Dividing Asunder Barbara S. Williams,2009-05-14 This book shows readers that It is only with the spiritual heart that one can see rightly for what is essential is invisible to the eye Antoine de Saint Exup ry *Dividing Asunder* The Invisible Inner Self is like a photo album of written pictures revealing the Creator God his nature and plans for you Turning the pages you will see his heart as he created all that is attempting thereby to unveil his invisible self in ways visible to humanity You ll fall in love with him The rainbow will take on new meaning as you learn of its true reminder You ll see his creation distinction between animals and humans It defines the image and likeness to God in which you are made It details the fall of the first man and God s redemption plan The deal that was made in heaven and carried out through his Son Jesus Christ will move you to a meaningful relationship with him This book shows why one needs salvation how it is possible where it takes place inside of you and its advantages Like disassembling a motor *Dividing Asunder* takes apart your invisible

organs for a careful study then puts them back together for a smoother run It explains in simple terms the functions of your invisible inner self It shows the difference in sin and sins in soul and spirit and the heart s relationship to them The author points out that doctors must understand how the healthy body works in order to treat the sick In the same manner and reasoning humans must understand their immaterial organs their invisible inner self Otherwise we spend lots of time and money treating the soul s mind emotion and will when the spirit may be the problem and vice versa In confusing soul and spirit the deceitful works of Satan go unnoticed and not attended to Via this book one learns to label a thought or action by its originating root instead of its outward appearance Like the water depths of a swimming pool Dividing Asunder moves from levels elementary to seminary It has something for everyone an invitation for nonbelievers others of faith will be encouraged their understanding enlightened and some will find that long awaited assurance With this book you will be equipped with knowledge suited for spiritual warfare and confident of victory You need this book Dividing Asunder Barbara Williams,2009-05-01 This book shows readers that It is only with the spiritual heart that one can see rightly for what is essential is invisible to the eye Antoine de Saint Exup ry Dividing Asunder The Invisible Inner Self is like a photo album of written pictures revealing the Creator God his nature and plans for you Turning the pages you will see his heart as he created all that is attempting thereby to unveil his invisible self in ways visible to humanity You ll fall in love with him The rainbow will take on new meaning as you learn of its true reminder You ll see his creation distinction between animals and humans It defines the image and likeness to God in which you are made It details the fall of the first man and God s redemption plan The deal that was made in heaven and carried out through his Son Jesus Christ will move you to a meaningful relationship with him This book shows why one needs salvation how it is possible where it takes place inside of you and its advantages Like disassembling a motor Dividing Asunder takes apart your invisible organs for a careful study then puts them back together for a smoother run It explains in simple terms the functions of your invisible inner self It shows the difference in sin and sins in soul and spirit and the heart s relationship to them The author points out that doctors must understand how the healthy body works in order to treat the sick In the same manner and reasoning humans must understand their immaterial organs their invisible inner self Otherwise we spend lots of time and money treating the soul s mind emotion and will when the spirit may be the problem and vice versa In confusing soul and spirit the deceitful works of Satan go unnoticed and not attended to Via this book one learns to label a thought or action by its originating root instead of its outward appearance Like the water depths of a swimming pool Dividing Asunder moves from levels elementary to seminary It has something for everyone an invitation for nonbelievers others of faith will be encouraged their understanding enlightened and some will find that long awaited assurance With this book you will be equipped with knowledge suited for spiritual warfare and confident of victory You need this book A to Zoo Carolyn W.
