## **Magistrates And Assemblies A Study Of Legislative Practice In:**

Magistrates and Assemblies Kaj Sandberg, 2001      *Magistracy and the Historiography of the Roman Republic* Ayelet Haimson Lushkov, 2015-02-09 The study of Roman republican magistracy has traditionally been the preserve of historians posing constitutional and prosopographical questions As a result one fundamental aspect of our most detailed contemporary and near contemporary sources about magistracy has remained largely neglected their literariness This book takes a new approach to the representation of magistrates and shows how the rhetorical and formal features of prose texts principally Livy's history but also works by Cicero and Sallust shape our understanding of magistracy Applying to the texts an expanded concept of exemplarity Haimson Lushkov shows how a rich body of anecdotes concerning the behaviour and speech of magistrates reflects on the values and tensions that defined the republic A variety of contexts familial military and electoral among others flesh out the experience of being becoming and encountering a Roman magistrate and the political and ethical problems highlighted and negotiated in such circumstances      *Commanders and Command in the Roman Republic and Early Empire* Fred K. Drogula, 2015-04-13 In this work Fred Drogula studies the development of Roman provincial command using the terms and concepts of the Romans themselves as reference points Beginning in the earliest years of the republic Drogula argues provincial command was not a uniform concept fixed in positive law but rather a dynamic set of ideas shaped by traditional practice Therefore as the Roman state grew concepts of authority control over territory and military power underwent continual transformation This adaptability was a tremendous resource for the Romans since it enabled them to respond to new military challenges in effective ways But it was also a source of conflict over the roles and definitions of power The rise of popular politics in the late republic enabled men like Pompey and Caesar to use their considerable influence to manipulate the flexible traditions of military command for their own advantage Later Augustus used nominal provincial commands to appease the senate even as he concentrated military and governing power under his own control by claiming supreme rule In doing so he laid the groundwork for the early empire's rules of command      *Ancient Rome* Matthew Dillon, Lynda Garland, 2013-10-28 A companion volume to the highly successful and widely used *Ancient Greece* this Sourcebook is a valuable resource for students at all levels studying ancient Rome Lynda Garland and Matthew Dillon present an extensive range of material from the early Republic to the assassination of Julius Caesar Providing a comprehensive coverage of all important documents pertaining to the Roman Republic *Ancient Rome* includes source material on political developments in the Roman Republic 509-44 BC detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic All students of ancient Rome and classical studies will find this textbook

invaluable at all levels of study      The Oxford Handbook of Warfare in the Classical World Brian Campbell, Lawrence A. Tritle, 2017-07 This Handbook gathers 38 leading historians to describe analyze and interpret warfare and its effects in classical Greece and Rome      **A Companion to Livy** Bernard Mineo, 2014-09-15 A Companion to Livy features a collection of essays representing the most up to date international scholarship on the life and works of the Roman historian Livy Features contributions from top Livian scholars from around the world Presents for the first time a new interpretation of Livy's historical philosophy which represents a key to an overall interpretation of Livy's body of work Includes studies of Livy's work from an Indo European comparative aspect Provides the most modern studies on literary archetypes for Livy's narrative of the history of early Rome      *Consuls and Res Publica* Hans Beck, Antonio Duplá, Martin Jehne, Francisco Pina Polo, 2011-09-08 The consulate was the focal point of Roman politics Both the ruling class and the ordinary citizens fixed their gaze on the republic's highest office to be sure from different perspectives and with differing expectations While the former aspired to the consulate as the defining magistracy of their social status the latter perceived it as the embodiment of the Roman state Holding high office was thus not merely a political exercise The consulate prefigured all aspects of public life with consuls taking care of almost every aspect of the administration of the Roman state This multifaceted character of the consulate invites a holistic investigation The scope of this book is therefore not limited to political or constitutional questions Instead it investigates the predominant role of the consulate in and its impact on the political culture of the Roman republic

