Magic Malice And Murder:

Magic, Malice and Murder Peter G. Engelman, 2004 The stage was set and the Great Zaganinii was about to perform his death defying Tomb of Death escape The famous Italian Master Illusionist's finale always received a standing ovation and he expected no less from the audience in the historical Firenze theatre When the 1 000 pound wrecking ball dropped from the sky high crane there was no thought of a crazed killer out to spoil the act Who in their right mind would want to end the life of such a popular magician and showman Was it Sal his trusted prop man Luciano the crane operator or perhaps one of his beautiful show assistants Sophia or Maria Then again perhaps it was someone off the set someone that held a grudge for the successful magician The story takes place in Florence Firenze Italy in the heart of Tuscany country with all of its beautiful vineyards rolling hills and golden sunsets If you enjoy Whodunits this book will be an enjoyable read As a novella you will appreciate the quick pace the abundance of dialogue and absence of tedious description Royal Murders Dulcie M Ashdown, 2011-08-26 This book examines the motives means and consequences of the murders among members of Europe's ruling families over the last 1 000 years Plucking true stories due to their historical significance and sheer intrigue this book relates violent deaths amid royal splendour and the overthrow of tyrants by oppressed populations Methods vary from sword and arrow to bomb and bullet to alleged witchcraft Settings range from Russia to Portugal British examples include the involvement Mary Queen of Scots may have had in her second husband's murder and a search for the facts behind Shakespeare's portrayal of the murderous usurpers Macbeth and Richard III But in European history there has been no royal murder to rival Russia's Tsar Ivan the Terrible a homicidal maniac responsible for thousands of deaths whose dramatic killing sprees are examined here Dulcie M Ashdown takes on a journey through the dark and tragic side of royal history from Richard III through to the recent controversy surrounding the death of Diana Princess of Wales Henry Castellan's Magical Adventure Askirandeep Kaur, 2025-07-13 Step into the shoes of Henry Castellan a young wizard with a powerful destiny With magic mystery and adventure swirling around him he must make difficult choices form unexpected alliances and confront the shadows within Will he emerge victorious or will the forces of darkness prevail Dive into this gripping tale of magic courage and the power of the human spirit **Witch Beliefs and Witch Trials in the Middle Ages** P. G. Maxwell-Stuart, 2011-06-30 In 1901 a rich collection of extracts from documents relating to witch beliefs and witch trials in the Middle Ages Hexenwahn und der Hexenverfolgung in Mittelalter was published in Bonn Most of the original documents are in Latin with some in medieval German and French and it has been left largely untranslated making the material inaccessible and neglected This new translation of the key documents will enable students and scholars to look afresh at this crucial period in the development of attitudes towards witchcraft Through the translated extracts we can see the beliefs and activities which had been formally condemned by ecclesiastical and secular authorities but which had not yet become subject to widespread eradicating pogroms start to be allied with heresy and with changing conceptions of demonic activity The

extensive introductory essay gives the reader the historical theological intellectual and social background and contexts of the translated documents The translations themselves will all have introductory notes This volume will contribute significantly to our understanding of the witchcraft phenomenon in the Middle Ages **St. James Guide to Crime & Mystery Writers** Jay P.
