*The Hidden History of the JFK Assassination* Lamar Waldron, 2013-10-21 INSIDE THE CRIME OF THE CENTURY This fascinating history draws on never before published information to reveal the Mafia conspiracy that led to the assassination of John F Kennedy Answering the questions that have haunted Americans for decades Why and how was JFK murdered The Hidden History of JFK's Assassination draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy in addition to former FBI Secret Service military intelligence and Congressional personnel who provided critical first hand information The book also uses government files including the detailed FBI confession of notorious Mafia godfather Carlos Marcello to simply and clearly reveal who killed JFK Using information never published before the book uses Marcello's own words to his closest associates to describe the plot His confession is also backed up by a wealth of independent documentation This book builds on the work of the last Congressional committee to investigate JFK's murder which concluded that JFK was probably assassinated as a result of a conspiracy and that godfathers Santo Trafficante and Carlos Marcello had the motive means and opportunity to assassinate President Kennedy However it also draws on exclusive files and information not available to Congress that have only emerged in recent years to fully explain for the first time how Marcello and Trafficante committed and got away with the crime of the 20th century

**Medical Nihilism** Jacob Stegenga, 2018 Medical nihilism is the view that we should have little confidence in the effectiveness of medical interventions Jacob Stegenga argues persuasively that this is how we should see modern medicine and suggests that medical research must be modified clinical practice should be less aggressive and regulatory standards should be enhanced

**JFK: The Smoking Gun** Colin McLaren, 2013-10-23 Assassination Conspiracy Evidence of the shocking truth is finally revealed Shocking new details Herald Sun On 22nd November 1963 the 35th president of the United States John Fitzgerald Kennedy and his wife Jackie were taking part in a presidential motorcade through Dallas Thousands lined the streets cheering others hung out of windows to catch a glimpse of the much loved First

Lady and President Suddenly the unthinkable three shots bang bang bang rang out In front of the world John F Kennedy was fatally wounded Lee Harvey Oswald was caught But did he fire the fatal bullet Who REALLY killed JFK Fifty years after the tragic events in Dallas JFK The Smoking Gun solves the ultimate cold case With the forensic eye of a highly regarded ex cop Colin McLaren gathered the evidence studied 10 000 pages of transcripts discovered the witnesses the Warren Commission failed to call and uncovered the exhibits and testimonies that were hidden until now What he found is far more outrageous than any fanciful conspiracy theory could ever be JFK The Smoking Gun proves once and for all who did kill the President A compelling case The Australian Comprehensive and compelling Newcastle Herald *The Coming Generational Storm* Laurence J. Kotlikoff, Scott Burns, 2005 Who could survive a fiscal crisis This preemptive manual teaches how to protect against skyrocketing tax rates drastically reduced health and retirement benefits high inflation and a ruined currency

made public since the late 1990s As of 2022 however more than thirteen thousand declassified documents most of them from CIA records still contain redactions President Biden ordered that all documents be released in December of 2022 unless he sanctions continued secrecy Anthony Summers s account of the murder mystery that haunts America is one of the finest books on the assassination An awesome work with the power of a plea as from Zola for justice Los Angeles Times The closest we have to that literary chimera a definitive work on the events in Dallas The Boston Globe

**The Sexual Economy of War** Andrew Byers,2019-05-15 In The Sexual Economy of War Andrew Byers argues that in the early twentieth century concerns about unregulated sexuality affected every aspect of how the US Army conducted military operations Far from being an exercise marginal to the institution and its scope of operations governing sexuality was in fact integral to the military experience during a time of two global conflicts and numerous other army deployments In this revealing study Byers shows that none of the issues related to current debates about gender sex and the military the inclusion of LGBTQ soldiers sexual harassment and violence the integration of women is new at all Framing the American story within an international context he looks at case studies from the continental United States Hawaii the Philippines France and Germany Drawing on internal army policy documents soldiers personal papers and disciplinary records used in criminal investigations The Sexual Economy of War illuminates how the US Army used official policy legal enforcement indoctrination and military culture to govern wayward sexual behaviors Such regulation and its active opposition leads Byers to conclude that the tension between organizational control and individual agency has deep and tangled historical roots

JFK Revisited James DiEugenio,2022-07-05 Based on Oliver Stone s documentary JFK Revisited read the transcripts and interviews that will change the way you think about the John F Kennedy assassination JFK Revisited Through the Looking Glass contains the two working original screenplays for Oliver Stone s JFK Revisited both the two hour version Through the Looking Glass and the four hour version Destiny Betrayed These films are the first documentaries to feature the work of the Assassination Records Review Board The Assassination Records Review Board worked from 1994 98 releasing records that the government has classified in whole or in part on the assassination of President John F Kennedy They ended up releasing about two million pages or approximately sixty thousand documents They also pursued an investigation into the autopsy and medical evidence in the JFK case Although their releases and discoveries were quite important to the evidentiary record they received very little exposure in the mainstream media They also released documents relating to Kennedy s foreign policy in both Cuba and Vietnam In the former case these were plans by the Pentagon to create a pretext to invade Cuba In the latter documents proved Kennedy was implementing a withdrawal plan from Vietnam This book is unprecedented It contains a compendium of information originating from the widest range of authorities on the JFK case ever assembled This includes luminaries from several fields pathology surgery ballistics criminal investigation neurology history and journalism Never before have people like forensic pathologist Cyril Wecht criminalist Henry Lee Professor James Galbraith author David Talbot journalist Jefferson

