Slow Fade to Black Thomas Cripps,1977-02-03 Set against the backdrop of the black struggle in society Slow Fade to Black is the definitive history of African American accomplishment in film both before and behind the camera from the earliest movies through World War II As he records the changing attitudes toward African Americans both in Hollywood and the nation at large Cripps explores the growth of discrimination as filmmakers became more and more intrigued with myths of the Old South the lost cause aspect of the Civil War the stately mansions and gracious ladies of the antebellum South the happy slaves singing in the fields Cripps shows how these characterizations culminated in the blatantly racist attitudes of Griffith s *The Birth of a Nation* and how this film inspired the N A A C P to campaign vigorously and successfully for change A lively thorough history of African Americans in the movies Slow Fade to Black is also a perceptive social commentary on evolving racial attitudes in this country during the first four decades of the twentieth century

Annie Hall Peter Cowie,2019-07-25 For an entire generation Annie Hall embodied the notion of a New York peopled by sophisticated intellectuals all sent up by the deadpan comedy genius of Woody Allen writer director and of course star It also confirmed the sparkling acting talent of Diane Keaton as a partner for Woody on screen The film has survived as a popular comedy however by virtue of Allen s inventiveness as a director and the timelessness of his satire Peter Cowie s study of Annie Hall recaptures the mood of the 70s and examines the myriad imaginative touches that distinguish this film from other American productions of the period The book also includes a glossary of the many cultural references which give the film its distinctively intellectual tone

Visions of Yesterday Jeffrey Richards,2014-01-21 Film is an important source of social history as well as having been a popular art form from the early twentieth century This study shows how a society consciously or unconsciously is mirrored in its cinema It considers the role of the cinema in dramatizing popular beliefs and myths and takes three case studies American populism British imperialism German Nazism to explain how a

nation's pressures, tensions, and hopes come through in its films. Examining the American cinema is accomplished by analysing the careers of three great directors: John Ford, Frank Capra, and Leo McCarey, while the British and German cinemas are studied by theme. The analysis of the British Empire as seen in film broke exciting new ground with a pioneering account of the cinema of Empire when it was first published in 1973. With full filmographies and a carefully selected bibliography, it is an outstanding work of reference, and its lively approach makes it a delight to read. Reviews of the original edition: A work of considerable force and considerable wit. *Clive James Observer*, a work that is original, mentally stimulating, and most pleasurable to read. *Focus on Film*

Fools and Jesters in Literature, Art, and History Vicki K. Janik, 1998-05-21. Jesters and fools have existed as important and consistent figures in nearly all cultures. Sometimes referred to as clowns, they are typological characters who have conventional roles in the arts, often using nonsense to subvert existing order. But fools are also a part of social and religious history, and they frequently play key roles in the rituals that support and shape a society's system of beliefs. This reference book includes alphabetically arranged entries for approximately 60 fools and jesters from a wide range of cultures. Included are entries for performers from American popular culture such as Woody Allen, Mae West, Charlie Chaplin, and the Marx Brothers; literary characters such as Shakespeare's Falstaff, Rabelais's Gargantua and Pantagruel, and Singer's Gimpel; and cultural and mythological figures such as India's Birbal, the American circus clown, the Native American Coyote, Taishu Engeki of Japan, Hephaestus, Loki, the Norse fool, schlimiels, and schlimazels, and the drag queen. The entries, written by expert contributors, are critical as well as informative. Each begins with a biographical, artistic, religious, or historical background section which places the subject within a larger cultural and historical context. A description and analysis follow. This section may include a discussion of the fool's appearance, gender, role, ethical and moral roles, social function, and relationship to such themes as nature, time, and mortality. The entry then discusses the critical reception of the subject and concludes with an extensive bibliography of general works.

The Encyclopedia of Vaudeville Anthony Slide, 2012-03-12. The Encyclopedia of Vaudeville provides a unique record of what was once America's preeminent form of popular entertainment from the late 1800s through the early 1930s. It includes entries not only on the entertainers themselves but also on those who worked behind the scenes, the theatres, genres, and historical terms. Entries on individual vaudevillians include biographical information, samplings of routines, and often commentary by the performers. Many former vaudevillians were interviewed for the book, including Milton Berle, Block and Sully, Kitty Doner, Fifi D'Orsay, Nick Lucas, Ken Murray, Fayard Nicholas, Olga Petrova, Rose Marie, Arthur Tracy, and Rudy Vallee. Where appropriate, entries also include bibliographies. The volume concludes with a guide to vaudeville resources and a general bibliography. Aside from its reference value, with its more than five hundred entries, the Encyclopedia of Vaudeville discusses the careers of the famous and the forgotten. Many of the vaudevillians here, including Jack Benny, George Burns, and Gracie Allen, Jimmy Durante, W. C.

Fields Bert Lahr and Mae West are familiar names today thanks to their continuing careers on screen At the same time and given equal coverage are forgotten acts legendary female impersonators Bert Savoy and Jay Brennan the vulgar Eva Tanguay with her billing as The I Don t Care Girl male impersonator Kitty Doner and a host of freak acts
