Reincarnation and the Law of Karma - The Original Classic Edition from 1908 William Walker

Atkinson, 2018-11-30 Reincarnation And The Law Of Karma A Study of The Old New World Doctrine of Rebirth and Spiritual Cause and Effect William Walker Atkinson First published in 1908 There are many forms of belief many degrees of doctrine regarding Reincarnation but there is a fundamental and basic principle underlying all of the various shades of opinion and divisions of the schools This fundamental belief may be expressed as the doctrine that there is in man an immaterial Something called the soul spirit inner self or many other names which does not perish at the death or disintegration of the body but which persists as an entity and after a shorter or longer interval of rest reincarnates or is re born into a new body that of an unborn infant from whence it proceeds to live a new life in the body more or less unconscious of its past existences but containing within itself the essence or results of its past lives which experiences go to make up its new character or personality It is usually held that the rebirth is governed by the law of attraction under one name or another and which law operates in accordance with strict justice in the direction of attracting the reincarnating soul to a body and conditions in accordance with the tendencies of the past life the parents also attracting to them a soul bound to them by some ties in the past the law being universal uniform and equitable to all concerned in the matter This is a general statement of the doctrine as it is generally held by the most intelligent of its adherents *Reincarnation and the Law of Karma* William Walker Atkinson, 1908 By Reincarnation we mean the repeated incarnation or embodiment in flesh of the soul or immaterial part of man's nature The term Metempsychosis is frequently employed in the same sense the definition of the latter term being The passage of the soul as an immortal essence at the death of the body into another living body The term Transmigration of Souls is sometimes employed the term being used in the sense of passing from one body into another But the term Transmigration is often used in connection with the belief of certain undeveloped races who held that the soul of men sometimes passed into the bodies of the lower animals as a punishment for their sins committed during the human life But this belief is held in disrepute by the adherents of Reincarnation or Metempsychosis and has no connection with their philosophy or beliefs the ideas having sprung from an entirely different source and having nothing in common There are many forms of belief many degrees of doctrine regarding Reincarnation as we shall see as we proceed but there is a fundamental and basic principle underlying all of the various shades of opinion and divisions of the schools This fundamental belief may be expressed as the doctrine that there is in man an immaterial Something called the soul spirit inner self or many other names which does not perish at the death or disintegration of the body but which persists as an entity and after a shorter or longer interval of rest reincarnates or is re born into a new body that of an unborn infant from whence it proceeds to live a new life in the body more or less unconscious of its past existences but containing within itself the essence or results of its past lives which experiences go to make up its new character or personality It is usually held that the rebirth is

governed by the law of attraction under one name or another and which law operates in accordance with strict justice in the direction of attracting the reincarnating soul to a body and conditions in accordance with the tendencies of the past life the parents also attracting to them a soul bound to them by some ties in the past the law being universal uniform and equitable to all concerned in the matter This is a general statement of the doctrine as it is generally held by the most intelligent of its adherents The Annual American Catalog, 1908 ,1909 Telepathy (Theory, Facts & Proof) William Walker Atkinson,2017-07-06 This eBook edition of Telepathy Theory Facts unique peculiar While we shall not attempt to put forward any special hypothesis at this point we invite you to consider the following statement from the lips of an eminent English statesman himself an earnest investigator of Telepathy After reading his statement you will begin to appreciate the full nature of the problem confronting those who while admitting the proofs of Telepathy would seek to account for the same by scientific principles William Walker Atkinson 1862 1932 was a prolific writer His works treat themes related to the mental world occultism divination psychic reality and mankind s nature They constitute a basis for what Atkinson called New Psychology or New Thought Reincarnation and The Law of Karma William Walker Atkinson,2024-03-28 Reincarnation and The Law of Karma is a seminal work authored by William Walker Atkinson a prolific writer and influential figure in the New Thought movement of the late 19th and early 20th centuries Published in 1908 this book delves into two fundamental concepts from Eastern spiritual traditions reincarnation and karma Reincarnation Atkinson explores the idea that the soul undergoes a series of lifetimes each serving as a means of spiritual evolution and growth Drawing from Hindu Buddhist and Theosophical teachings he discusses how individuals reincarnate into different bodies experiencing various life circumstances and challenges to learn and progress on their spiritual journey The Law of Karma Atkinson elucidates the concept of karma the law of cause and effect that governs the universe He explains how our actions thoughts and intentions create energetic imprints that influence our future experiences By understanding and accepting the law of karma individuals can take responsibility for their actions and cultivate positive karma to improve their future incarnations Throughout the book Atkinson provides insights anecdotes and practical exercises to help readers grasp the profound implications of reincarnation and karma in their lives He emphasizes the importance of self awareness moral integrity and spiritual growth in navigating the cycle of birth death and rebirth Reincarnation and The Law of Karma serves as a comprehensive introduction to these esoteric concepts offering readers a deeper understanding of the interconnectedness of life and the eternal journey of the soul It continues to be studied and revered by those interested in spirituality metaphysics and personal development **Mysteries of Life, Death and Beyond** Patrick J. Conte MD PhD,2016-07-06 The book Mysteries of Life Death and Beyond illustrates the fantastic odyssey of human kind from the dawn of creation and through the evolution of mind body and spirit in order to attain our final destination of self realization and union with the Supreme Creator It provides an answer to the age old philosophical question what is the meaning of life Learn what was present prior to the Big Bang and

what happened at the time of the Big Bang based upon our current scientific knowledge Discover how galaxies and our solar system were formed and how life began on planet earth Understand the theory of evolution of the animal species and the eventual development of mankind Find out what really happened in the Garden of Eden and who were the fallen angels and were there really giants in those days Find out if there is life after death and where do we go Do we get more than one chance in life to attain heaven based upon the theory of reincarnation The concept of the triune brain indicates that the human brain is in essence made up of three parts the reptilian brain the limbic system and the neocortex each performing separate neurologic functions but yet interconnected Find out how each affects our thoughts and actions for both good and bad Learn how the seven major energy centers of the body help guide us from material existence up to the higher realms of spirituality and how you can balance each chakra
