a recommitment to a profession that at its heart and soul is about helping people      When the Caregiver Becomes the Patient Emil J Authelet, Harold G Koenig, Daniel L Langford, 2014-02-25 Examine a compelling account of a professional caregiver's inspirational struggle with a mind/body illness and the renewed sense of compassion his recovery provides. This uplifting narrative is the story of a caregiving professional stricken by panic attacks, a wounded healer desperate to be healed. When the Caregiver Becomes the Patient is the candid and compassionate first-hand account of Daniel Langford's struggle with the anxiety disorder that signals a physical, cognitive, and emotional crisis that paralyzes him despite his extensive background as a health care professional, social worker, and pastoral minister. His journey from the disorder's horrifying onset to the understanding and acceptance of its roots and finally to an insight that evokes a renewed appreciation for the human spirit is an inspirational guide to healing and recovery. The anecdotal form of When the Caregiver Becomes the Patient lends itself to a personal retelling of Langford's struggle, detailing his sessions with family physician Dr David Betat and colleague and co-author Dr Emil Authelet as they explore the biopsychosocial and spiritual dimension of Langford's attacks. Their informal dialogues serve as a model of how a lateral relationship between colleagues can create an environment for healing and recovery that can be passed on to others. The book also critiques and reviews existing literature on panic attacks and anxiety disorders related to the author's search for understanding. When the Caregiver Becomes the Patient examines panic attacks, cause, treatment, and recovery; a critique of existing literature on panic attacks; clinical and spiritual perspectives on anxiety disorders; critical elements of the healing process; effects on the caregiver's relationship with his/her client; a fresh model for the caregiver/patient relationship. An essential resource for caregivers, counselors, and therapists, educators, physicians, and health care and religious professionals, as well as those searching for an understanding of anxiety disorders. When the Caregiver Becomes the Patient reassures those who receive care that the caregiver struggles with life as well. That understanding of the mutuality of pain and recovery creates a connection that helps ease the isolation that often accompanies suffering.

**Don't Live Your Life in One Day** Johnny Ong, 2008      **Dialogue of Love** Eduardo J. Echeverria, 2010-01-01 The Dialogue of Love is written from the perspective of an evangelical Catholic Ecumenist. Raised Catholic but having responded to the Gospel at L'Abri Fellowship in 1970, Eduardo J. Echeverria's journey took the paths of Reformed and then Anglo-Catholic Christianity on his way back to full communion with the Catholic Church in 1992. Engaging in ecumenical conversation as a committed Roman Catholic whose views have been shaped by, among others, Romano Guardini, John Paul II, and Joseph Ratzinger (Benedict XVI), the author discusses in an articulate, bracing, and constructive manner the positions of representative thinkers in the Dutch neo-Calvinist tradition of Reformed Christianity. Herman Bavinck, G.C. Berkouwer, and Herman Dooyeweerd. Fundamental issues of ecclesiology, meaning, and truth, sacramental theology, the relation between the Church and the world, nature and grace, and issues on the relation of faith and reason are examined with the aim of achieving clarification and understanding. Readers will experience ecumenical Dialogue.

not simply as an exchange of ideas but also as an exchange of gifts indeed a dialogue of love John Paul II      **Faith, Hope, and Love in the Kingdom of God** Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today's world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre
