

THE  
NECESSARY  
SHAKESPEARE

THIRD EDITION

DAVID BEVINGTON

# Necessary Shakespeare

**Margreta de Grazia, Stanley Wells**

## **Necessary Shakespeare:**

*The Necessary Shakespeare* William Shakespeare, 2005 Extracted from the best selling Complete Works of Shakespeare 5e by David Bevington The Necessary Shakespeare offers the most comprehensive scholarly apparatus with the most often taught necessary of Shakespeare's work creating a truly concise yet complete anthology This anthology provides extensive introductions to the plays and poems offering discussion topics sources for each play and the stage history of performances Readers interested in Shakespeare

**Necessary Shakespeare, Books a la Carte Edition** David Bevington, 2016-01-27 NOTE This edition features the same content as the traditional text in a convenient three hole punched loose leaf version Books a la Carte also offer a great value this format costs significantly less than a new textbook Before purchasing check with your instructor or review your course syllabus to ensure that you select the correct ISBN Several versions of Pearson's MyLab it shows him as a remarkable poet as well as dramatist Selections are based in part on user feedback and in many cases are widely available on film or video Also available with MyLiteratureLab MyLiteratureLab is an online resource that works with our literature anthologies to provide engaging experiences to instructors and students Readers can access new content that fosters an understanding of literary elements which provides a foundation for stimulating class discussions This simple and powerful tool offers state of the art audio and video resources along with practical tools and flexible assessment Note You are purchasing a standalone product MyLiteratureLab does not come packaged with this content Students if interested in purchasing this title with MyLiteratureLab ask your instructor for the correct package ISBN and Course ID Instructors contact your Pearson representative for more information If you would like to purchase both the physical text and MyLiteratureLab search for 0134442016 9780134442013 The Necessary Shakespeare Books a la Carte Edition Plus MyLiteratureLab without Pearson eText Access Card Package 5e Package consists of 0134310926 9780134310923 The Necessary Shakespeare Books a la Carte Edition 0205883583 9780205883585 NEW MyLiteratureLab without Pearson eText Access Card

**Woke Shakespeare: Rethinking Shakespeare for a New Era** Ian McCormick, 2025-06-07 Shakespeare's plays have always been embroiled in political and cultural debates From the Elizabethan Jacobean stage to modern classrooms his works provoke conversation challenge conventions and ignite controversy Nonetheless Shakespeare's central position in the traditional cultural establishment is facing renewed scrutiny as some critics start to question whether his works should still occupy a prime position on the syllabus and the stage Debates about woke ideology emerging in part out of the earlier culture wars have stimulated renewed interest in the role of various schools of critical enquiry ranging from feminism and gender to queer theory postcolonialism and race to cultural materialism global studies to eco criticism social class to social justice The essays in this new collection provide a forum for more diverse voices and debates seeking to explore how to engage with modern social and political issues in transformative ways How can we navigate new thinking about the struggle for social justice while reimagining Shakespeare's role in a rapidly changing political cultural landscape

How does Shakespeare's work intersect with modern political anxieties such as the politics of woke and cultural panic? In terms of rethinking identity and human agency, what do Shakespeare's characters reveal or obscure about today's debates on race, gender, and social justice? With regard to censorship, safety, and emancipation, how should educators approach potentially sensitive content in a way that respects both free speech and inclusivity? To what extent does working with Shakespeare involve global perspectives and postcolonial insights that might contribute to decolonizing the curriculum? How do new platforms, social media conversations, and digital adaptations shape our engagement with Shakespearean texts? Featuring feminist reinterpretations, queer temporalities, global perspectives, and postcolonial adaptations, *Woke Shakespeare* challenges readers to reconsider Shakespeare's current contribution to twenty-first-century culture. It is an essential resource for educators, performers, and scholars who wish to grapple with Shakespeare's contested legacy and explore innovative approaches to his works in an era of political struggle and social transformation. Whether embracing, resisting, or reinterpreting woke ideologies, this book aims to foster a civilized and critical dialogue about Shakespeare's enduring influence in a world that is constantly redefining itself in line with controversial new ideas about social justice.

