Second Greatest Commandment:

The Second Greatest Commandment William M. Fletcher, 1983 Jonah, John, and the Second Greatest (But Most Avoided) Commandment Kevin Harvey, 2010-02-04 For too long the body of Christ has been focused on too many things that quite simply haven't been working. The answer to a lasting true revival in today's world isn't going to come from a continued focus on what we can and cannot do which denomination has the most biblical theology or achieving victories in social issues such as definition of family and the right to life. Instead, what our attention should be fixed upon is that the Son of God said the second greatest commandment we've been given is to love our neighbors as ourselves. In this book, Kevin Harvey has taken a biblical approach to help the body of believers define just who their neighbor is and what it means to truly love them as Jesus intended. If the body of Christ began to focus daily on following that one simple idea, then maybe just maybe the world would finally begin viewing the church as the salt of the earth and light of the world that Jesus had in mind. **Loving Your Neighbor; A Practical Guide to Keeping the Second Great Commandment** Rev. Dave Boston, 2023-05-22 Loving Your Neighbor: A Practical Guide to Keeping the Second Great Commandment explores what God actually means by the word love. Often in our culture we use the word love to mean like very very much as in I love pizza. But then there are Bible verses that command us to love our enemies; clearly the Lord cannot be asking us to like them very much. This book looks first at the heart of love as evidenced by God and others. From these scriptural records we can see that spiritual love really means a selfless caring for the other. When we love we must start with a motivation that focuses solely on the well-being of the other and not on any benefits to self. Next, as this is a practical guide, this book examines pictures of love words that give the reader a picture of how this love might actually practically work in our lives. Often these biblical words have both a physical and a figurative usage. The physical usage gives us the picture and the figurative usage shows us how to practically apply this in loving our neighbor. Finally, the author shows that God has given us tools in the Bible to help us get better at loving our neighbor. God gave us the commandment, but then He was loving enough to help us love and to help us grow in loving our neighbors. God's Greatest Commandment Andrew Oghena, 2023-09-05 About the Book: God's Greatest Commandment: A Guide discusses in detail the two greatest commandments given by our Lord and Savior Jesus Christ that will enable all humans to live a godly life during their earthly pilgrimages. The book's objective is to provide steps on how to love God with all your heart, soul, and mind, and love your neighbor as yourself, as well as to outline rewards that you will receive by loving God and neighbor. Readers of this book will be reminded that we are all one; that we all came from one God, just like the billions of rays of sunlight all come from one source, the sun. Since all humanity is from God the Father, we should endeavor to love our Creator and also love all created people. If we all love each other, then our communities, our countries, and our world will be better places to live without war but with peace and harmony. About the Author: Andrew Oghena is a happily married family man with two kids. He loves family time and sharing stories together, whether it's during meals, road trips, or long walks.

He was born and brought up as a Christian in the Roman Catholic faith and is a member of both the Blue Army a Catholic society that promotes the message of Our Lady of Fatima and the Knights of Columbus a society that promotes family and defends the Christian faith He has a PhD degree in petroleum engineering and has traveled to multiple countries on international assignments and worked on several teams with colleagues of multiple nationalities In his profession he sees himself as a citizen of the world and sees the world as a global village After viewing himself and the world this way for twenty five years he has come to realize the Gospel Truth that Our Lord Jesus Christ said in the Bible 2000 years ago Andrew Oghena knows that all humanity needs to hear this priceless message and most importantly apply it to their daily lives to make the world a better place for all

John's Epistles - Second Edition John H. Hill, 2011 *The Second Commandment* Joey R. Peyton, 2024-02-07 In an increasingly broken world filled with hate and violence God's plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one's heart mind soul and strength and a commandment to love one's neighbor as one's self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor

created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don t like A choice to love what you don t understand A choice to love until the God you love sets everything right in eternity *Our Only Comfort* Stephen C. Shaffer,2021-04-20 In a fast paced world full of distractions how do we create space to have conversations about faith Parents long to talk about Jesus with their children but are unsure where to begin Families want to slow down and reconnect with what matters most but struggle to squeeze anything into already busy schedules Teens and adults desire to go deeper in their faith but are filled with unanswered questions In *Our Only Comfort* Rev Stephen Shaffer provides individuals and families with a helpful structure for growing in Christian faith In a series of 364 daily devotions *Our Only Comfort* will take families young adults and new believers through the core teachings of the Christian faith through the lens of the Heidelberg Catechism Wrestling through questions like Who is Jesus How do I pray and What does it mean to keep the Ten Commandments these short devotions create opportunity for conversations about faith between parents and children and provide nourishment for faith to grow
