Regional Policy Readings In Theory And Applications:

Regional Policy William Alonso, John Friedmann, 1978 **Regional policy. readings in theory and applications** tidl. titel & **regional development and planning** John Friedmann, William Alonso, 1975 , **Casinonomics** Douglas M. Walker, 2013-05-15 Casinonomics provides a comprehensive analysis of the economic and social impacts of the casino industry Examining the latest cutting edge research with a mix of theory and empirical evidence Casinonomics informs the reader on the most important facets at the forefront of the public policy debate over this controversial industry While the casino industry has continued to expand across the United States and around the world critics argue that casinos bring negative social impacts that offset any economic benefits Casinonomics examines the evidence on the frequently claimed benefits and costs stemming from expansions in the casino industry including the impact on economic growth consumer welfare and government tax revenues as well as gambling disorders crime rates and the impact on other businesses Readers will come away with a better informed opinion on the merits of these arguments for and against public policies that would expand casino gambling The Elgar Companion to Urban Infrastructure Governance Finger, Matthias, Yanar, Numan, 2022-04-22 A comprehensive overview of the governance of urban infrastructures this Companion combines illustrative cases with conceptual approaches to offer an innovative perspective on the governance of large urban infrastructure systems Chapters examine the challenges facing urban infrastructure systems including financial economic technological social ecological jurisdictional and demand *Agricultural Economics Research* , 1981 *Income Inequality and Poverty in Malaysia* Shireen Mardziah Hashim, 1998 This thorough analysis of Malaysia s economic expansion evaluates the success of the government s New Economic Policy NEP which was designed to promote national unity by reducing poverty as well as by loosening the link between ethnicity and economic function The first comprehensive analysis of income distribution trends after the inauguration of the NEP the study also considers interethnic urban rural and regional variations over time Although there have been significant reductions in poverty and income inequality Hashim uses previously unpublished data to show that both are still rampant **Bibliographies and Literature of Agriculture** , 1978 A Rural Studies Bibliography , 1991 **Economic Development and Inequality in China** Hong Yu, 2017-09-29 The conventional belief that all regions have equally benefited from China s remarkable development over the last three decades is subjected to criticism in this book as Hong Yu systematically analyses the issue of regional inequality during the post 1978 period using the case of Guangdong Guangdong is one of the key industrial centres and economic powerhouses in China and as a pioneer province instigating economic reform as China opened up to the world it offers an ideal focus upon which to question and enrich the Western theories of economic geography and regional disparity Based on field research analysis of geographic characteristics and regression models this book illustrates how Guangdong s impressive development record has been marred by its rising regional disparity investigates the main causes of this disparity and draws conclusions regarding the

lessons China can learn from it Economic Development and Inequality in China will be of interest to students and scholars of Chinese economics Chinese regional studies economic geography and China Studies Hong Yu is a Visiting Research Fellow at the National University of Singapore His research interests lie in the field of regional economy He is the author of a chapter on China's two delta regions in the book China and The Global Economic Crisis
