Preventing and Reversing Heart Disease Jonny Bowden, Stephen Sinatra, Deirdre Rawlings, 2015-08-15 Now includes 100 recipes for preventing and reversing heart disease from the The great cholesterol cookbook Eating the Bible Rena Rossner, 2013-11-01 One weekend a decade ago author Rena Rossner was served a bowl of lentil soup at dinner The portion of the Bible that had been discussed that week was the chapter in which Esau sells his birthright to his brother Jacob for a bowl of red lentil soup Rossner was struck by the ability to bring the Bible alive in such a tactile way and decided on the spot to see whether she could incorporate the Bible into a meal each week And so she has The result Eating the Bible is an innovative cookbook with original easy to prepare recipes that will ignite table conversation while pleasing the stomach Every meal will become both a tactile and intellectual experience as the recipes enrich both the soul of the cook and the palates of those at the table Every cook must glance at a recipe countless times before completing a dish Often recipes involve five to ten minute periods during which one must wait for the water to boil the soup to simmer or the onions to saut It is Rossner s goal to help enrich those moments with biblical verse and commentary to enable cooks to feed their souls as they work to feed the members of the household and guests From the zesty Garden of Eden Salad to the Honey Coriander Manna Bread each recipe will delight the palate and spark the mind
