Religion And Ultimate Well-Being Martin Prozesky,1984-08-23 Honest To Goodness Martin Prozesky,2019-03-12
Honest to Goodness proposes a new Christian presence that is free of dogmatism exclusivism and biblicism It charts a way back to the spiritual and ethical revolution begun by Jesus of Nazareth one that can make a vital difference to needless evils such as bigotry environmental destruction poverty and violence The book reveals the author s experience of living under against and after apartheid insisting that a faith that does not confront this world s evils is no faith at all but a dangerous betrayal of all that is good beautiful and true Honest to Goodness unflinchingly identifies the grave moral shortcomings that are embedded in traditional Christian beliefs and practices and proposes ways of transforming them into harmony with the divine goodness that the author discerns everywhere Embracing a world of religious diversity science and creative philosophy the book describes a new way of experiencing and expressing the divine It defends faith by moving beyond both theism and atheism **The Pragmatics of Defining Religion** Jan G. Platvoet,Arie Leendert Molendijk,1999 The Pragmatics of Defining Religion is a multidisciplinary volume on the problem of the definition of religion with chapters on the polemics of defining religion in modern contexts the history of the concept of religion the methodology of its definition it includes several definition proposals **Philosophical Theologies in South Africa: Genealogies, Traditions, and Speculations** Khegan M. Delport,2024-10-22 The relationship between philosophy and theology has been a live question since the origins of Christianity Attending to a genealogy of how theology and philosophy have been related is important for conceiving their ongoing engagement However the question of context of where they are so related and practiced has only recently begun to be reflected upon The current volume aims to make a contribution to this recounting by focusing on some of the ways theology and philosophy have been and are being interfaced in the Global South and more specifically in South Africa **Modern Societies & the Science of Religions** Gerard Wiegers,2018-11-13 This book brings together studies by seventeen specialists in the science of religions in which they relate the changes in their discipline to the changes which have occurred in a select number of modern ising societies worldwide It attempts to study these developments in their relation to and as conditioned and constrained by cultural change changes in educational systems technology population for example migration economic patterns politics and last but not least religious systems The essays focus on resp France Germany the Netherlands Spain the USA Turkey Israel Morocco Saudi Arabia South Africa Indonesia Japan and China Written in honour of Dr Lammert Leertouwer professor of History of Religions and the Comparative Study of Religions at Leiden University from 1979 until his retirement in 1997 the book is particularly important for all those who are interested in the religious social and political contexts of the academic Study of Religions in general and in the various countries dealt with in particular
Modern Societies and the Science of Religions Lammert Leertouwer,Dr G a Wiegers,Jan G Platvoet,2002-01-01 This volume gathers essays written by seventeen specialists in the science of religions It focuses on the social cultural institutional

and political contexts of the Study of Religions in resp modern France Germany the Netherlands Spain the USA Turkey Israel Morocco Saudi Arabia South Africa Indonesia Japan and China **Notebooks** Schubert M. Ogden,2018-11-06 As artists not uncommonly keep sketchbooks so thinkers often write notebooks Schubert Ogden is a thinker for whom writing notebooks has been an essential discipline throughout his long career of trying to think as a Christian systematic theologian By his own confession constantly writing down his thoughts so he could discover what he wanted to think has always been as necessary to learning how to think theologically as constantly reading in order to think fruitfully with the minds of others This volume is a selection from the indefinitely larger corpus of Ogden s notebooks now archived in the Drew University Library All arising from his thinking as a theologian the entries selected are addressed to some of the more fundamental and therefore mainly philosophical issues now facing anyone who would do Christian theology systematically While each entry stands on its own and may well be read discretely they together make up a single many sided argument for a distinctive way of doing theology today by resolutely pursuing a comparably distinctive way of doing metaphysics and ethics *African Initiated Churches Facing HIV and AIDS in Zimbabwe* Ezra Chitando,2021-07-07 This book examines the responses of African Initiated Churches to HIV in Zimbabwe It describes the changing attitudes of African Initiated Churches to the pandemic exploring the adjustments that have been undertaken to both doctrine and practice within the movement The contributors show how the rigidity that often characterizes African Initiated Churches such as opposing the use of condoms insisting on polygamy and insisting exclusively on faith healing have gradually given way to more constructive approaches to HIV and AIDS

The Pragmatics of Defining Religion Platvoet, Arie Molendijk, 2018-11-13 This volume promotes a pragmatic anti essentialist and anti hegemonic approach to the problem of the definition of religion It argues that definitions of religion are context bound strategies for pursuing a variety of purposes extra academic as well as academic Religions being immensely varied complex and multi functional phenomena they need to be studied by several academic disciplines from many different perspectives It is therefore legitimate and useful that many definitions of religions are developed The volume has contributions from scholars in Philosophy of Religion the Comparative Study of Religions Anthropology of Religion Sociology of Religion and Psychology of Religion It has chapters on the polemics of defining religion in modern contexts the history of the concept of religion and the methodology of its definition it includes several definition proposals

Biblical Studies, Theology, Religion and Philosophy N. Amanze, 2012-06-28 This book introduces the study of Biblical studies theology religion and philosophy from an African perspective The book comprises twenty six chapters

divided into four sections The first section deals with Biblical studies the second with theology the third with religion and the fourth with philosophy The contributions are from 20 eminent scholars from African and Caribbean universities **Journal for the Study of Religion** ,2005 Reinventing Religion Peter Moore,2020-10-07 Many of us proponents and critics alike commonly make assumptions about religion We may presume that religion is mainly about having beliefs or being good or that it is concerned with spiritual rather than material issues or that religious ideas and practices are meant to be somehow timeless Such views Peter Moore argues work only to obscure the truth that religion is essentially humanity s quest to become fully human This enlightening exposition questions our very understanding of faith and contends that religions should remain open to reinventing themselves both practically and intellectually rediscovering neglected traditions and finding new ways forward Written with subtlety and passion this book gets to the heart of ongoing debates about the validity and purpose of religion **Philosophy of Religion in the Twenty-First Century** D. Phillips,T. Tessin,2001-10-25 This book offers the rare opportunity to assess within a single volume the leading schools of thought in contemporary philosophy of religion Their exponents seek to meet objections made to their point of view and to relate it to the other schools represented Further discussions between adherents of the different schools make it an ideal text for assessing the deep proximities and divisions which characterize contemporary philosophy of religion The schools of thought represented are Philosophical Theism Reformed Epistemology Wittgensteinianism Postmodernism Critical Theory and Process Thought
