Second Man In Us:

Covenant of Dominion G Michael Rowe, 2020-12-04 God gave dominion over His creation to Adam but it was lost due to sin That s why a new sinless Adam was needed That New Adam is Jesus Christ The dominion mandate to fill the earth and subdue it is now Christ s mandate The church often referred to as the bride and body of Christ is the physical means through which our Lord operates in the world and carries out His mission But the mandate like the first Adam before Him is His The church the bride the new and resurrected Eve is to assist and obey Him in everything responding to Him with faith The Bible is not a religious manual informing us what doctrines to believe to be saved The Bible is a completed work detailing and describing for us the heirs of God s creation the fate of the world that existed before and the divine principles upon which Christ will advance His everlasting kingdom The Father did not send His Son to replace an old outdated religion with a new and better religion God sent His Son to raise the dead to life to restore a broken relationship between God and man and to remake mankind into His image With His Spirit united with our spirit in these mortal bodies humanity is to exhibit His divine attributes through acts of love wisdom holiness justice goodness and truth transforming the entire world in the process That is the whole point of Christianity In Covenant of Dominion The Salvation of the World in Christ G Michael Rowe explains the proper context that brings the New Testament into focus and can dispel the many doctrinal issues that are dividing the church The proper context is preterism The framework for understanding the dominion mandate and the destiny of the church is the covenant

impacting every single human being and living creature on planet earth to this day JESUS CAME TO EARTH TO RESTORE WHAT ADAM LOST It s interesting to hear people s opinions on why they think Jesus came to earth Many think He was one of a long line of enlightened spiritual leaders sent to show us how to live on a higher dimension or spiritual plane of existence Others think He was a very good man who had wisdom to share with us and a system of religious teachings from which the Christian religion came about Then there are a large number of people who believe He was the Son of God but they re not real sure what all was involved with His being here especially the part about Him being killed Jesus became a man to reverse Adam s curse and to make it possible for everything to be restored as it was in the beginning so that mankind can rule and reign with Him throughout eternity **(The daily Psalms, meditations, by the author of 'The daily round')**.
