Second Assault Rape And Public Attitudes:

The Second Assault Joyce E. Williams, Karen A. Holmes, 1981-12-23 The first in depth empirical study that goes beyond the initial trauma of rape and considers the interplay between society and the experience of rape the interaction between the victim and her own social world

Public Opinion and Criminal Justice Jane Wood, Theresa A. Gannon, 2013-05-13 Public opinion is vital to the functioning of the criminal justice system but it is not at all clear how best to establish what this is and what views people have on different aspects of criminal justice and the criminal justice system Politicians and the media often assume that the public wants harsher tougher and longer sentences and policies may be shaped accordingly Detailed research and more specific polling often tells a different story This book is concerned to shed further light on the nature of public views on criminal justice paying particular attention to public opinion towards specific types of offenders such as sex offenders and mentally disordered offenders In doing so it challenges many enduring assumptions regarding people's views on justice and confronts the myths that infect our understanding of what people think about the criminal justice system

Public Opinion, Crime, And Criminal Justice Julian Roberts, 2018-10-08 Taking on one of the most popular issues of the day crime and the way we make sense of it Julian Roberts and Loretta Stalans reveal the mismatch between the public perception of crime and the reality of crime statistics Discussing such issues as public knowledge of crime sources of crime information information processing by the public public attitudes about crime and the effectiveness of punishment this book considers the role that public opinion plays in the politics of criminal justice issues Based on extensive data from the United States with comparisons with Canada and the United Kingdom Roberts and Stalans reveal the truth behind how the public perceives crime and how this perception compares to actual criminal activity

Penal Populism and Public Opinion Julian V. Roberts, 2003 The five countries examined are the United States the United Kingdom Canada Australia and New Zealand

Sexual Assault and the Justice Gap: A Question of Attitude Jennifer Temkin, Barbara Krahé, 2008-04-15 This book is set against the background of the justice gap in sexual assault cases the dramatic gap between the number of offences recorded by the police and the number of convictions It seeks to examine the attitudinal problems which bedevil this area of law and possible strategies for addressing them Written by a professor of law and a professor of psychology it reviews evidence from socio legal and social cognition research and presents new data drawn both from interviews with judges and barristers and from studies with prospective lawyers and members of the public In the final part it considers different ways in which rape trials could be improved and suggests steps that could be taken to change public attitudes about sexual assault
