**Amassing Treasures for All Times** Donald Kerr,2006 Sir George Grey governor of New Zealand South Australia and the Cape Colony was an outstanding British colonial statesman in the nineteenth century Brilliant and inscrutable Grey who was in contact with key Victorians from Darwin to Whately throughout his life played a central role in overseeing the development of British colonies into politically autonomous entities Less well known of Grey is that he was an obsessive collector of rare books and artefacts which he selflessly bequeathed to the people he governed establishing Grey Collections in Cape Town and Auckland This study written by a former librarian of the Auckland collection reveals the genius and magnanimity of an increasingly controversial figure demonstrating the complex humanity underlying his apparent remoteness It is the first study on Grey of its kind **BOOK JACKET**      A Catalogue of the Junius Spencer Morgan Collection of Virgil in the Princeton University Library Craig Kallendorf,2009 The Junius Spencer Morgan collection at Princeton University consists of over 700 titles totaling around 900 volumes of editions of the Roman poet Virgil 70 19 BC in Latin and in various vernacular languages Technically the collection includes items ranging from the first printed edition Rome 1469 to

the present but the focus is strongly on material published in the early modern period This collection was formed by Junius Spencer Morgan the nephew of the financier J P Morgan Morgan s interest in Virgil was undoubtedly encouraged during his student days at Princeton and reflects his efforts to obtain the best copies he could find of items noteworthy for their scholarship their illustrations or their place in publishing history The result is one of the largest collections of early printed editions of Virgil in the world a collection whose balance and integrity make it the proper beginning place for research in this field Given Virgil s central place in western education during the early centuries of printing the catalogue of the Morgan collection should be of interest to art historians cultural historians and historians of education as well as classicists and specialists in printing history and the history of the book This handsomely produced volume includes close to fifty full page color illustrations from the collection     *Dictionary Catalog of the Rare Book Division* New York Public Library.
