Neither Jew nor Greek James D. G. Dunn, 2015 In *Christianity in the making* James D G Dunn examines in depth the major factors that shaped first generation Christianity and beyond exploring the parting of the ways between Christianity and Judaism the Hellenization of Christianity and responses to Gnosticism He mines all the first and second century sources including the New Testament Gospels New Testament apocrypha and such church fathers as Ignatius Justin Martyr and Irenaeus showing how the Jesus tradition and the figures of James Paul Peter and John were still esteemed influences but were also the subject of intense controversy as the early church wrestled with its evolving identity Neither Jew Nor Greek Violet Guttenberg, 1902 Neither Jew nor Greek? Judith Lieu, 2015-11-19 A ground breaking study in the formation of early Christian identity by one of the world's leading scholars In *Neither Jew Nor Greek* Judith Lieu explores the formation and shaping of early Christian identity within Judaism and within the wider Graeco Roman world in the period before 200 C E Lieu particularly examines the way that literary texts presented early Christianity She combines this with interdisciplinary historical investigation and interaction with scholarship on Judaism in late Antiquity and on the Graeco Roman world The result is a highly significant contribution to four of the key questions in current New Testament scholarship how did early Christian identity come to be formed How should we best describe and understand the processes by which the Christian movement became separate from its Jewish origins Was there anything special or different about the way women entered Judaism and early Christianity How did martyrdom contribute to the construction of early Christian identity The chapters in this volume have become classics in the study of the New Testament and for this Cornerstones edition Lieu provides a new introduction placing them within the academic debate as it is now **"Neither Jew Nor Greek"** Keith Williams, 2008

leading advocate of the belief that Israel has been superseded by the Church while others hold that Aquinas avoids supersessionism altogether. The discussion has however not always analysed the terminology nor has it taken into account some of Aquinas's commentaries on Paul's letters, his writings most relevant to the subject. Drawing upon the Pauline commentaries, Matthew Tapie shows that while Aquinas's most commonly articulated view is that the passion of Christ made Jewish worship and the Mosaic law obsolete, Aquinas also advanced views that set this into question in ways that support Christian teachings affirming the value of post-biblical Judaism. In doing so, he provides both a rich and timely reminder of the ambiguities in Aquinas's thought and makes an important contribution to the literature of supersessionism. KJV Standard Lesson Commentary® 2016-2017 Standard Publishing, 2016-06-01. As the nation's most popular annual Bible commentary for more than two decades, the Standard Lesson Commentary provides 52 weeks of study in a single volume and combines thorough Bible study with relevant examples and questions. The KJV SLC is perfect as the primary resource for an adult Sunday school class and personal study or as a supplemental resource for any curriculum that follows the ISSL Uniform Series. Nearly two dozen ministers, teachers, and Christian education specialists provide the Bible commentary, lesson plans, discussion questions, and other features that make the Standard Lesson Commentary the most popular annual Bible commentary available. The Standard Lesson Commentary is based on the popular Uniform Series, also called the International Sunday School Lessons. This series, developed by scholars from several church fellowships, provides an orderly study of the Bible in a 6-year period. *In Christ Scriptures*, 2011-11-11. *Plain Parish Sermons, preached at Rotherhithe*, Philip BLAND, 1850. **A Pneumatology of Race in the Gospel of John**, Rodolfo Galvan Estrada III, 2019. How do the Greco-Roman views of ethnicity inform our reading of the Spirit in the Fourth Gospel? This study not only reviews the role of ethnicity and race in the ancient world; it also proposes a bold new understanding of Johannine pneumatology. From an ethnocritical perspective, this study argues that the Spirit was articulated for an ethnically diverse Johannine community that was dealing with the issues of race relations. The Spirit is the divine breath of God that commissions Jesus for the redemption of all ethnicities. The Spirit is involved in the maternal birth of all ethnic members who are in the family of God. The Spirit draws all people despite their ethnic lineage and heritage. And the Spirit is actively involved as an advocate for the minoritized community undergoing synagogue violence. Will the members of the Johannine community still hold onto ethnic ideologies of dehumanization that were prevalent of their age? Can the Johannine community still have the Spirit and support ideologies of ethnic division and hate? This study seeks to answer these questions.
