

The background of the cover is a complex fractal pattern. It features a central spiral that resembles a nautilus shell, composed of many small, overlapping circular segments. This spiral is surrounded by larger, more fluid, and somewhat chaotic fractal shapes that resemble organic forms or mathematical curves. The color palette is primarily shades of green and blue, with a dark, almost black background that makes the lighter, glowing fractal elements stand out. The overall effect is one of mathematical elegance and natural beauty.
