vivid account charts the eccentric history of the West's evolving love affair with Indian religion through a curious cast of scholars seekers charlatans and saints From Edwin Arnold whose epic poem about the life of the Buddha became a best seller in Victorian Britain to the occultist and magician Aleister Crowley and from spiritual teachers Jiddu Krishnamurti Meher Baba and Ramana Maharshi to the controversial guru Rajneesh The Nirvana Express is an exhilarating sometimes troubling journey through the West's search for enlightenment *Christian Ashrams, Hindu Caves and Sacred Rivers* Mario I. Aguilar, 2016-07-01 The history of the Shantivanam ashram and the five figures of Christian Hindu dialogue in India is the backdrop for this exploration of dialogue and collaboration between the two faiths The lives of these men and their situation within both religions is used by the author to propose a continuation and development of this dialogue today [Handbook of New Age](#) James Lewis, Daren Kemp, 2007-05-30 The Handbook of New Age is a comprehensive survey of alternative spiritualities their history their global impact their cultural influence and how they are understood by scholars Chapters by many of the leading scholars of the movement give the latest analysis of contemporary spiritual trends and present up to date observations of the interaction between the New Age movement and many different fields of knowledge and research
