Love For An Enemy:

'Love Your Enemies' John Piper, 1979 **Love Your Enemies** Sharon Salzberg, Robert Thurman, 2023-08-01 Coping with anger and pain is more challenging than ever in these times and more necessary Two acclaimed Buddhist teachers offer strategies and wisdom in a book that has been called possibly the most inspiring and liberating meditation on love ever written When people and circumstances upset us how do we deal with them Often we feel victimized We become hurt angry and defensive We end up seeing others as enemies and when things don't go our way we become enemies to ourselves But what if we could move past this pain anger and defensiveness Inspired by Buddhist philosophy this book introduces us to the four kinds of enemies we encounter in life the outer enemy people institutions and situations that mean to harm us the inner enemy anger hatred fear and other destructive emotions the secret enemy self obsession that isolates us from others and the super secret enemy deep seated self loathing that prevents us from finding inner freedom and true happiness In this practical guide we learn not only how to identify our enemies but more important how to transform our relationship to them Love Your Enemies teaches us how to break free from the mode of us versus them thinking develop compassion patience and love accept what is beyond our control embrace lovingkindness right speech and other core concepts First published in 2013 Love Your Enemies is more than ever required reading for navigating our world Throughout authors Sharon Salzberg and Robert Thurman draw from ancient spiritual wisdom and modern psychology to help you find peace within yourself and with the world Includes new prefaces from both authors *On Love and Charity* Saint Thomas Aquinas, 2008-07 Among the great works of Thomas Aquinas the Commentary on the Sentences of Peter Lombard has suffered almost total neglect among translators Such neglect is surprising considering that the massive Commentary more than 4 000 pages in the last printed edition is not only Aquinas's first systematic engagement with all the philosophical and theological topics on which he expended his energy over the span of a short career but is also characterized by an exuberance and elaborateness seldom found in his subsequent writings Although Chenu had already drawn attention decades ago to the importance of studying this youthful tour de force for a fuller understanding of Thomas's more mature work the Commentary on the Sentences has remained a closed book for many modern students of Thomistic and medieval thought because of its relative inaccessibility in English or in Latin The present volume containing all the major texts on love and charity makes available what is by far the most extensive translation ever to be made from the Commentary with the added benefit that the better part of the translation is based on the as yet unpublished critical edition of the Leonine Commission The collection of texts from all four books has a tight thematic coherence that makes it invaluable to students of Thomas's moral philosophy moral theology and philosophical theology In addition the inclusion of parallel texts from Aquinas's first Parisian Commentary as well as from his second Roman attempt at a commentary the recently rediscovered *Lectura Romana* makes this edition all the more valuable for those who wish to track the internal development of Thomas's thinking on these matters The new availability of so many

rich passages from the Commentary on the Sentences will encourage and facilitate use of a magnificent resource that deserves to be better known The printed volume is supplemented by a web based document containing a fuller introduction webnotes and a bibliography To reach this supplementary information click here ABOUT THE TRANSLATORS Peter A Kwasniewski is associate professor of philosophy and theology at Wyoming Catholic College and editor of Wisdom s Apprentice Thomistic Essays in Honor of Lawrence Dewan O P Thomas Bolin O S B is a monk at the Monastero di San Benedetto in Norcia Italy Joseph Bolin is adjunct professor of philosophy at the International Theological Institute in Gaming Austria and adjunct instructor of Latin for the Austrian Program of the Franciscan University of Steubenville PRAISE FOR THE BOOK T he present volume contains by far the most extensive English translation from the Scriptum to date The translators of On Love and Charity have aimed to give a translation which is neither too literal nor too liberal trying to find the golden mean between an unintelligibly Latinised or an enjoyable but unfaithful English version This impressive volume will be of a great help for those wishing to study Aquinas and the issue of love in more depth B Toth Ephemerides Theologicae Lovanienses *Love for the Enemy* Matthew Dilger,2017-02-27 Love for the Enemy is a story about a young man s journey in life The stories told explain the reasoning behind the decision made but then explain biblically as to why the decision made was against what God wanted It brings awareness to the truth about God s love and his forgiveness and helps us understand what God wants for us in our everyday lives It shows us how we all battle with our inner feelings of lust and oftentimes lose With Love for the Enemy we can identify with the stories told and appreciate the honesty of the writer

Enemies and How to Love Them Gerard Vanderhaar,2013-09-01 This compassionate book describes the making of enemies in our personal social and national lives It goes on to outline a nonviolent approach to resolving enmity wherever it arises It taps the rich resources of Jesus two thousand year old formula Love your enemies with the help of our contemporary understanding of Gandhian active nonviolence The author offers a life changing habit breaking approach of understanding focusing and negotiating as a positive alternative to the usual flight or fight response to enemies The book sketches an informative portrait of the Soviet Union that includes insights into its communist ideology its political structures and the practice of religion in the country The book stresses that the USSR is a nation of real people who are interesting sometimes colorful yet always struggling *Love of Enemies* William Klassen,2002-05-22 Love of enemies search for peace In the current international political atmosphere where hope is in short supply these days within and outside the church William Klassen these twin themes hardly seem compatible Klassen maintains however that the two are not only consistent but also have coexisted from ancient times to the present due in large part to the Jesus movement Examining the Hellenistic and Hebrew backgrounds of the two themes Klassen illuminates old familiar texts as well as some that have been previously ignored He shows how people today can strive for peace both by following the examples of the twentieth century figures before them and be returning as warriors of peace to long neglected biblical resources [Mystical Love in the German](#)

