 manual available 1977 edition **Defending the Gospel in Legal Style** John Warwick Montgomery, 2017-10-25 Traditional
 apologetics is either focused on obscure quasi Thomist philosophical arguments for God's existence or on 18th century style
 answers to alleged biblical contradictions But a new approach has recently entered the picture the juridical defence of
 historic Christian faith with its particular concern for demonstrating Jesus's deity and saving work for humankind The
 undisputed leader of this movement is John Warwick Montgomery emeritus professor of law and humanities University of
 Bedfordshire England and director International Academy of Apologetics Evangelism and Human Rights Strasbourg France
 His latest book of more than sixty published during his career shows the strength of legal apologetics its arguments drawn
 from secular legal reasoning can be rejected only at the cost of jettisoning the legal system itself on which every civilised
 society depends for its very existence The present work also includes theological essays on vital topics of the day
 characterised by the author's well known humour and skill for lucid communication