**A Commentary on Livy, Books VI-X** S. P. Oakley, 2005-10-13 Livy's tenth book an exciting climax to his first decade narrates two political advances of 300 BC the Lex Valeria de provocatione and the opening up of major priesthoods to plebeians it also tells of the Spartan Cleonymus' landfall at the site that long afterwards would be Venice Its main topic however is Roman warfare above all the outbreak of the Third Samnite War and the decisive battle of Sentium in 295 BC This new commentary which completes Professor Oakley's exposition of Books VI-X deals comprehensively with all aspects of Livy's work including the literary structure of his narrative the historical and topographical problems of the Samnite Wars the poetical and archaic language sometimes affected by Livy and the numerous textual problems posed by the extant manuscripts An extensive section of addenda and corrigenda contains revisions to the preceding volumes      *End of the Roman Republic 146 to 44 BC* Catherine Steel, 2013-03-05 In 146 BC the armies of Rome destroyed Carthage and emerged as the decisive victors of the Third Punic War The Carthaginian population was sold and its territory became the Roman province of Africa In the same year and on the other side of the Mediterranean Roman troops sacked Corinth the final blow in the defeat of the Achaean conspiracy thereafter Greece was effectively administered by Rome Rome was now supreme in Italy the Balkans Greece Macedonia Sicily and North Africa and its power and influence were advancing in all directions However not all was well The unchecked seizure of huge tracts of land in Italy and its farming by vast numbers of newly imported slaves allowed an elite of usually absentee landlords to amass enormous and conspicuous fortunes Insecurity and

resentment fed the gulf between rich and poor in Rome and erupted in a series of violent upheavals in the politics and institutions of the Republic These were exacerbated by slave revolts and invasions from the east

*A Companion to the Political Culture of the Roman Republic* Valentina Arena, Jonathan R. W. Prag, Andrew Stiles, 2022-01-25 An insightful and original exploration of Roman Republic politics In *A Companion to the Political Culture of the Roman Republic* editors Valentina Arena and Jonathan Prag deliver an incisive and original collection of forty contributions from leading academics representing various intellectual and academic traditions The collected works represent some of the best scholarship in recent decades and adopt a variety of approaches each of which confronts major problems in the field and contributes to ongoing research The book represents a new updated and comprehensive view of the political world of Republican Rome and some of the included essays are available in English for the first time Divided into six parts the discussions consider the institutionalized loci political actors and values rituals and discourse that characterized Republican Rome The Companion also offers several case studies and sections on the history of the interpretation of political life in the Roman Republic Key features include A thorough introduction to the Roman political world as seen through the wider lenses of Roman political culture Comprehensive explorations of the fundamental components of Roman political culture including ideas and values civic and religious rituals myths and communicative strategies Practical discussions of Roman Republic institutions both with reference to their formal rules and prescriptions and as patterns of social organization In depth examinations of the afterlife of the Roman Republic both in ancient authors and in early modern and modern times Perfect for students of all levels of the ancient world *A Companion to the Political Culture of the Roman Republic* will also earn a place in the libraries of scholars and students of politics political history and the history of ideas

**The Oxford Handbook of Roman Law and Society** Paul J du Plessis, Clifford Ando, Kaius Tuori, 2016-10-20 The Oxford Handbook of Roman Law and Society surveys the landscape of contemporary research and charts principal directions of future inquiry More than a history of doctrine or an account of jurisprudence the Handbook brings to bear upon Roman legal study the full range of intellectual resources of contemporary legal history from comparison to popular constitutionalism from international private law to law and society thereby setting itself apart from other volumes as a unique contribution to scholarship on its subject The Handbook brings the study of Roman law into closer alignment and dialogue with historical sociological and anthropological research into law in other periods It will therefore be of value not only to ancient historians and legal historians already focused on the ancient world but to historians of all periods interested in law and its complex and multifaceted relationship to society

**A Companion to Greek Democracy and the Roman Republic** Dean Hammer, 2014-08-25 *A Companion to Greek Democracy and the Roman Republic* offers a comparative approach to examining ancient Greek and Roman participatory communities Explores various aspects of participatory communities through pairs of chapters one Greek one Roman to highlight comparisons between cultures Examines the types of relationships that sustained participatory communities the challenges

