Shattered Bryan Dixon, 2021-10-28 It is the trying seasons of our lives that really test our character and reveals what we re made of This cliché motivational tag line sounds all well and good until you re actually in the middle of that season and feel like giving up In this nonfiction account Bryan Dixon reveals how the trying seasons of our lives are extremely personal and thus very dissimilar to anyone else s However the spiritual psychological and emotional damage that surfaces as a result of it often remains constant It was the trying season of his life that Bryan thought would break him and maybe even his family that he realized that the pain caused by such seasons are directly related to the matters of our hearts In this he claims that for the first time in his life he pursued God not because it was the right Christian thing to do but out of genuine need and desperation Bryan concluded that so many of our trying seasons are directly related to the actions of others If this is the case

the only path to healing from these seasons of trials is something that Christians claim we do consistently when in reality it goes against our very human nature forgiveness When you can reflect back on the Shattered seasons of your life with a spiritual lens you will discover the truth that God truly does use our broken pieces **The Path to Greatness** Max Lucado,2000-10 In the 12 lesson study Max Lucado looks at one day in the life of Christ It is the only day aside from the crucifixion that all four Gospels recorded With keen insight and exacting clarity Max Lucado shows us that by studying how Jesus handled his day we learn the secret of transforming panic into peace stress into serenity and chaos into control
