Pivonka, TOR,2021-06-04 At the very beginning of the Gospels Jesus calls us to a radical new way of life saying This is the time of fulfillment The kingdom of God is at hand Repent and believe in the gospel Mk 1 15 The word repent in Greek is metanoia but the original Greek word means much more than just repentance It means to change to turn to think differently Metanoia is not a one time event but a process and as Christians we are called to live a life of metanoia Living Metanoia explores what this looks like in our daily lives encouraging believers in all walks of life to go deeper in their relationship with Jesus In his down to earth approachable style Fr Dave Pivonka TOR addresses basic topics such as who Jesus actually is rather than who we think he is or who we want him to be what we need to do in order to inherit eternal life the reality of evil and our daily call to a deeper commitment to Christ Each chapter contains Sacred Scripture to give context and direction along with reflection questions and a practical metanoia moment to help us live a life of change We all need metanoia over and over again Realizing this should be a source of hope and encouragement for only by living metanoia can we find true and lasting freedom and fulfillment in Jesus Christ ABOUT THE AUTHOR Fr Dave Pivonka TOR is the president of Franciscan University of Steubenville He has served for more than thirty years as a spiritual director retreat leader and formation director and also served as the director of Franciscan Pathways He is a well known author conference speaker and pilgrimage leader Fr Pivonka is active in the charismatic renewal and serves on the board of Renewal Ministries *Beyond Law and Order Finding Intimacy with Christ When Rules Get in the Way* Pastor Randy Blan,2025-02-13 The goal of this Bible study is to encourage believers to rediscover their first love Jesus Christ and to understand the difference between religious compliance and authentic faith By focusing on intimacy with Christ participants will learn how to live out their faith in a way that is both genuine and transformative The Prayer-Shaped Disciple Dan R. Crawford,1999-03 Discover basic guidelines on how to pray including the ACTS model and the Lord s Prayer plus tips for teaching children how to pray Learn how to pray more effectively in various situations such as with prayer partners family members and small groups alone in solitude or in a public forum Recognize the role of prayer in evangelism and world missions as well as the reality of spiritual warfare Sidebar areas within chapters contain key scripture texts for easy topical study and future reference *Liberating Prayer* Neil T. Anderson,2012-02-01 If prayer is so important why is it so difficult Starting from this universal question Neil T Anderson bestselling author of The Bondage Breaker explores how readers can intimately connect with their loving heavenly Father looking at the confidence believers can have in taking their struggles before God and in interceding for others their release from bondage and the freedom they gain to walk in the Spirit the gracious way God leads them to love Him not His blessings Liberating Prayer emphasizes the life changing truth that prayer is relationship not ritual and that as already accepted children believers are free to be honest with their Father End of chapter questions are ideal for group study and help readers immediately apply what they ve learned in their own prayer lives Based on material previously released in Praying by the Power of the Spirit **Library Journal** ,1995 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a

**Finding Love** Andrew Leslie Callander, 2021-02-17 What if the majority Christian view concerning the gospel is not only wrong but responsible for the rejection of Christian faith by so many today If your idea of the gospel is that God's fundamental disposition toward you is angry judgment but Jesus came to die on the cross to change God's mind about you then Andrew Callander wants you to know the truth God's fundamental disposition toward you and all humanity is eternal lovingkindness and the reason Jesus came was to change our minds about God In company with biblical scholars like David Bentley Hart contemplative activists like Richard Rohr and progressive thinkers like Brian McLaren Callander laments how centuries of Christian energy have been wasted determining and policing religious boundary lines He wants the reader to be assured that in Jesus Christ God has destroyed all barriers that stand in the way of our relationship with God Callander's key theme is that humanity is already enfolded within God's eternal love and that our great task is not to find God's love but awaken to the reality that the God of love has already found us and then apply this to our relationships with others and with creation

**The Cosmic Love Story God And Us** Rev. Robert E. Lauder, 2024-05-16 In this amazing book the author presents insights into the mystery of love both Divine and human Influenced by personalist philosophers Martin Buber Emmanuel Mounier and Gabriel Marcel by American Catholic theologians John Haught Michael Himes Bernard Cooke and Ronald Rolheiser and also by the Thomist personalist W Norris Clarke SJ Lauder reflects deeply on the mystery of God and the human person Martin Buber claimed that love was a cosmic force Lauder's vision is cosmic He has produced a book that is not only interesting and illuminating but also inspiring Readers will find themselves returning to reread their favorite chapters and researchers will find new quotes to include in their research projects One of Lauder's talents as a writer is to explore the most profound mysteries and write about them in language accessible to readers who are interested in reflecting on such mysteries as love of self love of neighbor and love of God Rather than presenting insights into the meaning and mystery of love in a way that is excessively speculative and academic Lauder's writing may challenge the intellect to incorporate the most profound truths about love into daily life The Cosmic Love Story God and Us will move readers to integrate insights into love from the book into their lives so that they choose to live as gift givers that is to say as lovers

**Finding the Plot** Roger Standing, 2012-03-16 Preaching at its best is truth on fire The

real quality of this book is that it has been created from the author's own experience of the local pastorate and is concerned with practical insights and realities I warmly recommend it David Coffey Moderator of the Free Churches and General Secretary of the Baptist Union For some the phrase finding the plot suggests a stroll through a graveyard which is much like their view of preaching But Roger Standing uses the phrase to describe narrative preaching an approach that helps preachers accomplish their essential task to raise the dead Marshall Shelley Vice President Christianity Today International and editor of Leadership This book from a seasoned practitioner and an able thinker will provide the signposts required by many either for transforming their preaching style in mid career or for setting off on the right foot Nigel G Wright Principal of Spurgeon's College London Roger Standing breezily shares his enthusiasm for narrative preaching He combines theory about narrative and its cultural relevance with practical advice and preaching examples A helpful stimulus to any preacher to branch out into narrative preaching Michael Quicke Charles Koller Professor of Preaching and Communications