Morley intelligence analyst John Newman Professor Robert Rakove and more appeared in one book never have this many illustrious authorities been interviewed about their views on the policies and the assassination of President John F Kennedy The book also includes important witness interviews with Dr Donald Miller about his colleague Malcolm Perry Jim Gochenaur of the Church Committee and Edwin McGehee of both the House Select Committee on Assassinations and the Jim Garrison investigation The combination of this newly released information plus expert interviews changed the database and calculus of the JFK case The scripts are included in this book which were the backbone for Oliver Stone s films It also includes important excerpts from the many interviews which did not make it into the final cuts of the films JFK Revisited will challenge

everything you thought you know about the JFK assassination      **Metaphors of Coronavirus** Jonathan Charteris-Black,2021-11-12 This book explores the metaphors used in public and media communication to ask how language shapes our moral reasoning about the global coronavirus crisis The author offers insights into the metaphors metonyms allegories and symbols of the global crisis and examines how they have contributed to policy formation and communication Combining metaphor theory with moral foundations theory he places metaphors in their historical contexts and then critically questions why certain tropes might be used in particular situations to persuade and convince an audience The book takes an integrated approach involving ideas from cognitive linguistics history social psychology and literature to produce a multi layered and thematically rich interpretation of the language of the pandemic and its social and political consequences It will be relevant to readers with a background in these areas as well as anyone with a general interest in the language used to make sense of this global event      **Reclaiming Parkland** James DiEugenio,2013-10-01 New foreword by J F K director

Oliver Stone Reclaiming Parkland details the failed attempt of Academy Award winning actor Tom Hanks and producer Gary Goetzman to make Vincent Bugliosi s mammoth book about the Kennedy assassination Reclaiming History into a miniseries It exposes the questionable origins of Reclaiming History in a dubious mock trial for cable television in which Bugliosi played the role of an attorney prosecuting Lee Harvey Oswald for murder and how this formed the basis for the epic tome Author James DiEugenio details the myriad problems with Bugliosi s book and explores the cooperation of the mainstream press in concealing many facts during the publicity campaign for the book and how this lack of scrutiny led Hanks and Goetzman cofounders of the production company Playtone to purchase the film rights DiEugenio then shows how the film adapted from that book entitled Parkland does not resemble Bugliosi s book and examines why This book reveals the connections between Washington and Hollywood as well as the CIA influence in the film colony today It includes an extended look at the little known aspects of the lives and careers of Bugliosi Hanks and Goetzman Reclaiming Parkland sheds light on the Kennedy assassination New Hollywood and the political influence on media in America      Psychiatry and Philosophy of Science

Rachel Cooper,2014-12-05 Psychiatry and Philosophy of Science explores conceptual issues in psychiatry from the perspective of analytic philosophy of science Through an examination of those features of psychiatry that distinguish it from

other sciences for example its contested subject matter its particular modes of explanation its multiple different theoretical frameworks and its research links with big business Rachel Cooper explores some of the many conceptual metaphysical and epistemological issues that arise in psychiatry She shows how these pose interesting challenges for the philosopher of science while also showing how ideas from the philosophy of science can help to solve conceptual problems within psychiatry Cooper's discussion ranges over such topics as the nature of mental illnesses the treatment decisions and diagnostic categories of psychiatry the case history as a form of explanation how psychiatry might be value laden the claim that psychiatry is a multi paradigm science the distortion of psychiatric research by pharmaceutical industries as well as engaging with the fundamental question whether the mind is reducible to something at the physical level *Psychiatry and Philosophy of Science* demonstrates that cross disciplinary contact between philosophy of science and psychiatry can be immensely productive for both subjects and it will be required reading for mental health professionals and philosophers alike

*The JFK Assassination* James DiEugenio, 2018-05-01 In this updated and revised edition James DiEugenio dissects the new Oscar nominated film *The Post* and how it disingenuously represents the Pentagon Papers saga to the detriment of the true heroes of the operation The story of the film stems from the failed attempt of Academy Award winning actor Tom Hanks and producer Gary Goetzman to make Vincent Bugliosi's mammoth book about the Kennedy assassination *Reclaiming History* into a miniseries He exposes the questionable origins of *Reclaiming History* in a dubious mock trial for cable television in which Bugliosi played the role of an attorney prosecuting Lee Harvey Oswald for murder and how this formed the basis for the epic tome *JFK The Evidence* Today lists the myriad problems with Bugliosi's book and explores the cooperation of the mainstream press in concealing many facts during the publicity campaign for the book and how this lack of scrutiny led Hanks and Goetzman cofounders of the production company Playtone to purchase the film rights DiEugenio then shows how the failed film adapted from that book entitled *Parkland* does not resemble Bugliosi's book and examines why This book reveals the connections between Washington and Hollywood as well as the CIA influence in the film community today It includes an extended look at the little known aspects of the lives and careers of Bugliosi Hanks and Goetzman *JFK The Evidence* Today sheds light on the Kennedy assassination New Hollywood and political influence on media in America

*Entertainment Media and Communication* Nicholas David Bowman, 2024-10-21 Although not considered a formal area of study scholarship on the uses content and effects of entertaining media has been central to communication studies and related fields for more than a century The serious study of entertainment seems paradoxical as we presume entertainment to be the lighter side of our daily lives Yet as revealed in this volume entertainment media serve as cultural artifacts that shape our understandings of various peoples and publics in ways that invite deeper immersive and increasingly interactive engagement On this backdrop *Entertainment Media and Communication* serves as a reference guide for canonical and foundational research into media entertainment and a collection of emerging and updated theories and models core to the
