Frontier Nursing in Appalachia: History, Organization and the Changing Culture of Care Edie West, 2019-11-01 This book provides a historical analysis of the Frontier Nursing Services in the Eastern Appalachians of the United States as well as a review of the oral history tradition of former frontier and non frontier nurses The data was gathered from 2003 to 2007 and the historical part covers the years 1900 to 1970 The objective of the study presented here was to conduct interviews with former frontier and non frontier nurses in order to better understand their family and personal relationships and the experiences that motivated their career choices These interviews also give a voice to the working and middle class women of the FNS The emerging themes include moral inhabitability in work education environments the generational mix nurse physician and male female relationships at the workplace the role of technology humanitarian versus financial rewards and the public image of nurses In addition the book examines how the FNS shifted from a community grass roots structure to the corporate business model of healthcare delivery employed today In closing it stresses the importance of exploring past nursing in order to better grasp present nursing It also represents a testament to the professional work and vital contributions of frontier nurses

Nurses'

Extraordinary Experiences During the COVID-19 Pandemic Kirsten B. Smith, Paula M. Gabriel, Margaret Mullen-Fortino, James R. Ballinghoff, Pamela Z. Cacchione, 2024-10-30 Nurses shared their joys sorrows and grief with compassion during the most devastating pandemic of our generation Here in their own words nurses share what it was like to take care of these very sick and often dying patients with COVID 19 Nurses were often the only clinicians going into the patients rooms going above and beyond their role to help contain the virus and efficiently manage supplies No one really understood what it was like to be a nurse during a poorly understood pandemic Nurses worried about contracting the virus and bringing the virus home We hope that this book conveys the nurses crucial role We hope this book can help quell some of the misunderstandings of how deadly COVID 19 was and how grateful nurses were when the vaccine started rolling out to the community These nurses were strong on their own but even stronger together
