Martin Luther King Jr A Profile American Century Series:

Martin Luther King, Jr. C. Eric Lincoln, 1970 *An Ex-colored Church* Raymond R. Sommerville, 2004 The Christian Methodist Episcopal Church was an important part of the historic freedom struggles of African Americans from Reconstruction to the Civil Rights movement This fight for equality and freedom can be seen clearly in the denomination s evolving social and ecumenical consciousness The denomination s very name changed from Colored to Christian in 1954 but the denomination did not join the struggle late Rather the CME was a critical participant from the days following the Civil War At times the Church was at odds with their white Methodist counterparts and in solidarity with other African American denominations on issues of racial desegregation and the role of social protest in religion Raymond Sommerville s important book discusses the relationship between Martin Luther King Jr and the Southern Christian Leadership Conference and the CME While King and others received most of the headlines during the Civil Rights Era the CME proved to be involved at all levels and equally important in all they did With its strategic location in the South and its long history of ecumenical involvement the CME Church emerged as a leading advocate of ecumenical civil rights activism Previous interpretations asserted that the CME was apolitical and accomodationist or that it was more progressive than it was Sommerville presents a more nuanced account of how a church of largely former slaves emancipated itself from the constraints of white Methodist paternalism and Jim Crow racism to emerge as a progressive force of racial justice and ecumenism in the South and beyond Sommerville examines major centers of the CME Nashville Birmingham Memphis Atlanta and selected leaders in the South in charting the gradual metamorphosis of the former CME as a largely nonpolitical body of former slaves in 1870 to a more politically active denomination at the apex of the modern Civil Rights movement in the 1960s