they faced and how they responded Sheds new light on participatory contexts using diverse methodological approaches Brings an international array of scholars into dialogue with each other Law and Power in the Making of the Roman Commonwealth Luigi Capogrossi Colognesi, 2014-11-13 With a broad chronological sweep this book provides an historical account of Roman law and legal institutions which explains how they were created and modified in relation to political developments and changes in power relations It underlines the constant tension between two central aspects of Roman politics the aristocratic nature of the system of government and the drive for increased popular participation in decision making and the exercise of power The traditional balance of power underwent a radical transformation under Augustus with new processes of integration and social mobility brought into play Professor Capogrossi Colognesi brings into sharp relief the deeply political nature of the role of Roman juridical science as an expression of aristocratic politics and discusses the imperial jurists fundamental contribution to the production of an outline theory of sovereignty and legality which would constitute together with Justinian s gathering of Roman legal knowledge the most substantial legacy of Rome A *Community in Transition* Mattia Balbo, Federico Santangelo, 2023 The Roman Republic has become a huge interest among both specialized readers and the general public This volume addresses the period in which the Republic reached its peak and covers a number of key themes in the history of the Roman polity during the Middle Republic such as political competition legal practice and economic change Its chapters are the result of a close and up to date discussion among established scholars from Europe the UK the USA and Australia *The Consul at Rome* Francisco Pina Polo, 2011-02-24 In modern times there have been studies of the Roman Republican institutions as a whole as well as in depth analyses of the senate the popular assemblies the tribunate of the plebs the aedileship the praetorship and the censorship However the consulship the highest magistracy of the Roman Republic has not received the same attention from scholars The purpose of this book is to analyse the tasks that consuls performed in the civil sphere during their term of office between the years 367 and 50 BC using the preserved ancient sources as its basis In short it is a study of the consuls at work both within and outside the city of Rome in such varied fields as religion diplomacy legislation jurisdiction colonisation elections and day to day politics Clearly and accessibly written it will provide an indispensable reference work for all scholars and students of the history of the Roman Republic **On the Way to Statehood** Peter Radan, 2017-05-15 The present international order is characterized by the rapid globalization of economic activity by systematic attempts to coordinate state responses to the outbreaks of violence and by unilateral military interventions against sovereign states either by the USA or by one of its regional allies This collection explores the changes that the current international order has brought to the theory and practice of recognition of secessionist claims and to the conditions for secessionist mobilization The volume examines how independence movements achieve legitimacy amongst both their target populations and outside states and how the forces of increasing economic globalization and political interdependence impact on secessionist mobilization It addresses how the outside states recognize

the independence of new states and whether the claims to independent statehood can be justified within normative theories of secession and international law These issues are explored both through comparative analysis within legal international relations and political science frameworks and through an examination of several recent attempts at secession     Politics in the Roman Republic Henrik Mouritsen,2017-03-02 The politics of the Roman Republic has in recent decades been the subject of intense debate covering issues such as the degree of democracy and popular influence parties and ideology politics as public ritual and the character of Rome s political culture This engaging book examines all these issues afresh and presents an original synthesis of Rome s political institutions and practices It begins by explaining the development of the Roman constitution over time before turning to the practical functioning of the Republic focusing particularly on the role of the *populus Romanus* and the way its powers were expressed in the popular assemblies Henrik Mouritsen concludes by exploring continuity and change in Roman politics as well as the process by which the republican system was eventually replaced by monarchy This original and readable book will be important for all students and scholars of Roman history and of politics in general     **Rome, Blood & Politics** Gareth C. Sampson,2020-01-31 This in depth chronicle examines the series of political upheavals that led to division violence and civil war in the ancient Roman Republic The last century of the Roman Republic saw the consensus of the ruling elite shattered by a series of high profile politicians who proposed political or social reform programs many of which culminated in acts of bloodshed on the streets of Rome itself This began in 133 BC with the military recruitment reforms of Tiberius Gracchus which saw him and his supporters lynched by a mob of angry Senators Gracchus s grim example was followed by a series of radical politicians each with their own agenda that challenged the status quo of the Senatorial elite Each met a violent response from elements of the ruling order leading to murder and even battles on the streets of Rome These bloody political clashes paralyzed the Roman state eventually leading to its collapse Covering the period 133 70 BC this volume analyzes each of the key reformers what they were trying to achieve and how they met their end narrating the long decline of the Roman Republic into anarchy and civil war     Edinburgh Companion to the History of Democracy Benjamin Isakhan,2015-03-24 Re examines the long and complex history of democracy and broadens the traditional view of this history by complementing it with examples from unexplored or under examined quarters     *Ceremony and Power* Geoffrey Sumi,2015-11-06 Analyzes the relationship between political power and public ceremonial in the period between Julius Caesar and the first emperor Augustus

The Enigmatic Realm of **Magistrates And Abemblies A Study Of Legislative Practice In**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Magistrates And Abemblies A Study Of Legislative Practice In** a literary masterpiece penned by a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those that partake in its reading experience.

### **Magistrates And Abemblies A Study Of Legislative Practice In Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Magistrates And Abemblies A Study Of Legislative Practice In free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Magistrates And Abemblies A Study Of Legislative Practice In free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By

specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Magistrates And Abemblies A Study Of Legislative Practice In free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Magistrates And Abemblies A Study Of Legislative Practice In. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Magistrates And Abemblies A Study Of Legislative Practice In any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Magistrates And Abemblies A Study Of Legislative Practice In Books**

1. Where can I buy Magistrates And Abemblies A Study Of Legislative Practice In books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
