New Designs For Church Leadership:

New Designs for Church Leadership David S. Luecke, 2000-01-01 *A Leadership Development Project Design for Financial Stability and Missional Momentum at the Hnw-Sda Church* Dr. Richard M. White CPA, 2019-07-22 This project document explored the Houston Northwest Seventh day Adventist Church's lack of evangelistic strategies and leadership development. In addition to a community demographical survey and a spiritual health assessment evaluation, a series of contemporary evangelistic methods and strategies were deemed the best antidote for the problems of the church. This study also took into account the church's demographics and their culture of origin, religious convictions, racial makeup, traditional practices, and economic conditions. In order to develop these methods and strategies, this project used the examples set forth by the Old Testament model on revitalized worship, the example of King Hezekiah, the New Testament model on leadership, and the example of Jesus Christ to his disciples. This mandate notes that once leaders are led by the Holy Spirit to bring the people of God back to worship, they must proclaim the advent of Jesus Christ. In addition, leaders should, as Jesus did, teach members how to become steward leaders. They should teach members on how to use their spiritual gifts, talents, and skills to proclaim the good news of Jesus Christ. Finally, church leaders should develop members into disciples and church leaders themselves.

Church Leadership Lovett Hayes Weems, 2010 The definitive guide to leading the congregation, updated to meet the needs of today's church leaders.

Church Ministry by Design Gary H. Woolverton, 2011-08 Packed with detailed looks into the makeup of a church community, *Church Ministry By Design* powerfully presents a step-by-step biblical guide to organizing and effectively running a church. The church of the 21st century has a number of challenges facing it, not all of them spiritual. How the staff handles the enormity of local regulations, social pressures, and legislation will affect the way ministry is done. *Church Ministry by Design* provides a blueprint for organizing the church for the future and addresses a large number of ministries the church may choose to provide for its community. Author and pastor Gary H. Woolverton brings together information that assists the staff of the church in developing, maintaining, and evaluating effective ministry and is designed to help the church thrive in the 21st century. Watch for the continuation of this ministry as the next volume in the series, *Position Descriptions by Design*, is released soon.

Wayne P. Bowman, DMin. Prodigal Christianity David E. Fitch, Geoffrey Holsclaw, 2013-03-18. An engaging and thoughtful book that guides readers into the frontiers of being a missional Christian. Prodigal Christianity offers a down-to-earth, accessible, and yet provocative understanding of God's mission of redemption in the world and how followers of Christ can participate in this work. It speaks into the discontent of all those who have exhausted conservative, liberal, and even emergent ways of being Christian and are looking for a new way forward. It offers building blocks for missional theology and practice that moves Christians into a gospel-centered way of life for our culture and our times. Offers a compelling and creative vision for North American Christians. Puts forth a theology and ten critical signposts that must be observed to follow a missional way of life post Christendom: missio Dei, incarnation, witness, scripture, gospel, church, sexuality, justice, pluralism. Asks questions and points to issues that trouble many leaders in the post-modern, post-denominational, post-Christendom church.
