Rev. Dr. Geraldine Carter, Do not be anxious about anything but in every situation by prayer and petition with thanksgiving present your requests to God Philippians 4 6 7 We are all familiar with the concept of prayer We might not all actively pray in the same way but we all know of and are familiar with the concept of prayer Even if you only think of prayer as a means of expressing your hopes and fears the act of prayer or focusing your attention on situations that concern you is a good thing because prayers do work Prayer rather than being an optional subject in the curriculum of living should be a required subject in that we do not graduate into adequate human living without it Prayer flows from a natural desire for a relationship with God Anybody can pray anywhere at anytime alone or with other people Prayer can be short or long prayer can cover any distance so we can pray for people on the other side of the world it can be personal or impersonal Prayer is a very versatile thing This guide is built to teach you how to pray effectively as well as give you monthly bible scriptures to pray with If you use this guide effectively you ll take your prayers to a whole new level and your life will follow in the same direction Prayer has been described by Emmet Fox a Christian writer as The Golden Key to harmony and

happiness Anytime Prayers for Everyday Teens No Author,2009-10-31 What any teen needs on a particular day is as varied as the songs in his or her MP3 player but every teen needs the power of prayer Whether it s wisdom for dating or courage to face more daunting situations teens will find a prayer they can pray for the myriad of challenges they face in this topically indexed prayer book With personal prayers written in a conversational style relevant Scriptures and insightful quotes this helpful resource reminds them that God s help is just a prayer and a page away Teens will learn to express their thoughts to the Father while experiencing His touch upon their lives anytime anywhere **When God Speaks** Fran Myers,2022-04-07 Listening to the voice of God directs us toward a life of joy contentment and trust in God in all circumstances God is always with us When we take the time to pray listen to reflect to block out the noise of the world we can experience God s presence Through the pages of this book you will come to understand the many ways that God speaks to all of us As we open our minds and hearts cultivate the time to be aware and listen and develop our prayer journey we draw closer to the heart of God The author highlights stories from various people who in their ordinary lives discerned His voice and His love for them Sometimes God s voice was audible other times it was through Scripture or a divine revelation No matter what form God chose to communicate it was every bit as meaningful One person shares how he listened to God s voice through divine intervention guiding him to make a life changing decision for his family Another heard the voice of God through a series of events as she visited patients in hospitals and nursing homes Still another meets God through the beauty of nature God spoke to the saints and prophets of the past and He continues to speak to us today Not all voices are from God It is important to discern that which brings peace and that which divides and causes unrest When God Speaks is a series of uplifting and personal stories that will help the reader to discern the difference The author s hope is that you will recall similar occurrences of unexplainable joy in your own lives or a strong passion calling you to service This book can be used by small faith groups in churches and by book clubs It would appeal to youth groups senior groups Cursillo or Emmaus groups pastors and those wanting to deepen their prayerful relationship with God **Daily Meditations** George Bowen,1865

The Voice of God Lambert C. Nwoke,2006-04 Nwoke emphasizes that God still speaks today and he illustrates different methods by which God speaks to his children Whether dreams prophesies visions the word of God or audible voice he can only be heard by those who create the atmosphere to enable them to hear him *Doors of the Church Are Open: Smoke & Mirrors* by Sonya Shuman Sonya Shuman,2015-04-01 Welcome to the life of the Golden family Al Golden a man A reformed drug dealer turned entrepreneur and pastor of the largest church in Newark New Jersey The Golden s have it all Looks fame fortune faith and God s favor Another thing they have that is not so apparent to the untrained eye of the public that praises them is flaws Lauded and loved by the residents of the city of Newark they can do no wrong Or so it seems from the outside looking in The invisible dome that had surrounded the Golden family for so long begins to crack beneath the weight of unresolved issues and grief at the passing of their beloved Carla Golden the matriarch The Golden s shiny exterior begins to

tarnish before everyone's very eyes as their past comes back to haunt them and bad habits hidden in the darkness secrets held behind the closed doors and the velvet rope of the pulpit of the church are brought to light Will they survive under the weight of the pressure of exposure In mid fall off of the religious pedestals set so high by the community do they have the strength to keep their composure A microcosm for the hypocrisy that lies underneath the covers of American society the Golden family a sleeping giant is about to be exposed A tale of truth and lies loss lust love life and grace and humanity They are left to wonder if their faith has failed them or if they are their own undoing Can this Golden family survive the impending implosion that is their lives This is a barrier breaking story about the rise and fall of the kings of the church A narrative that depicts reality in the raw It is humanity heaven hell and high water for the reader Not for the faint of heart it is an adventurous drama that reflects the real lives of the haves and the have nots Dispelling religious dogma this deep read serves salvation and nakedness A must read This work will change the life of every reader and make you rethink your relationship with yourself God and others You are guaranteed to never be the same after ingesting this soul food I wrote this book to dispel myths about God salvation people and life What influenced the journey to The Doors were my experiences at various churches over the years Me being a confused Christian having been trapped by religion Having been beaten into submitting to man's will not that of God Fortunately enough I was not raised in a religious household In hindsight I believe that as a youth I may have enjoyed too much freedom Because of such libertarian rearing or lack thereof depending upon view worshipping authoritative figures has never been a priority on my list I have always been rebellious in that aspect Keeping in mind I believe in giving respect where it is due in the same token I am also a firm believer that God is no respecter of persons notwithstanding there is a time and place for everything Even Jesus encouraged people to render to Caesar what was his Give respect and honor where it is indeed due There is a way to come before kings as God is a God of order As there is God ordained authority and leadership where in fact we must submit in many instances We must bear in mind dominion and authority are not given exclusively to men as in the sex per se Often times where we see man or men in biblical text it means the whole of humanity Not just males Not just leadership We all have something to bring to the table As equally we are all very flawed creatures who ourselves need to submit to the leadership of God's Holy Spirit
