Freedman-Doan, 2014-04-08 The movement from young adulthood through coupling and the transition to parenthood may be among the most universal adult developmental transitions These passages hold interest for all of us but especially for those who study the psychological familial and sociocultural components of development all of which interact and influence each other This book enhances understanding of family life development by shedding light on the meanings that family members ascribe to the developmental process of becoming a family This is achieved through qualitative analysis of narratives through which individuals and families explain themselves their thinking and their behavior These family narratives are windows into individual and family identity as well as descriptions of connections to others The book addresses issues including identity child characteristics social support and work Each chapter includes a review of seminal literature parents comments and ideas about the topic and a discussion of practice policy and research implications *Factors Affecting Clinical Judgments of Social Workers* Rena Blauner, 1965

The Watergate Girl Jill Wine-Banks, 2020-02-25 Obstruction of justice the specter of impeachment sexism at work shocking revelations Jill Wine Banks takes us inside her trial by fire as a Watergate prosecutor It was a time much like today when Americans feared for the future of their democracy and women stood up for equal treatment At the crossroads of the Watergate scandal and the women s movement was a young lawyer named Jill Wine Volner as she was then known barely thirty years old and the only woman on the team that prosecuted the highest ranking White House officials Called the mini skirted lawyer by the press she fought to receive the respect accorded her male counterparts and prevailed In *The Watergate Girl* Jill Wine Banks opens a window on this troubled time in American history It is impossible to read about the crimes of Richard Nixon and the people around him without drawing parallels to today s headlines The book is also the story of a young woman who sought to make her professional mark while trapped in a failing marriage buffeted by sexist preconceptions and harboring secrets of her own Her house was burgled her phones were tapped and even her office garbage was rifled through At once a cautionary tale and an inspiration for those who believe in the power of justice and the rule of law *The Watergate Girl* is a revelation about our country our politics and who we are as a society **Young Worker** Max Shachtman, Nat Kaplan, 1922 *Assessing Students with Special Needs* James A. McLoughlin, Rena B. Lewis, 2001 Appropriate for assessment courses in special education This clear comprehensive guide to the assessment of students with mild disabilities retains the hallmark of its previous editions by presenting a balanced coverage of formal and informal assessment The text equips future teachers to understand all phases of the assessment process from helping them select the proper assessment tool to using the results to adapt instruction to improve education for special students *Binge* Barrett Seaman, 2010-12-10 In *Binge* Barrett Seaman reveals what every parent student and educator needs to know about the college experience

Seaman spent time with students at twelve highly regarded and diverse colleges and universities across North America. During his two years of research he immersed himself in the lives of the students often living in their dorms dining with them speaking with them on their own terms and listening to them express their thoughts and feelings. Portraying a campus culture in which today's best and brightest students grapple with far more than academic challenges, Binge conveys the unprecedented stresses on campus today. While sharing revealing interviews and the often dramatic stories, Seaman explores the complexities of romantic relationships and sexual relations, alcohol and drug use, anxiety and depression, class and racial boundaries, and more. Despite the disturbing trends, Seaman finds reasons for optimism and offers provocative and well-informed suggestions for improving the undergraduate experience. Sometimes alarming, always fascinating, and ultimately hopeful, Binge is an extraordinary investigative work that reveals the realities of higher education today. *The Green Book Magazine*, 1919

Straight Lick J. Ronald Green, 2000-09-22. A critical examination of the films of Oscar Micheaux. One of the most original and successful filmmakers of all time, Oscar Micheaux was born into a rural working class African American family in mid-America in 1884, yet he created an impressive legacy in commercial cinema. Between 1913 and 1951, he wrote, directed, and distributed some forty-three feature films, more than any other black filmmaker in the world. A record of production that is likely to stand for a very long time, Micheaux's work was founded upon the concern for class mobility or uplift for African Americans. Uplift provided the context for Micheaux's extensive commentary on racist cinema, such as D.W. Griffith's 1915 blockbuster *The Birth of a Nation*, which Micheaux answered with his very early films *Within Our Gates* and *Symbol of the Unconquered*. Uplift explains Micheaux's use of negative images of African Americans as well as his multi-pronged campaign against stereotype and caricature in American culture. His campaign produced a body of films saturated with a nuanced intertextual signifying, boldly and repeatedly treating controversial topics that face white censorship: time after time, topics ranging from white mob and Klan violence to light skin color fetish to white financing of black cultural productions.

The Volta Review, 1915 Country Life, 1977 *Five Years of the America Competes Act* United States. Congress. Senate. Committee on Commerce, Science, and Transportation, 2014 Congressional Record United States. Congress, 1986. The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session.
