Reminiscences Of A Rebel:

Reminiscences of a Rebel Fuller Wayland Dunaway,2008-10-01 *Reminiscences of a Rebel* Wayland Fuller Dunaway,1913 **Reminiscences of a Rebel** Wayland Fuller Dunaway,1971 **Reminiscences of a Rebel (Classic Reprint)** Wayland Fuller Dunaway,2017-12-20 Excerpt from *Reminiscences of a Rebel* Lay down the axe ing by the Spade Leave in its track the toiling plow About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Reminiscences of a Rebel** Wayland Fuller Dunaway,2020-03-07 The political sky had assumed a threatening aspect The minds of the Southern people had been inflamed by the insurrectionary raid of John Brown upon Harper s Ferry especially because it had been approved by some Northern officials and because the surrender of some fugitives from justice who had taken part in that murderous adventure had been refused by Ohio and Iowa The election of Abraham Lincoln added fuel to the flame Having been nominated by the Republican party he was constitutionally chosen President of the United States although he had not received a majority of the popular vote The election was ominous because it was sectional Mr Lincoln having carried all the Northern states but not one of the Southern The intensest excitement prevailed while passion blew the gale and held the rudder too **Reminiscences of a Rebel** The Rev. Wayland Fuller Dunaway,2015-04-29 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them **A Rebel's Recollections** George Cary Eggleston,2021-05-19 In *A Rebel s Recollections* by George Cary Eggleston the author provides a firsthand account of his experiences as a Confederate soldier during the American Civil War Through vivid and poignant narratives Eggleston presents the reader with a unique perspective on the turmoil and challenges faced by soldiers on the losing side of the war His writing style is characterized by a blend of personal reflection historical detail and emotional insight making this memoir a compelling read for anyone interested in Civil War literature The book also offers valuable insights into the social and cultural context of the American South during this tumultuous period George Cary Eggleston himself a veteran of the Civil War drew upon his own experiences and observations to create *A Rebel s Recollections* His background as a journalist and historian equipped him with the skills and knowledge necessary to produce a nuanced and engaging account of his wartime memories Eggleston s dedication to preserving the legacy of the Confederacy shines through in his writing offering readers a glimpse into the complexities of this pivotal moment in American history I highly recommend *A Rebel s Recollections* to readers who are seeking a personal and insightful

perspective on the Civil War Eggleston's narrative is both informative and emotionally resonant making it a valuable addition to any study of this period in American history Dawn to Dust E. H. Lane, 1939 **A Rebel's Recollections** George Cary Eggleston, 1905 **Reminiscences of a Rebel** Stan Moran, 1979-01-01 **Reminiscences of an Emigrant Milesian** Andrew O'Reilly, 1853 Reminiscences of a Rebel Wayland Dunaway, 2016-11-06

Wayland Fuller Dunaway was in all the great battles of the Army of Northern Virginia from Seven Pines to Gettysburg This volume records his experiences of the war with comments on generals and on battles with respect to which his opinions are freely expressed Notwithstanding the title of this volume I do not admit that I was ever in any true sense a rebel neither do I intend any disrespect when I call the Northern soldiers Yankees The use of these terms is only a concession to the appellations that were customary during the war It is my purpose to record some recollections of the Civil War and incidentally to furnish some historical notices of the brigade to which I was attached Here and there I have expressed also some opinions concerning the great events of that dreadful period some criticisms of the conduct of battles and retreats and some estimates of the abilities of prominent generals The incentive to write is of a complex nature There is a pleasure especially to the aged in reviving the memories of the past and narrating them to attentive hearers Moreover I hope that this book will furnish instruction to those who have grown up since the war and entertainment to older persons who participated in its struggles privations and sorrows And besides the future historian of that gigantic conflict may perhaps find here some original contribution to the accumulating material upon which he must draw He will need the humble narratives of inconspicuous participants as well as the pretentious attempts of the partial historians who have preceded him The river flows into the sea but the river itself is supplied by creeks and rivulets and springs W F D **Mutiny Memoirs: Being Personal Reminiscences Of The Great Sepoy Revolt Of 1857 [Illustrated Edition]** Colonel Alfred Robert Davidson MacKenzie, 2014-08-15

Illustrated with over one hundred maps photos and portraits of the battles individuals and places involved in the Indian Mutiny Colonel MacKenzie was only a young subaltern of three years service when the great Sepoy Mutiny broke out in 1857 His regiment the 3rd Bengal Light Cavalry stationed in Meerut was one of the worst effected and he and his fellow British officers had to fight for their lives as the native soldiers rioted Having escaped narrowly from his erstwhile soldiers he rallied to the main garrison in Meerut the rebels fled toward Delhi He joined in the expedition to recapture Delhi and relates his recollections with great spirit there was no rest for the gallant young lieutenant as he joined in the effort to relieve Lucknow During the last of the fighting his commanding officer Captain Sanford was killed and MacKenzie relates his hero's death with great empathy After the mutiny MacKenzie achieved the rank of lieutenant colonel in 1878 and led his troops in the Second Afghan War 1879-80 Promoted to full colonel four years later he served as honorary ADC to Lansdowne the Viceroy of India **The Civil War in Books** David J. Eicher, 1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 1

