New Dimensions Of Confucian And Neo Confucian Philosophy:

New Dimensions of Confucian and Neo-Confucian Philosophy Chung-ying Cheng, 1991-03-26 This is the first book to thoroughly explore Confucian and Neo Confucian metaphysics and ethics building upon the creativity and temporality of human existence and human nature as well as their extension into human culture Fundamental essays deal cogently with the relationship between Chinese language and Chinese philosophy offering general categories which shape the matrix of ideas woven in Chinese philosophy from its very beginnings Along with more general characterizations there are themes placing Confucian thinkers in touch with modern communication theories perceptions of individuals religious themes and scientific worldviews Conceptual and comparative essays probe the frontiers of Chinese philosophy in its contemporary Confucian revival

Transmitting the Ideal of Enlightenment Ricardo K.S. Mak, 2009-08-04 Transmitting the Ideal of Enlightenment is a collection of articles that shed light on different aspects of university education in China since the late nineteenth century and address how far the ideal of modern university education which has gradually been developed in the West since the age of European Enlightenment was adopted or creatively transformed by Chinese universities In addition to examining the influence of Western universities visions curricula institutions and experiences on Chinese higher education this volume attempts to show the degree of success achieved by Chinese universities in delivering the goals of personal emancipation broad based education freedom of teaching and learning academic professionalism etc that their Western counterparts had endeavored to attain in the last centuries

'Justification by Grace Alone' Facing Confucian Self-Cultivation Arne Redse, 2015-09-29 Chinese contexts as influenced by the religious moral philosophy of New Confucianism are characterized by the idea of becoming a sage through self cultivation For Christian theology with its emphasis on God's grace rather than on self cultivation Confucian teaching in this matter may appear as a problem Chinese Christian theology may ask How can the Christian doctrine of justification by grace alone be contextualized in Chinese contexts which are characterized by the contradicting idea of self cultivation Another question may be equally interesting for Christian theology in all contexts Which insights can be attained from an attempt at contextualizing the Christian doctrine of justification to contexts influenced by New Confucianism In this book professor Arne Redse contributes to answering these questions

Transformations Of The Confucian Way John Berthrong, 2018-10-08 From its beginnings Confucianism has vibrantly taught that each person is able to find the Way individually in service to the community and the world John Berthrong's comprehensive new work tells the story of the grand intellectual development of the Confucian tradition revealing all the historical phases of Confucianism and opening the reader's eyes to the often neglected gifts of scholars of the Han T'ang and the modern periods as well as to the vast contributions of Korea and Japan The author concludes his revelatory study with an examination of the contemporary renewal of the Confucian Way in East Asia and its spread to the West

Boston Confucianism Robert C. Neville, 2000-09-28 Argues that Confucianism can be important to the contemporary global conversation of philosophy and should not be confined to an East Asian context

The Vulnerability of Integrity in Early Confucian Thought Michael Ing, 2017-07-06 The Vulnerability of Integrity in Early Confucian Thought is about the necessity and value of vulnerability in human experience In this book Michael Ing brings early Chinese texts into dialogue with questions about the ways in which meaningful things are vulnerable to powers beyond our control and more specifically how relationships with meaningful others might compel tragic actions Vulnerability is often understood as an undesirable state invulnerability is usually preferred While recognizing the need to reduce vulnerability in some situations The Vulnerability of Integrity demonstrates that vulnerability is pervasive in human experience and enables values such as morality trust and maturity Vulnerability is also the source of the need for care for oneself and for others The possibility of tragic loss fosters compassion for others as we strive to care for each other This book demonstrates the plurality of Confucian thought on this topic The first two chapters describe traditional and contemporary arguments for the invulnerability of integrity in early Confucian thought The remainder of the book focuses on neglected voices in the tradition which argue that our concern for others can and should lead to us compromise our own integrity In such cases we are compelled to do something transgressive for the sake of others and our integrity is jeopardized in the transgressive act

The Handbook of Global Interventions in Communication Theory Yoshitaka Miike, Jing Yin, 2022-03-11 Moving beyond the U S Eurocentric paradigm of communication theory this handbook broadens the intellectual horizons of the discipline by highlighting underrepresented especially non Western theorists and theories and identifies key issues and challenges for future scholarship Showcasing diverse perspectives the handbook facilitates active engagement in different cultural traditions and theoretical orientations that are global in scope but local in effect It begins by exploring past efforts to diversify the field continuing on to examine theoretical concepts models and principles rooted in local cumulative wisdom It does not limit itself to the mass interpersonal communication divide but rather seeks to frame theory as global and inclusive in scope The book is intended for communication researchers and advanced students with

relevance to scholars with an interest in theory within information science library science social and cross cultural psychology multicultural education social justice and social ethics international relations development studies and political science

