Secret Window Ideal Worlds In Tanizakis Fiction

Robert Thomas Tierney

Secret Window Ideal Worlds In Tanizakis Fiction:

The Secret Window Anthony Hood Chambers,1994 In this series of meditations on seven of Tanizaki Jun ichiro s novels and novellas Chambers focuses on the thread of fantasy that Tanizaki weaves throughout his work He examines Tanizaki s subtle use of storytelling devices to evoke his characters alternate sense of reality and to encourage the reader s participation in their fantasies

The Secret Window Anthony Hood Chambers,1994-07-01 At the time of his death in 1965 at the age of 79 Tanizaki Jun ichiro had been writing fiction plays essays poems and translations almost without interruption for more than fifty five years In this series of meditations on seven of Tanizaki s novels and novellas the renowned translator Anthony Chambers focuses on the thread of fantasy that Tanizaki weaves throughout his work He examines Tanizaki s subtle use of storytelling devices to evoke his characters alternate sense of reality and to encourage the reader s participation in their fantasies Employing his intimate knowledge of Tanizaki s works Chambers superbly evokes the beauty and truth Tanizaki s characters find in their ideal worlds

The Grand Old Man and the Great Tradition Luisa Bienati,Bonaventura Ruperti,2020-08-06 In 1995 on the thirtieth anniversary of Tanizaki Jun ichir s death Adriana Boscaro organized an international conference in Venice that had an unusually lasting effect on the study of this major Japanese novelist Thanks to Boscaro s energetic commitment Venice became a center for Tanizaki studies that produced two volumes of conference proceedings now considered foundational for all scholarly works on Tanizaki In the years before and after the Venice Conference Boscaro and her students published an abundance of works on Tanizaki and translations of his writings contributing to his literary success in Italy and internationally The Grand Old Man and the Great Tradition honors Boscaro s work by collecting nine essays on Tanizaki s position in relation to the great tradition of Japanese classical literature To open the collection Edward Seidensticker contributes a provocative essay on literary styles and the task of translating Genji into a modern language Gaye Rowley and Ibuki Kazuko also consider Tanizaki s Genji translations from a completely different point of view documenting the author s three separate translation efforts Aileen Gatten turns to the influence of Heian narrative methods on Tanizaki s fiction arguing that his classicism far from being superficial reflects a deep sensitivity to Heian narrative Tzevetana Kristeva holds a different perspective on Tanizaki s classicism singling out specific aspects of Tanizaki s eroticism as the basis of comparison The next two essays emphasize Tanizaki s experimental engagement with the classical literary genres Amy V Heinrich treats the understudied poetry and Bonaventura Ruperti considers a 1933 essay on performance arts Taking up cinema Roberta Novelli focuses on the novel Manji exploring how it was recast for the screen by Masumura Yasuz The volume concludes with two contributions interpreting Tanizaki s works in the light of Western and Meiji literary traditions Paul McCarthy considers Nabokovas a point of comparison and Jacqueline Pigeot conducts a groundbreaking comparison with a novel by Natsume S seki

Desire and Fictional Narrative in Late Imperial China Martin W. Huang,2001 In this study of desire in Late Imperial China Martin W Huang argues that the development of

traditional Chinese fiction as a narrative genre was closely related to changes in conceptions of the fundamental nature of desire. He further suggests that the rise of vernacular fiction during the late Ming dynasty should be studied in the context of contemporary debates on desire along with the new and complex views that emerged from those debates. Desire and Fictional Narrative in Late Imperial China shows that the obsession of authors with individual desire is an essential quality that defines traditional Chinese fiction as a narrative genre. Thus the maturation of the genre can best be appreciated in terms of its increasingly sophisticated exploration of the phenomenon of desire.

This Perversion Called Love

Margherita Long, 2009-10-08. This Perversion Called Love positions one of Japan's most canonical and best translated 20th century authors at the center of contemporary debates in feminism. Examining sexual perversion in Tanizaki's aesthetic essays, cultural criticism, cinema writings, and short novels from the 1930s, it argues that Tanizaki understands human subjectivity in remarkably Freudian terms but that he is much more critical than Freud about what it means for the possibility of love. According to Tanizaki, perversion involves not the proliferation of interesting gender positions but rather the tragic absence of even two sexes since femininity is only defined as man's absence, supplement or complement. In this fascinating work, author Margherita Long reads Tanizaki with a theoretical complexity he demands but has seldom received. As a critique of the historicist and gender-focused paradigms that inform much recent work in Japanese literary and cultural studies, This Perversion Called Love offers exciting new interpretations that should spark controversy in the fields of feminist theory and critical Asian studies.

