Wilmshurst, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

**Nothing Merciful Than Reincarnation** Kevin R Williams, 2019-05-25 Part 1 is an introduction to reincarnation in Christian history including the biblical evidence of John the Baptist as the reincarnation of Elijah the Prophet The religious concept of the Resurrection of the Dead a massive worldwide reanimation of corpses at the end of time is a foreign concept originating from ancient Persia not Judaism or Christianity Part 2 describes more biblical reincarnating prophets and other holy people also Jesus teachings on bodily and spiritual rebirth Jesus taught Nicodemus that You must be born again which has a literal meaning of bodily rebirth reincarnation but is also used metaphorically to mean spiritual rebirth regeneration by the Holy Spirit Part 3 proves it is God s will that everyone is saved which can only realistically occur through reincarnation Part 3 also describes how God s law of divine justice also known universally as karma is the same as the law of reincarnation Universal salvation like preexistence and reincarnation was widely believed by Christians and Jews during the first 500 years of Christianity and was championed by the early Church Father Origen Part 4 describes the biblical case of how God s demand for human perfection and holiness can only realistically occur through reincarnation Part 4 also describes how God s salvation and judgment according to works also can only realistically occur through reincarnation The belief in the soul resting in peace until a final corpse resurrection at the end times makes any personal identity of the soul salvation and personal spiritual growth after death impossible Part 5 describes the biblical doctrines of the preexistence of the soul and the Christian mystery of God within human beings as important principles involving Christian reincarnation The nature of an eternal immortal and indestructible human soul spirit shows that all human beings partake in the divine spirit as Jesus did Jesus taught the Kingdom of God is within you Luke 17 20 21 which implies divinity within humanity An immortal human soul spirit makes reincarnation a necessity The Bible describes a Trinity the Father Son and Holy Spirit three parts of Christ the Mind of Christ the Body of Christ and the Spirit of Christ and three dimensions of God light life and love which the three dimensional enlightened Christian shares mind body and spirit Part 6 describes more reincarnating biblical personalities including fallen angels as reincarnating human beings Fallen angels reincarnating as human beings including Satan and the fallen human soul are described in the Bible the Book of Enoch the Book of Jubilees and the New Testament Apocrypha Part 7 describes the biblical case for the past lives of Jesus Christ as King David Melchizedek Joseph and Adam Part 7 includes a final summary of this the book and a final conclusion by the author Both David and Jesus share titles such as the anointed one Messiah the Holy One only begotten son firstborn Root of Jesse priest of Melchizedek and most exalted king of the Earth The

Bible clearly states that David himself will be reincarnated in the Last Days Hosea 3 4 5 Ezekiel 34 13 24 Ezekiel 37 22 24 Jeremiah 30 1 9 In Acts 15 12 19 the apostle Peter equated rebuilding David's fallen tent with the resurrection of Jesus' body In the Bible tent is a metaphor for the human body 2 Corinthians 5 1 2 Peter 1 12 13 Part 8 provides references resources and links related to reincarnation and Christian reincarnation in particular Internet links to websites provided include reincarnation main websites and researchers references **Hommages à Carl Deroux: Histoire et épigraphie, droit ,**

*Reincarnation* Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same **Reincarnation as a Christian Hope** Geddes MacGregor, 1982-06-18 *Perspectives on*

*Reincarnation: Hindu, Christian, and Scientific* Jeffery D. mysticism Nor is it an exclusively Hindu Buddhist teaching In orthodox Jewish and early Christian writings as well as the Holy Scriptures we find reincarnation as a fully developed belief although today it is commonly ignored But from the beginning it has been an integral part of Orthodox Judaism and therefore as Orthodox Jews Jesus and his Apostles would have believed in rebirth This historical study of reincarnation in both Judaism and Christianity cites many authorities of both traditions including many Christian saints and Fathers of the Church as well as both Old and New Testaments In our opinion the testimony of orthodox Judaism ancient Christianity and the Bible is sufficient to answer the question May a Christian believe in reincarnation Included in this second edition is Annie Besant s article on various scientific moral and historical aspects of reincarnation from a Christian perspective **Can Reincarnation and "Near Death Experiences" be**

**Christian?** Patricia Hofer, 2017-07-14 If you are a Christian who is satisfied by the conventional views of heaven and hell don t read this book However if you feel there are more possibilities for the afterlife than streets of gold and fiery infernos Can Reincarnation and Near Death Experiences be Christian just might include the answers you ve been seeking What if the Bible contains the possibility of an intermediate and temporary place a tarrying place for continuing life the Bible shows that some human spirits have returned from that intermediate place throughout human history the living soul of Genesis the one inspired by God s immortal breath of life is the spirit of consciousness that survives the body as some recent neuroscience research indicates the Bible and Christian believing already contain the possibility for a reprieve for a purifying process a place where we meet and recognize other individuals the forgiveness of seventy times seven required by God is offered by God Wouldn t that open the door to more opportunities many stages of progress After seven books chronicling her Christian walk with the living Savior Patricia Hofer thought she was done writing But the Lord apparently had a different plan These what ifs are the focus of Hofer s eighth book and of her original and compelling research
