

3-Part Structure

- 1. The context sentence – you use this sentence to introduce what's happening in the text when the quote you have chosen appears.
 - You have to give some kind of context in the form of a one sentence plot summary explaining where your characters are and what they're doing. Only provide RELEVANT information
- 2. The quotation sentence – you NEVER begin a sentence with quotation marks. You have to introduce the quotation before you use it.
 - Think about the subject and the present tense verb that best describes what is happening in your quotation. ("John says," "Abigail shouts," "Miller writes," etc.)
- 3. The analysis sentences – Note that this is PLURAL. You must provide more than one sentence of analysis
 - This is the part where you are explaining how the quotation proves the point that you're trying to make. Think about using the first sentence to re-phrase your quotation, and the second sentence to really back up your point.
