Lord, What Do You Want Me to Do? Paul Kacsur, 2019-05-09

Have you ever asked Lord what do you want me to do This question could come during times of stress or hardship but it could also be simply our desire to do what He wants us to do This book is a guide for a variety of situations or circumstances where we need divine guidance All we have to do is ask Him for it One thing is certain none of us wants to come to the end of our life and realize we lived without ever sincerely asking the Lord what He wanted us to do Blessed is the man or woman who can say on their deathbed Lord I did what you wanted me to do This will not happen unless we make it happen Obedience to the Lord s commands often slips by without us asking Am I doing what the Lord wants me to do Is there anything more important than this I don t think so Open your heart for what the Lord wants for you Thou wilt keep him in perfect peace whose mind is stayed on Thee because he trusts in Thee Isaiah 26 3 **The New International Lesson**

McKelvey Harvey K. McKelvey, Harvey K. McKelvey, 2009-11 Do we have terrorists today Yes we do Can we identify them Yes we can Are there political and religious terrorists today Yes there are Where can we find them today Over

the world and in every nation Do we have terrorists on the mission field Yes we do What are some of their actions so we may identify them They burn churches and homes of Christians they kill whole congregations and they behead children going to and from school They kill and imprison pastors and Christian leaders What recourse do the Christians have Until now they have been told to endure for God will avenge But I say no you have the power to stop this foolishness in its tracks They can receive and believe the word so that these terrorists become Christians just as Saul became Paul and the Syrian army became friendly with Israel This is a believing God thing Not a man thing In some nations of the world like in central Asia there are over 4 billion lost souls The percentage of evangelical Christians among all of them is less than 5% Jesus as we all know is coming soon how are we to reach these before he comes God s Answer to 21st Century Terrorists is a memorable account of a fresh historical perspective with unforgettable characters and with a touch of the supernatural The apostle Paul was a First Century terrorist killing and imprisoning Christians The Lord Jesus Christ Head of the Church gave us an object lesson on how to win the terrorist We need to use His plan today Too many Christians are being slaughtered their churches burned and whole congregations are threatened with violence     *The Art of Preaching Old Testament Narrative* Steven D. Mathewson, 2021-06-15 A veteran pastor with thirty years of experience guides readers through a ten step process to preaching Old Testament narratives from text selection to delivery The first edition received a Christianity Today award of merit and a Preaching magazine Book of the Year award This edition now updated and revised throughout for a new generation includes a new chapter on how to preach Christ from the Old Testament and an exemplary sample sermon from Mathewson Foreword by Haddon W Robinson     *Let God Arise* John Whitman, 2019-11-06 The chapters of this book evolved over a period of time as I was listening to young Christians talking about different subjects and realizing the lack of understanding and Bible knowledge they were getting from different sources Seeing most young Christians don t have any real access to Bible school training and receive a lot of their information from friends family and various sources I became burdened to teach them in depth about the subjects they would talk about I began to write these things down that enabled me to give them something to read over and refer to when they needed to refresh their memory These different subjects are basic information that I believe all Christians should understand to help them stay on the path God intended and not be drawn into doctrine misunderstandings Having been to Kenya Africa on a mission trip where I had the ability to teach some of the things in this book I was asked if I could give them all of these teachings in a book as they are hungry for the teachings of the Word of God That prompted me to publish these sixteen Bible lessons for the benefit of those pastors in Africa and anywhere else that people are hungry for the understanding of the Word of God I hope the reader finds these chapters both inspiring and encouraging in their search for knowledge and understanding in their walk with the Lord     *Lucado 3-in-1: Traveling Light, Next Door Savior, Come Thirsty* Max Lucado, 2007-09-08 Water for the thirsty rest for the weary and a friend for the lonely Three books in one bringing you closer to the Savior In *Come Thirsty* Max Lucado encourages you to visit the

well and drink deeply to receive Christ's work on the cross the energy of his Spirit and his lordship over your life and his unending unfailing love Using the illustration of weary travelers in *Traveling Light* Lucado invites us to release the burdens of our excess baggage that we were never intended to bear with the Twenty third Psalm as our guide In *Next Door Savior* master storyteller Max Lucado presents the life of Jesus Christ in stunning contrast revealing the irresistible human qualities and the undeniably divine characteristics of Jesus Lucado describes as only he can a Savior who is as approachable as a next door neighbor yet mighty enough to save humanity

**The Problem with Evangelical Theology** Ben Witherington (III),2005 There is no doubting the legacy of the Protestant Reformers and their successors Luther Calvin and Wesley not only spawned specific denominational traditions but their writings have been instrumental in forging a broadly embraced evangelical theology as well In this volume Ben Witherington wrestles with some of the big ideas of these major traditional theological systems sin God's sovereignty prophecy grace and the Holy Spirit asking tough questions about their biblical foundations

Witherington argues that evangelicalism sometimes wrongly assumes a biblical warrant for some of its more popular beliefs and further he pushes the reader to engage the larger story and plot of the Bible to understand these central elements of belief Donald K McKim Editor Encyclopedia of the Reformed Faith     **The Creed in Slow Motion** Martin

Kochanski, 2022-06-30 I believe in one God the Father almighty maker of heaven and earth The Creed is the bones of our faith In all our different ways it makes us who we are But when we stand up and recite the Creed in unison we have no time to contemplate what it is that we are committing ourselves to The words rush past their meaning blurred by familiarity If we could only slow them down and hear them properly they would have the power to change worlds That is what The Creed in Slow Motion aims to do This is a book for people who like to think things through from first principles It will not tell you what to believe It is for you to engage your mind and discover that for yourself And for unbelievers to learn what exactly they disbelieve and why In forty short chapters with clarity and wit The Creed in Slow Motion draws examples from real life stories history and even science to uncover the core claims of Christianity By turns it is deep heartening startling revolutionary and even by the world s standards outrageous