Baroque Isabella van Elferen, 2009 *Mystical Love in the German Baroque Theology Poetry Music* identifies the cultural and devotional conventions underlying expressions of mystical love in poetry and music of the German baroque. It sheds new light on the seemingly erotic overtones in settings of the Song of Songs and dialogues between Christ and the faithful soul in late 17th and early 18th century cantatas by Heinrich Schütz, Dieterich Buxtehude and Johann Sebastian Bach. While these compositions have been interpreted solely as a secularizing tendency within devotional music of the baroque period, Isabella van Elferen demonstrates that they need to be viewed instead as intensifications of the sacred. Based on a wide selection of previously unedited or translated 17th and 18th century sources, van Elferen describes the history and development of baroque poetic and musical love discourses from Schütz's early works through Buxtehude's cantatas and Bach's cantatas and Passions. This long and multilayered discursive history of these compositions considers the love poetry of Petrarch, European reception of petrarchan imagery and traditions, its effect on the madrigal in Germany, and the role of Catholic medieval mystics in baroque Lutheranism. Van Elferen shows that Bach's compositional technique, based on the emotional characteristics of text and music rather than on the depiction of single words, allows the musical expression of mystical love to correspond closely to contemporary literary and theological conceptions of this affect.

Compassionate Love and Ebony Grace Kortright Davis, 2012-03-22 Why is the Golden Rule so central in almost every culture and religion? What is it that drives human beings to do good to others? Are altruism, compassion, and forgiveness natural forms of human behavior, or do they have to be learned and practiced in the neural context of our primal instincts for survival and self-defense? These are some of the questions that lie behind the study of *Compassionate Love* amongst people of color. Davis explores the patterns and contours of other love, which he defines as a selfless regard for the well-being of others. He also examines the basis for distinctive modes of compassionate behavior enriched by *ebony grace*, a theological attribution for people of African descent. This text focuses especially on the historical, cultural, and religious heritage that inspires and empowers such attitudes in spite of constant encounters with systemic negation, social alienation, and unrelenting racism. How is it that Black families in the home, school, and church still support, sustain, and succeed in the practice of unyielding love in compassion? That is the magic and mystery within contemporary Black cultural norms and moral values. This text is a powerful attempt to contribute to the debate on Christian altruism.

Choosing Stillness, Knowing Love Christine Dixon, 2016-06-03

Often our default is to turn for guidance to external sources rather than connecting to the God-given Spirit of Love within us. We may effectively forfeit our direct connection to God and become dependent on outside authorities, causing our spiritual roots to remain shallow and insecure. *Choosing Stillness, Knowing Love* offers a practical daily plan that makes connecting to the Spirit of God personal and tangible. Through guided journaling, awareness, and stillness exercises, this book encourages the reader to develop the habit of creating space to listen to the still, small voice of God. This leads to deeper roots that result

in healing wisdom and a natural production of the fruit of the Spirit This book is designed to focus on one person at a time one moment at a time **A Love That Changes Lives** Grady Daniel,2011 Grady Daniel Jr who has spent many years as a teacher Christian leader and psychiatric rehabilitation counselor asks a fundamental question in this book what is missing in the attitudes of so many ministers teachers doctors and businessmen in their dealings with those whom it is their responsibility to serve Though many fulfill the requirements of their work on paper they often fail in the most basic sense to serve with Christian love agape This book is about that necessary love agape the kind of love that God has for man sacrificial love seeking only the best for its object a gift love Mr Daniel s discussion of agape though firmly grounded in sound biblical scholarship is not merely theological it is geared to helping everyone whatever their role in life understand what agape can mean to them and those whom they serve for agape is in a very real way man s most complete fulfillment why it is said that is better to give than to receive Of A Love That Changes Lives the author says This book should be a beginning It can be just that for you a beginning of a new life based on agape Grady Daniel Jr B S Clemson University M Ed Rehabilitation Counseling University of Georgia taught eleven years at Georgia Military College then worked at the State s mental hospital Central State He was later director of Augusta s Psychiatric Halfway House for nine years For his outstanding work as a counselor he twice received the Georgia Rehabilitation Counseling Association s Case of the Year Award and a Case of the Year Award presented by the Southeast Region of the National Rehabilitation Counseling Association In addition the author has been a Baptist deacon for many years and has taught Sunday School forty years Daniel and wife Corinne have been married fifty years and have two sons Barry and Vic both married and full time Christian ministers **Bible Lessons for Little**