*The Necessary Shakespeare* David Bevington, 2014-07-24 **ALERT** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab check with the seller before completing your purchase. Used or rental books: If you rent or purchase a used book with an access code, the access code may have been redeemed previously, and you may have to purchase a new access code. Access codes: Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. A highly respected editor and Shakespearean scholar, David Bevington presents a brief version of *The Complete Works of Shakespeare* 7e with the new edition of *The Necessary Shakespeare* 4e. Available in the traditional print text format and now available as an eText within MyLiteratureLab, Pearson's online resource for literature, the eText increases flexibility for students who prefer the convenience of studying online. The eText offers complete note-taking capabilities so students can mark the text as they would the printed page. The fourth edition continues to address the two key issues confronted by students approaching Shakespeare today: a lack of knowledge about the historical period and difficulty with the language of Shakespeare's plays. A richly illustrated general introduction offers insight into Shakespeare's England and background on the literary, social, and cultural contexts in which Shakespeare wrote and produced plays. Each play is introduced by a descriptive essay designed to help students appreciate the historical contexts and interpretive issues raised by the play without dictating students' interpretations. Thoroughly revised and updated notes and glosses provide contemporary readers the support they need to understand Elizabethan language and idioms in accessible and clear modern language, line by line. **The Cambridge Companion to Shakespeare** Margreta de Grazia, Stanley Wells, 2001-04-05 This book offers a comprehensive, readable, and authoritative introduction to the study of

Shakespeare by means of nineteen newly commissioned essays An international team of prominent scholars provide a broadly cultural approach to the chief literary performative and historical aspects of Shakespeare's work They bring the latest scholarship to bear on traditional subjects of Shakespeare study such as biography the transmission of the texts the main dramatic and poetic genres the stage in Shakespeare's time and the history of criticism and performance In addition authors engage with more recently defined topics gender and sexuality Shakespeare on film the presence of foreigners in Shakespeare's England and his impact on other cultures Helpful reference features include chronologies of the life and works illustrations detailed reading lists and a bibliographical essay Some Necessary Questions of the Play Gene A.

Smith, Robert E. Wood, 1994 Wood finds in Hamlet a series of violations of generic expectation that opens up the narrow range of revenge tragedy to the fuller scope of tragedy proper Because Hamlet problematizes genre we become aware of the problems generated when mythic narrative is infused with self-conscious dramatic characters The resulting ambivalence of the generic framework makes possible the play's generalized challenge to institutions of social order *Shakespeare's World of Words* Paul Yachnin, 2015-10-22 Was Shakespeare really the original genius he has appeared to be since the eighteenth century a poet whose words came from nature itself The contributors to this volume propose that Shakespeare was not the poet of nature but rather that he is a genius of rewriting and re-creation someone able to generate a new language and new ways of seeing the world by orchestrating existing social and literary vocabularies Each chapter in the volume begins with a key word or phrase from Shakespeare and builds toward a broader consideration of the social poetic and theatrical dimensions of his language The chapters capture well the richness of Shakespeare's world of words by including discussions of biblical language Latinity philosophy of language and subjectivity languages of commerce criminality history and education the gestural vocabulary of performance as well as accounts of verbal modality and Shakespeare's metrics An Afterword outlines a number of other important languages in Shakespeare including those of law news and natural philosophy **Shakespeare's Professional Skills** Neville Coghill, 2011-02-03 Professor Coghill examines

Shakespeare's work not as poet but as dramatist *The English Novel in the Time of Shakespeare* Jean Jules

Jusserand, 1890 Performances at Court in the Age of Shakespeare Sophie Chiari, John Mucciolo, 2019-10-24 A fascinating insight into court entertainment encompassing dance music and performance in the age of Shakespeare
