Cornelis de Groot, 1990-01-01 Participative management its theory practice are the central theme of this special issue of the Bulletin of Comparative Labour Relations This topic has recently received a lot of scholarly attention due the current popularity of participative forms of company organisation Up to now the majority of studies have ignored the pure management perspective In this special issue of the Bulletin the pros cons of participative management are seen from the managers point of view What do today s managers gain from worker participation What lessons may be learnt from the experiences in other countries While a definite answer cannot be given the articles in this Bulletin do contain a lot of useful information illustrative examples Managers labour lawyers who wish to follow the current discussion on participative management all others in need of fresh look on this topic will find this special issue of the Bulletin extremely useful

Death of Labour Law? Martin Vranken, 2009-02-15 Death of Labour Law questions the on going relevance of labour law in Australia and other Western industrialised societies in the twenty first century The tension between economic flexibility for business and social stability for workers is set against the backdrop of the Rudd government s Forward with Fairness reform agenda and similar proposals for change in the European Union Martin Vranken retraces the birth and subsequent growth of labour law and argues that it is essentially a mechanism for employee protection not labour market regulation Death of Labour Law offers a fresh perspective on the current debate about labour law and the role of the state in Australian industrial and workplace relations

Labour Law & Social Security in the Netherlands A. T. J. M. Jacobs, 1997 Photocopies of an

introduction to the Netherlands labour law and social security law **Proceedings of the Symposium: Dutch and Japanese Laws Compared** ,1993 **Introduction to Dutch Law for Foreign Lawyers** Nederlandse Vereniging voor Rechtsvergelijking,1998-12-09 Almost twenty years after its first edition and five years after its second edition The long awaited third edition of Introduction to Dutch Law is now available in both hardback and paperback This edition has incorporated most of the major changes in Dutch law such as the revisions in the Constitution in 1983 In the 1980s The Dutch criminal justice system lost some of its liberal characteristics of the 1970s and finally The publication of the third edition comes just after the new Civil Code and General Administrative Law Act have entered into force The impact of European law has increased considerably And The growing importance of environmental law has justified devoting a full chapter to this subject Moreover a continuous stream of case law and legislation has also necessitated updating the book All these changes have led to important modifications as compared To The first two editions For practical reasons The order of the chapters has remained virtually unchanged The 23 chapters in the book are divided into five parts The Dutch Legal System Private Law Public Law Labour Law and Legal Philosophy In order to increase its usefulness for foreign students The original mainly Dutch language Bibliography has been extended to include a Bibliography of foreign publications on Dutch law The editors have prepared this book under the auspices of the Netherlands Comparative Law Association Many of the original contributors have collaborated in this revision they have been joined by a new generation of comparative lawyers

Introduction to Dutch Law for Foreign Lawyers Jeroen M. J. Chorus,1993-06-30 Since the first edition of this publication 1978 there have been many important changes in the Dutch legal system Some of these changes include the loss of some of its liberal characteristics of the 1970 s in 1983 the Dutch constitution was revised the impact of European law has increased considerably and the new Dutch Civil Code has entered into force The second edition of Dutch Law has been updated to include the forementioned changes in Dutch law and now includes a Bibliography of foreign language publications on Dutch law This book is ideal for foreign law students and foreign lawyers **Comparative Labor Law Journal** ,1993

International Labour Review ,1991 **International Labour Documentation** International Labour Office. Central Library and Documentation Bureau,1995 European Private Law - Current Status and Perspectives Reiner Schulze,Hans Schulte-Nölke,2011-03-30 Business law and labour law are driving forces and core areas of European private law New concepts and approaches are thus required that are not limited to civil law and that are different from those traditionally embraced by national private law These new challenges regarding the current status and perspectives of European private law are discussed in this volume by sixteen highly reputed researchers from across Europe The contributions concern various areas of European private law including contract property company competition and labour law This book will be an invaluable source for all those working on European law and private law within Europe **Netherlands Labor and Co-determination Law in an EEC Perspective** Cornelis de Groot (jurist),1990 Multinational Enterprises and the Law

Peter T. Muchlinski, 2007-07-12 *Multinational Enterprises and the Law* presents the only comprehensive contemporary and interdisciplinary account of the various techniques used to regulate multinational enterprises MNEs at the national regional and multilateral levels In addition it considers the effects of corporate self regulation upon the development of the legal order in this area Split into four parts the book firstly deals with the conceptual basis for MNE regulation explaining the growth of MNEs their business and legal forms the relationship between them and the effects of a globalising economy and society upon the evolution of regulatory agendas in the field Part II covers the main areas of economic regulation including the limits of national and regional jurisdiction over MNE activities controls and liberalization of entry and establishment tax and company and competition law Part III introduces the social dimension of MNE regulation covering labour rights human rights and environmental issues and Part IV deals with the contribution of international law and organizations to MNE regulation and to the control of investment risks covering the main provisions found in international investment agreements and their recent interpretation by international tribunals

European Labour Law Brian Bercusson, 2009-07-09 This extensively updated second edition explores how individual European labour law systems combine to produce a distinctly European transnational system

Perspectives on Corporate Governance F. Scott Kieff, Troy A. Paredes, 2010-07-30 The events that began with the collapse of Enron WorldCom Tyco and Adelphia and continued into the financial crisis of 2008 teach us an important lesson corporate governance matters Although it is widely acknowledged that good corporate governance is a linchpin of good corporate performance how can one improve corporate governance and its impact on corporate and overall economic performance This book offers a diverse and forward looking set of approaches from experts covering the major areas of corporate governance reform and analyzing the full range of issues and concerns Written to be both theoretically rigorous and grounded in the real world the book is well suited for practicing lawyers managers lawmakers and analysts as well as academics conducting research or teaching a wide range of courses in law schools business schools and economics departments

EC Regulation of Corporate Governance Andrew Johnston, 2009-12-03 Uses economic and reflexive governance theories to demonstrate how EC law achieves the necessary balance between integration and regulatory diversity

Social Responsibility in Labour Relations Frans Pennings, 2008-01-01 Since 1945 socially moderated market economies have formed the cornerstone of the European socioeconomic model Now however due to powerful global economic political and demographic tendencies tensions between social and economic interests and values are increasing These developments create an urgent need for answers actions and measures on the European level This wide ranging but focused collection of essays approaches this important trend from multiple perspectives Compiled in honour of the major European labour law scholar Teun Jaspers it encompasses a broad spectrum of analyses and insights by forty one distinguished contributors from seven countries Four major tensions are

identified between the European and national level between fundamental rights and economic freedoms between workers and employers and between soft and hard law instruments Throughout a comparative approach is emphasized not only within the EU but also between the EU and China and South Africa Among the many topics covered are the following relocation of labour to low wage countries both within and outside the EU conditions for tempering the excesses of the free labour market the legal weight of voluntary standards such as codes of conduct extending the scope of application of corporate social responsibility norms to transnational enterprises pressure on national social law due to flexibilization deregulation and individualization contract termination protection employability and training of employees fixed term work in the wake of the Mangold ruling adjustment of working conditions for ill and disabled workers right to strike and restructuring of enterprises In light of the Lisbon strategy the authors address how the various tensions should be reconciled especially in the context of the flexicurity approach The book will be of great interest to academics and practitioners for its clear categorization of the issues which must be overcome when regulating employment and social policy in the context of today's EU multilevel legal order It pays detailed attention to the legal questions raised by emerging European labour and employment policies in respect of their specific materialization the opportunities they offer their feasibility and the threats they pose to traditional worker's protection and more generally to traditional concepts of labour law
