impressionist a symbolist and an existentialist This reference book provides a more complete picture of Crane's short but furiously creative life and encourages a more extensive appreciation of his works The volume includes hundreds of entries for members of Crane's immediate and extended family close friends and associates educational institutions that he attended places where he resided publishers and syndicates by whom he was employed literary movements with which he is usually associated and the works of fiction poetry and journalism that he wrote Thus the book shows that he was a pioneer in the development of a number of genres in modern American fiction and poetry that he was the first literary chronicler of the burgeoning slums of urban America who refused to sentimentalize his materials that his Western stories reveal the steady retreat of the American frontier before the encroachments of a modern Europeanized civilization and that his short stories and poems engage a number of enduring themes Many of the entries cite works for further reading and the volume includes a chronology and a bibliography of the most important studies of his life and writing

Swoon: Great Seducers and Why Women Love Them Betsy Prioleau, 2013-02-04 Lose yourself Swoon has wicked fun answering that age old query What do women want Chicago Tribune Contrary to popular myth and dogma the men who consistently beguile women belie the familiar stereotypes satanic rake alpha stud slick player Mr Nice or big money mogul As Betsy Prioleau author of *Seductress* points out in this surprising insightful study legendary ladies men are a different complex species altogether often without looks or money They fit no known template and possess a cache of powerful erotic secrets With wit and erudition Prioleau cuts through the cultural lore and reveals who these master lovers really are and the arts they practice to ensnare women What she discovers is revolutionary Using evidence from science popular culture fiction anthropology and history and from interviews with colorful real world ladykillers Prioleau finds that great seducers share a constellation of unusual traits While these men run the gamut they radiate joie de vivre intensity and sex appeal above all they adore women They listen praise amuse and delight and they know their way around the bedroom And they've finessed the hardest part locking in and revving desire Women never tire of these fascinators and often like Casanova's conquests remain besotted for life Finally Prioleau takes stock of the contemporary culture and asks where are the Casanovas of today After a critique of the twenty first century sexual malaise the gulf between the sexes and women's record discontent she compellingly argues that society needs ladies men more than ever Groundbreaking and provocative Swoon is underpinned with sharp analysis brilliant research and served up with seductive verve

Living in sin Ginger Frost, 2013-07-19 Living in sin is the first book length study of cohabitation in nineteenth century England based on research into the lives of hundreds of couples Common law marriages did not have any legal basis so the Victorian courts had to wrestle with unions that resembled marriage in every

way yet did not meet its most basic requirements The majority of those who lived in irregular unions did so because they could not marry legally Others chose not to marry from indifference from class differences or because they dissented from marriage for philosophical reasons This book looks at each motivation in turn highlighting class gender and generational differences as well as the reactions of wider kin and community Frost shows how these couples slowly widened the definition of legal marriage preparing the way for the more substantial changes of the twentieth century making this a valuable resource for all those interested in Gender and Social History Illegitimacy in English law and society, 1860-1930 Ginger Frost,2016-06-01 Unlike most other studies of illegitimacy Frost s book concentrates on the late Victorian period and the early twentieth century and takes the child s point of view rather than that of the mother or of child saving groups **Why We Fought** Peter C. Rollins,John E. O'Connor,2008-07-25 Looks at war films from depictions of the American Revolution to portrayals of September 11 and its aftermath This volume contrasts recognized history and historical fiction with the versions appearing on the big screen It reveals how film depictions of the country s wars have shaped our values politics and culture Immigrant Mothers Katrina Irving,2000 Katrina Irving s close reading of novels by Willa Cather Stephen Crane Harold Frederic and Frank Norris discloses the portrayal of immigrant women especially immigrant mothers as a reflection of larger cultural anxieties In the wake of economic retooling and Fordist mechanization Irving maintains immigrants became feminized others against which native Anglo American virility could be aggrandized BOOK JACKET Encyclopedia of American Literature Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S Fighting Evil Haim Gordon,1997-02-28 What can we learn from the novels of Graham Greene This book argues that Greene s writings have much to teach us about fighting evil here and now and about endeavoring to live a worthy life In novels that span half of the twentieth century Greene related stories of evil persons who destroyed the freedom of others and of a few simple people who fought them Through these stories he showed us three basic truths first evil exists second it is possible to fight it and third one may attain wisdom and sometimes a very limited glory by undertaking such a struggle Gordon s study sets forth its own important lesson thinking and assuming responsibility for the world guided by the reading of great literature are keystones of any worthy life The Children's Civil War James Alan Marten,2000-10-01 The Children s Civil War is an exploration of childhood during our nation s greatest crisis James Marten describes how the war changed the literature and schoolbooks published for children how it affected children s relationships with absent fathers and brothers how the responsibilities forced on northern and especially southern youngsters shortened their childhoods and how the death and destruction that tore the country apart often cut down children as well as adults WLA ,1999 *The Arizona Quarterly* ,2010