Reading the Kimono in Twentieth-Century Japanese Literature and Film Michiko

Suzuki, 2023-08-31. Often considered an exotic garment of traditional Japan, the kimono is in fact a vibrant part of Japanese modernity, playing an integral role in literature and film throughout the twentieth century. *Reading the Kimono in Twentieth Century Japanese Literature and Film* is the first extended study to offer new ways of interpreting textual and visual narratives through kimono language: what these garments communicate within their literary, historical, and cultural contexts. Kimonos on the page and screen do much more than create verisimilitude or function as one-dimensional symbols. They go beyond simply indicating the wearer's age, gender, class, and taste; as eloquent heterogeneous objects, they speak of wartime and postwar histories and shed light on everything from gender politics to censorship. By reclaiming kimono language once a powerful shared vernacular, Michiko Suzuki accesses inner lives of characters, hidden plot points, intertextual meanings, resistant messages, and social commentary. *Reading the Kimono* examines modern Japanese literary works and their cinematic adaptations, including Tanizaki Jun'ichirō's canonical novel *The Makioka Sisters* and its film versions, one screened under the US Occupation and another directed by Ichikawa Kon in 1983. It also investigates Kōda Aya's *Kimono* and *Flowing*, as well as Naruse Mikio's 1956 film adaptation of the latter. *Reading the Kimono* additionally advances the study of women writers by discussing texts by Tsuboi Sakae and Miyao Tomiko, authors often overlooked in scholarship despite their award-winning bestselling stature. Through her analysis of stories and their afterlives, Suzuki offers a fresh view of the kimono as

complex material to be read She asks broader questions about the act of interpretation what it means to explore both texts and textiles as inherently dynamic objects shaped by context and considered differently over time Reading the Kimono is at once an engaging history of the modern kimono and its representation and a significant study of twentieth century Japanese literature and film

Tropics of Savagery Robert Thomas Tierney, 2010-05-20 This is an incisive and provocative study of the figures and tropes of savagery in Japanese colonial culture The author demonstrates how imperial Japan constructed its own identity in relation both to the West and to the people it colonized

Osaka Modern Michael P. Cronin, 2020-05-11 Images of the city in literature and film help constitute the experience of modern life Studies of the Japanese city have focused on Tokyo but a fuller understanding of urban space and life requires analysis of other cities beginning with Osaka Japan's merchant capital in the late sixteenth century Osaka remained an industrial center the Manchester of the East into the 1930s developing a distinct urban culture to rival Tokyo's It therefore represents a critical site of East Asian modernity Osaka Modern maps the city as imagined in Japanese popular culture from the 1920s to the 1950s a city that betrayed the workings of imperialism and asserted an urban identity alternative to even subversive of national identity Osaka Modern brings an appreciation of this imagined city's emphatic locality to popular novels by Tanizaki Jun'ichirō favorite son Oda Sakunosuke and best seller Yamasaki Toyoko films by Toyoda Shirō and Kawashima Yūzō and contemporary radio television music and comedy Its interdisciplinary approach creates intersections between Osaka and various theoretical concerns everyday life coloniality masculinity translation to produce not only a fresh appreciation of key works of literature and cinema but also a new focus for these widely used critical approaches

Tales of Moonlight and Rain Akinari Ueda, 2007 First published in 1776 the nine gothic tales in this collection are Japan's finest and most celebrated examples of the literature of the occult They subtly merge the world of reason with the realm of the uncanny and exemplify the period's fascination with the strange and the grotesque They were also the inspiration for Mizoguchi Kenji's brilliant 1953 film *Ugetsu* The title *Ugetsu monogatari* literally rain moon tales alludes to the belief that mysterious beings appear on cloudy rainy nights and in mornings with a lingering moon In *Shiramine* the vengeful ghost of the former emperor Sutoku reassumes the role of king in *The Chrysanthemum Vow* a faithful revenant fulfills a promise *The Kibitsu Cauldron* tells a tale of spirit possession and in *The Carp of My Dreams* a man straddles the boundaries between human and animal and between the waking world and the world of dreams The remaining stories feature demons fiends goblins strange dreams and other manifestations beyond all logic and common sense The eerie beauty of this masterpiece owes to Akinari's masterful combination of words and phrases from Japanese classics with creatures from Chinese and Japanese fiction and lore Along with *The Tale of Genji* and *The Tales of the Heike* *Tales of Moonlight and Rain* has become a timeless work of great significance This new translation by a noted translator and scholar skillfully maintains the allure and complexity of Akinari's original prose

Probing the Skin Dirk Vanderbeke, Caroline Rosenthal, 2015-02-05 Adopting an interdisciplinary approach

this volume explores representations of skin in literature art art history visual media and medicine and its history The essays collected here probe the symbolic potential of skin as a shifting sign in various historical and cultural contexts and also examine the material and organic properties of the body s largest organ They deal with skin as a sensual organ as an interface or contact zone as the visual marker of identity and as a lieu de memoire in different periods and media In its material characteristics skin is regarded as a medium a canvas a surface and an object of both artistic and medical investigations The contributions investigate representations of skin in sculpture painting film and fictional as well as non fictional texts from the 16th century to the present The topics addressed here include the problematic representation of racial identity via skin colour in various media the sensual qualities of the skin such as smell or taste the form and function of tattoos as markers of personal as well as collective identity and scars as signifiers of personal pain and collective suffering
