MARMAI, 2017-10-26 This is the story of seven years of explorations and adventures among the mountains and steppes of Mongolia searching the secret tomb of Genghis Khan Year after year step by step the author explored unknown tracks and forbidden places where breaking the taboos once led to a deadly outcome remaining loaded with unpredictable dangers to this day Through a multi disciplinary research the author has succeeded in locating the imperial cemetery but when the search is over a top secret plot tries to stop him Is this the proof that research has reached his goal Genghis Khan and the Quest for God Jack Weatherford, 2017-10-03 A landmark biography by the New York Times bestselling author of Genghis Khan and the Making of the Modern World that reveals how Genghis harnessed the power of religion to rule the largest empire the world has ever known Throughout history the world's greatest conquerors have made their mark not just on the battlefield but in the societies they have transformed Genghis Khan conquered by arms and bravery but he ruled by commerce and religion He created the world's greatest trading network and drastically lowered taxes for merchants but he knew that if his empire was going to last he would need something stronger and more binding than trade He needed religion And so unlike the Christian Taoist and Muslim conquerors who came before him he gave his subjects freedom of religion Genghis lived in the 13th century but he struggled with many of the same problems we face today How should one balance religious freedom with the need to reign in fanatics Can one compel rival religions driven by deep seated hatred to live together in peace A celebrated anthropologist whose bestselling Genghis Khan and the Making of the Modern World radically transformed our understanding of the Mongols and their legacy Jack Weatherford has spent eighteen years exploring areas

of Mongolia closed until the fall of the Soviet Union and researching *The Secret History of the Mongols* an astonishing document written in code that was only recently discovered He pored through archives and found groundbreaking evidence of Genghis's influence on the founding fathers and his essential impact on Thomas Jefferson Genghis Khan and the Quest for God is a masterpiece of erudition and insight his most personal and resonant work *The Conquests of Genghis Khan* Alison Behnke, 2008-01-01 Can one man really change the world If that man is Genghis Khan the answer is yes Born around 1161 Temujin as he was named grew up in humble surroundings As a teenager he fled from enemy raiders but he became a fearless and feared man who commanded an army of thousands and an empire of millions In fact by the mid 1200s Genghis Khan's Mongol Empire included much of the known world Though he was responsible for the deaths of millions he also showed tolerance for religious and cultural differences among the many peoples he conquered and he brought stability and unification to a vast area where it had never before existed Even today the name Genghis Khan continues to instill fear in some and admiration in others His election as Great Khan in approximately 1190 is surely one of history's most pivotal moments **Genghis Khan** John Bankston, 2013-09 Temujin was nine years old when his father was killed His father's clan would not help his mother He almost starved Yet despite growing up poor he united the Mongol tribes As an adult he successfully led an invasion of China one of the most powerful countries in the world He ruled over the largest empire in history He became known as Genghis Khan