100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1 2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher s mammoth undertaking are indexed by author or editor and by title Gary Gallagher s foreword traces the development of Civil War bibliographies and declares that Eicher s annotation exceeds that of any previous comprehensive volume The Civil War in Books Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher s The Civil War in Books is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since The Civil War Day by Day will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs

The Confederacy: History, Documents, Memoirs and Biographies John Esten Cooke, Jefferson Davis, Robert E. Lee, Frank H. Alfried, Heros von Borcke, 2023-12-30 The anthology *The Confederacy History Documents Memoirs and Biographies* presents a profound exploration of the American Civil War through an intricate weave of historical documents personal memoirs and biographies This compilation captures the multifaceted and often contentious perspectives regarding the Confederate States of America offering insights into its political social and military aspects Distinguished pieces within the collection highlight pivotal events and personal accounts providing a spectrum of literary styles ranging from structured historical documents to reflective personal memoirs illustrating the rich tapestry of narratives that define this turbulent period in American history The contributing authors including John Esten Cooke Jefferson Davis Robert E Lee Frank H Alfried and Heros von Borcke bring together a wealth of firsthand experience and knowledge Their collective narratives align with historical and cultural movements that shaped the Confederacy s identity These figures deeply entrenched in the historical milieu of the Civil War offer readers diverse viewpoints that challenge and broaden traditional understandings The anthology creates a vibrant dialogue by interweaving these varied narratives highlighting the complexities of loyalty leadership and legacy during a defining era in American history For readers eager to deepen their understanding of the Civil War this anthology offers a unique opportunity to engage with a plethora of perspectives within a single volume The Confederacy stands as a valuable educational resource that enriches one s comprehension of the era through its broad array of insights It prompts an intellectual examination of the divergent voices that shaped the historical landscape inviting readers to contemplate the enduring impact of these narratives on American history and society Embrace this anthology for its profound contribution to historical discourse and its capacity to illuminate the intricate and often polarizing facets of the Confederate experience

The United States ,1903 *Cambridge Modern History* Sir Adolphus William Ward,1907

The Cambridge Modern History ,1903 **Lost Causes** Bradley R. Clampitt,2022-06 This groundbreaking analysis of Confederate demobilization examines the state of mind of Confederate soldiers in the immediate aftermath of war Having survived severe psychological as well as physical trauma they now faced the unknown as they headed back home in defeat Lost Causes analyzes the interlude between soldier and veteran suggesting that defeat and demobilization actually reinforced Confederate identity as well as public memory of the war and southern resistance to African American civil rights Intense material shortages and images of the war s devastation confronted the defeated soldiers turned veterans as they returned home to a revolutionized society Their thoughts upon homecoming turned to immediate economic survival a radically altered relationship with freedpeople and life under Yankee rule all against the backdrop of fearful uncertainty Bradley R Clampitt argues that the experiences of returning soldiers helped establish the ideological underpinnings of the Lost Cause and create an identity based upon shared suffering and sacrifice a pervasive commitment to white supremacy and an aversion to Federal rule and all things northern As Lost Causes reveals most Confederate veterans remained diehard Rebels despite demobilization and the demise of the Confederate States of America Confederate Citadel Mary A. DeCredico,2020-05-19 Richmond Virginia pride of the founding fathers doomed capital of the Confederate States of America Unlike other Southern cities Richmond boasted a vibrant urban industrial complex capable of producing crucial ammunition and military supplies Despite its northern position Richmond became the Confederacy s beating heart its capital second largest city and impenetrable citadel As long as the city endured the Confederacy remained a well supplied and formidable force But when Ulysses S Grant broke its defenses in 1865 the Confederates fled burned Richmond to the ground and surrendered within the week Confederate Citadel Richmond and Its People at War offers a detailed portrait of life s daily hardships in the rebel capital during the Civil War Here barricaded against a siege staunch Unionists became a dangerous fifth column refugees flooded the streets and women organized a bread riot in the city Drawing on personal correspondence private diaries and newspapers author Mary A DeCredico spotlights the human elements of Richmond s economic rise and fall uncovering its significance as the South s industrial powerhouse throughout the Civil War

Thank you for reading **Reminiscences Of A Rebel**. Maybe you have knowledge that, people have search hundreds times for their favorite readings like this Reminiscences Of A Rebel, but end up in harmful downloads.
