefs and practices and thereby fail to achieve the levels their natural abilities predicted Happily however the reverse can be true too through learned dispositions such as grit risk taking strategic thinking and a capacity for sheer hard work players of apparently modest abilities can achieve impressive results Blending theory practice and the distinct but complementary skills of two authors one an academic and amateur chess player and the other a highly regarded England Chess Olympiad coach and grandmaster Chess Improvement is an invaluable resource for any aspirational chess player or coach parent of a chess player Barry and Peter draw on interviews conducted with members of England s medal winning elite squad of players and provide a template for chess improvement rooted in the practical wisdom of experienced chess players and coaches They also include practical illustrative descriptions from the games and chess careers of both developing and leading players and pull together themes and suggestions in a way which encourages readers to create their own trajectories for chess improvement

Counterplay Robert R. Desjarlais,2011-03-22 Counterplay explores the inner world of a chess player and examines how we attempt to make meaning from the game and the forms of life that surround it Desjarlais s personal account skillfully illustrates the absorbing enchanting and exacting qualities of chess while also highlighting the penury disillusion and pettiness that

regretfully permeate the game Jonathan Rowson PhD Grandmaster and British Chess Champion 2004 2006 This book is replete with deeply researched and closely observed details small dramas intriguing insights compelling anecdotes and potted biographies all interwoven with great authorial skill and intelligence This is a superb introduction to the lifeworld of chess that affords glimpses into the psychology of players and touches on the social and political dimensions of competitive chess In every chapter Desjarlais offers alluring suggestions as to what kinds of satisfaction different people find in playing chess Michael D Jackson author of *The Palm at the End of the Mind* [The Complete Chess Swindler](#) David Smerdon, 2020-02-17 Chess is a cruel game We all know that feeling when your position has gone awry and everything seems hopeless You feel like resigning But don't give up This is precisely the moment to switch to swindle mode Master the art of provoking errors and you will be able to turn the tables and escape with a draw or sometimes even steal the full point Swindling is a skill that can be trained In this book David Smerdon shows how you can use tricks from psychology to marshal hidden resources and exploit your opponent's biases In a lost position your best practical chance often lies not in the computer's best moves but in playing your opponent however bad the evaluation With an abundance of eye popping examples and training exercises Smerdon identifies the four best friends of every chess swindler your opponent's impatience their hubris their fear and their need to stay in control You'll also learn about such cunning swindling motifs as the Trojan Horse the decoy trap the berserk attack and window ledging So come and join the Swindlers Club become a great escape artist and dramatically improve your results In this instructive and wildly entertaining guide Smerdon shows you how *John Brown: The Forgotten Chess Composer?* Brian Gosling, 2020-01-28 John Brown *The Forgotten Chess Composer* reintroduces a classic chess title to a whole new readership Chess Strategy was originally published in 1865 and now Brian Gosling investigates the life and work of its author John Brown selecting 50 of his chess problems to inspire a new generation of chess players
