Passing Fancies:

Passing Fancies in Jewish American Literature and Culture Judith Ruderman, 2019-01-09 This scholarly study explores the conflicting forces of assimilation and cultural heritage in literary portrayals of Jewish American identity In *Passing Fancies in Jewish American Literature and Culture* Judith Ruderman takes on the fraught question of who passes for Jewish in American literature and culture In today's contemporary political climate religious and racial identities are being reconceived as responses to culture and environment rather than essential qualities Many Jews continue to hold conflicting ideas about their identity seeking deep engagement with Jewish history and the experiences of the Jewish people while holding steadfastly to the understanding that identity is fluid and multivalent Looking at carefully chosen texts from American literature Ruderman elaborates on the strategies Jews have used to pass from the late nineteenth century to the present nose jobs renaming clothing changes religious and racial reclassification and even playing baseball While traversing racial and religious identities has always been a feature of America's nation of immigrants Ruderman shows how the complexities of identity formation and deformation are critically relevant during this important cultural moment

The Coupling Convention : Sex, Text, and Tradition in Black Women's Fiction Ann duCille Associate Professor of English and African American Studies Wesleyan University, 1993-10-19 What does the tradition of marriage mean for people who have historically been deprived of its legal status Generally thought of as a convention of the white middle class the marriage plot has received little attention from critics of African American literature In this study Ann duCille uses texts such as Nella Larsen's *Quicksand* 1928 and Zora Neale Hurston's *Their Eyes Were Watching God* 1937 to demonstrate that the African American novel like its European and Anglo American counterparts has developed around the marriage plot what she calls the coupling convention Exploring the relationship between racial ideology and literary and social conventions duCille uses the coupling convention to trace the historical development of the African American women's novel She demonstrates the ways in which black women appropriated this novelistic device as a means of expressing and reclaiming their own identity More than just a study of the marriage tradition in black women's fiction however *The Coupling Convention* takes up and takes on many different meanings of tradition It challenges the notion of a single black literary tradition or of a single black feminist literary canon grounded in specifically black female language and experience as it explores the ways in which white and black male and female mainstream and marginalized traditions and canons have influenced and cross fertilized each other Much more than a period study *The Coupling Convention* spans the period from 1853 to 1948 addressing the vital questions of gender subjectivity race and the canon that inform literary study today In this original work duCille offers a new paradigm for reading black women's fiction

Passing Fancies Levi F. Baude, 1880 **The Secret** Sean Kelly & Ted Mann & Byron Preiss, 2014-03-18 The tale begins over three hundred years ago when the Fair People the goblins fairies dragons and other fabled and fantastic creatures of a dozen lands fled the Old World for the New seeking haven from the ways of Man

With them came their precious jewels diamonds rubies emeralds pearls But then the Fair People vanished taking with them their twelve fabulous treasures And they remained hidden until now Across North America these twelve treasures over ten thousand dollars in precious jewels in 1982 dollars are buried The key to finding each can be found within the twelve full color paintings and verses of THE SECRET Are you smart enough THE SECRET A TREASURE HUNT was published in 1982 The year before publication the author and publisher Byron Preiss had traveled to 12 locations in the continental U S and possibly Canada to secretly bury a dozen ceramic casques Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses solve the resulting riddle and start digging Since 1982 only two of the 12 casques have been recovered The first was located in Grant Park Chicago in 1984 by a group of students The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum *Living Through Terror* Suvendrini Perera, Antonio Traverso, 2013-10-31 In the era of war on terror the term terror has tended to be applied to its sudden eruptions in the metropolises of the global north This volume directs its attention to terror s manifestations in other locations and lives The title *Living Through Terror* refers both to the pervasiveness of terror in societies where extreme violence and war constitute the everyday processes of life as well as to the experience of surviving terror and living into the future The contributions consider terror s effects in those ignored and silenced locations where terror is either naturalised the Philippines South Africa Timor Leste Sri Lanka or made invisible the neo liberal democracies of Australia and Italy The stories of ruined places displaced bodies and identities shattered and remade that emerge from these pages bring into view the socio political systems cultural geographies and regimes of territoriality through which terror is engendered and naturalised and the institutions and imaginaries that continue to underpin them The essays literary writings and images collected here attend in their different ways to subjects living in and with terror as an element incorporated in their everyday and to the processes by which terror exercises itself in their lives whether it is perpetrated by state or non state actors Simultaneously the contributions attest to the tactics subjects deploy to confront and negotiate conditions of terror their attempts to live with and through terror and ultimately their strategies to recover through the everyday and the ordinary the seeds of life and hope Passing Maria C. Sanchez, Linda Schlossberg, 2001-08-01 Passing for what you are not whether it is mulattos passing as white Jews passing as Christian or drag queens passing as women can be a method of protection or self defense But it can also be a uniquely pleasurable experience one that trades on the erotics of secrecy and revelation It is precisely passing s radical playfulness the way it asks us to reconsider our assumptions and forces our most cherished fantasies of identity to self destruct that is centrally addressed in *Passing Identity and Interpretation in Sexuality Race and Religion* Identity in Western culture is largely structured around visibility whether in the service of science Victorian physiognomy psychoanalysis Lacan s mirror stage or philosophy the Panopticon As such it is charged with anxieties regarding

classification and social demarcation Passing wreaks havoc with accepted systems of social recognition and cultural intelligibility blurring the carefully marked lines of race gender and class Bringing together theories of passing across a host of disciplines from critical race theory and lesbian and gay studies to literary theory and religious studies Passing complicates our current understanding of the visual and categories of identity Contributors Michael Bronski Karen McCarthy Brown Bradley Epps Judith Halberstam Peter Hitchcock Daniel Itzkovitz Patrick O Malley Miriam Peskowitz Mar a C S nchez Linda Schlossberg and Sharon Ullman **Facts and Fancies** Rosa J. Solomons,1883 **Crossing the Line** Gayle Wald,2000-07-24 Examines constructions of racial identity through the exploration of passing narratives including Black Like Me and forties jazz musician Mezz Mezzrow s memoir Really the Blues *Dare to Believe* Natalie P. Callaway,2010-11-17 In this moving collection of devotional poetry Ms Callaway expresses her deep reverence and total commitment to God These are uplifting and heartfelt poems that celebrate the wonder of the natural world in songs of worshipful gratitude Dare To Believe is an inspirational collection of poems that will be thoroughly enjoyed by Christian readers *As If!* Chase Gregory,2025-07-11 Chase Gregory explores the work of four early queer literary critics arguing that their work productively highlights the difficult relationship between identity and academic authorship
