### New Complete Of Herbs Spices And Condiments A Nutritional Medical And Culinary Guide:

Food and Drink in American History Andrew F. Smith, 2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history The Business of Food Gary Allen, Ken Albala, 2007-10-30 The business of food and drink is for better and worse the business of our nation and our planet and to most consumers how it works remains largely a mystery This encyclopedia takes readers as consumers behind the scenes of the food and drink industries The contributors come from a wide range of fields and the scope of this encyclopedia is broad covering from food companies and brands to the environment health science and technology culture finance and more The more than 150 essay entries also cover those issues that have been and continue to be of perennial importance Historical context is emphasized and the focus is mainly on business in the United States Most entries include Further Reading The frontmatter includes an Alphabetical List of Entries and a Topical List of Entries to allow the reader to quickly find subjects of interest Numerous cross references in the entries and blind entries provide other search strategies. The person and subject index is another in depth search tool Sample entries Advertising Agribusiness Altria Animal Rights Betty Crocker Celebrity Chefs Chain Restaurants Commodities Exchange Cooking Technology Culinary Tourism Eco terrorism Environmental Protection Agency Ethnic Food Business European Union Flavors and Fragrances Food Safety Food Service Industry Genetic Engineering Internet Labor and Labor Unions Marketing to Children McDonald's Meat Packing North American Free Trade Agreement Nutrition Labeling Organic Foods Poultry Industry Slow Food SPAM Television Trader Joe's Tupperware TV Dinners Whole Foods Williams Sonoma Wine Business Encyclopedia of Junk Food and Fast Food Andrew F. Smith, 2006-08-30 Eating junk food and fast food is a great all American passion American kids and grownups love their candy bars Big Macs and supersized fries Doritos Twinkies and Good Humor ice cream bars The disastrous health effects

from the enormous appetite for these processed fat and sugar loaded foods are well publicized now This was particularly dramatically evidenced by Super Size Me 2004 filmmaker Morgan Spurlock s 30 day all McDonald s diet in which his liver suffered the same poisoning as if he had been on an extended alcohol binge Through increased globalization American popular food culture is being increasingly emulated elsewhere in the world such as China with the potential for similar disastrous consequences This A to Z reference is the first to focus on the junk food and fast food phenomena from a multitude of angles in addition to health and diet concerns More than 250 essay entries objectively explore the scope of the topics to illuminate the American way through products corporations and entrepreneurs social history popular culture organizations issues politics commercialism and consumerism and much more Interest in these topics is high This informative and fascinating work with entries on current controversies such as mad cow disease and factory farming the food pyramid movie tie ins and marketing to children will be highly useful for reports research and browsing It takes readers behind the scenes examining the significance of such things as uniforms training packaging and franchising Readers of every age will also enjoy the nostalgia factor learning about the background of iconic drive ins the story behind the mascots facts about their favorite candy bar and collectables Each entry ends with suggested reading Besides an introduction a timeline glossary bibliography resource guide and photos enhance the text Sample entries A Advertising Automobiles Ben Burger King Carhops Center for Science in the Public Interest Christmas Cola Wars Employment Fair Food Fast Food Nation Hershey Milton Hollywood Injury Krispy Kreme Lobbying Nabisco Obesity PepsiCo Salt Soda Fountain Teen Hangouts Vegetarianism White Castle Yum American Reference Books Annual, 2002 Bohdan S.
