The Biden Crime Family Rudy Giuliani, 2024-10-29 The Biden Crime Family is a short engaging description of the evidence that supports the case that President Joe Biden and his family are deeply corrupt They are so corrupt that when former New York mayor and US attorney Rudy Giuliani first stumbled across evidence of what they were doing in Ukraine it reminded him of his experience prosecuting the five mafia families that used to run New York Joe Biden began to seek enormous bribes and payouts when he became vice president In every situation where he was the point man for the Obama administration s policy toward a country he ended up making millions of dollars and failing to obtain whatever the US policy goal was In these endeavors Joe s drug addicted younger son Hunter worked with him Hunter was the bagman You can question whether it was loving or even decent for a politician to use his dysfunctional son in this matter But it happened Joe s brother James also served as a bagman sometimes working with Hunter Other family members participated as needed When Joe was made the point man for Ukraine with the special mission of cleaning up Ukrainian corruption so deep that it had left the country almost bankrupt he did nothing to help Instead he had Hunter placed on the board of Burisma an energy and gas company at the center of some of Ukraine s most corrupt government dealings Hunter took home a million a year to do nothing The rule was ten percent for the big guy Hunter has complained about how half his income went to dad The same and worse happened with Joe in China and Iraq The Biden Crime Family displays the evidence clearly and makes the kind of case that should get a conviction on Biden family corruption      Michael Lin Michael Ming Hong Lin, 2004 Edited by Ivy Cooper Essays by Shannon Fitzgerald and Frances Stark Foreword by Paul Ha      **Crucible** Nancy Kress, 2005-06-13 Nancy Kress made her reputation in the early 90s with her multiple award winning novella Beggars in Spain which became the basis for her extremely successful Beggars Trilogy comprising Beggars in Spain Beggars and Choosers and Beggars Ride Since then she has written over a dozen novels including the well received Probability Trilogy culminating in Probability Space which garnered her the John W Campbell Memorial Award for Best SF Novel Now comes a brand new science fiction epic It began with Crossfire a far future novel of planetary colonization and alien first contact Jake Holman a man trying to escape a dark past brought together a diverse group of thousands to settle on a new world But instead the humans found themselves caught in the crossfire of a galaxy spanning war between two disparate species aggressive militaristic humanoids known as Furs and passive plantlike creatures known as Vines Having cast their lots with the peaceful Vines humanity faces all out war against the technologically superior Furs Our only hope A virus designed by the Vines to remove all aggressiveness from the Furs Can it spread fast enough to save not only Holman s colony but the rest of humanity And at what price to the Furs Driven by strong ideas and deep moral questions and peopled with real as life characters Crucible shows Kress at the top of her form amply demonstrating why she has been one of science fiction finest authors of the past twenty years At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied      **The Art of Modern**
