Bibliography, 1950-1982 Howard R. Jarrell, 1985 See Reviews **Awakening: Our Soul Journeys** The Aquarian
Team, 2016-09-23 In our first book we shed some light on subjects that presently affect societies around the world such as
politics education the economy art the role of women and so on We didn't talk about ourselves In this book we want to touch
your heart and take you on our personal journeys our souls journeys as we reached a point in life when we questioned the
purpose of our existence when we felt there had to be more than merely eating sleeping working raising a family and
acquiring possessions Of course all of these are important but a part of us remained dissatisfied thirsty and ready to explore
other realms of our being So we each embarked on a quest leading up the mountain of our soul and spirit Our paths towards
the summit are all different yet we share an element we came to recognize as essential when climbing a mountain a well
trained guide is life saving In our stories we each meet such a spiritual guide a master mountaineer able to show us the way
toward the spiritual summits Omraam Mikhael Aïvanhov Discover how his self mastery and the many methods he suggested
influenced us Discover the direction we have taken as a result and how we keep climbing Join us in the awakenings to new
heights of consciousness The spirit is above everything else and when you succeed in becoming one with it in identifying with
it you receive strength peace of mind illumination Omraam Mikhael Aïvanhov **Invoking Mary Magdalene** Siobhan