Confucian Constitutionalism in East Asia Bui Ngoc Son, 2016-02-12 Western liberal constitutionalism has expanded recently with in East Asia the constitutional systems of Japan South Korea and Taiwan based on Western principles and with even the socialist polities of China and Vietnam having some regard to such principles Despite the alleged universal applicability of Western constitutionalism however the success of any constitutional system depends in part on the cultural values customs and traditions of the country into which the constitutional system is planted This book explains how the values customs and traditions of East Asian countries are Confucian and discusses how this is relevant to constitutional practice in the region The book outlines how constitutionalism has developed in East Asia over a long period considers different scholarly work on the ease or difficulty of integrating Western constitutionalism into countries with a Confucian outlook and examines the prospects for such integration going forward Throughout the book covers detailed aspects of Confucianism and the workings of constitutions in practice

The Metaphysics of Kindness Asher Walden, 2015-03-06 Religious world views reserve a central and prominent place for human moral action yet they must also contend with the reality of human moral failings Is it possible to anchor moral knowledge and practice in the framework of a moral universe If so how do you explain why things go wrong Must the religions appeal to faith alone or can they develop a rational framework for their moral visions The Metaphysics of Kindness Comparative Studies in Religious Meta ethics explores the attempted solutions of four pivotal philosophers from very different traditions the Neo Confucian Zhu Xi the German Idealist Arthur Schopenhauer the Mahayana Buddhist Santideva and the progenitor of the Kyoto School Nishida Kitaro Each position is investigated sympathetically and independently yet there is an underlying commonality weaving the different studies together compassion Each philosopher treats compassion not only as one virtue among others but as a kind of meta virtue the one that is in some respect the logical and or psychological basis for all the other virtues It is also a trait that is both at the heart of human nature and also somehow at the heart of nature itself

Inter-culturality and Philosophic Discourse Yolaine Escande, Chenyang Li, Vincent Shen, 2014-07-24 Responding to a deep and universal need of philosophizing in the context of intensive intercultural interaction among all philosophical traditions in the process of globalization this timely book offers a unique collection of excellent papers on inter translatability art and ethics subjects which are most crucial for intercultural conversations today Instead of opting for a comparative philosophy that suggests the superiority of philosophy in comparison with other forms of thought this book explores inter translatability between East and West given that any dialogue between heterogeneous cultures and systems of thought has to start with translation which constitutes the first part of this book Art and ethics are the two areas that most obviously link philosophies of the past and the present and constitute a fundamental part of Chinese long living and practical philosophy The value of art and aesthetic appreciation no less than

ethics is at the core of Chinese culture and indeed promises a great deal for the future world Thus they are dealt with here in the second and third parts This book is also relevant to inter culturalism in philosophy itself as the contributors firstly come from several different continents and secondly though most of them are philosophers all contributors are well versed in other disciplines such as anthropology literature religion aesthetics history of art sinology cognitive sciences and social sciences

Cross-Textual Reading of Ecclesiastes with the Analects Elaine Wei-Fun Goh,2019-10-03 Various cross textual readings have been attempted between the Christian Bible and Chinese literature Using cross textual hermeneutics this study centers on the political wisdom of Ecclesiastes and the Analects and its goal is to demonstrate that both texts offer wisdom pointers for human survival amid uncertain sociopolitical realities Chapter 1 introduces the vibrant interaction of biblical wisdom literature within the ancient Near East and highlights some of its political connections The openness of wisdom literature is then proposed to support this present effort of cross textual research Chapter 2 offers readings of eight passages that communicate Qoheleth s political wisdom in Ecclesiastes Chapter 3 centers on the Analects and on some notable passages that relate to Confucius political ideas Chapter 4 seeks to demonstrate the dialogical dynamics between the two works by exploring specific hermeneutical connections In conclusion readers will come to understand the distinctive and collective political insights of both wisdom texts That is this study suggests contextualized ideas for living wisely from within both a faith tradition and a native tradition
