and constitutional theory the role of the courts in ensuring the enforcement of children's rights and the debates surrounding the litigation and adjudication of social and economic rights This book thus represents a major original contribution to the existing scholarship in a range of areas including human and specifically social rights legal and political theory and constitutional law Children's rights were often thought to be synonymous with economic and social welfare prior to the adoption of the Convention on the Rights of the Child in 1989 Ironically since that time remarkably little scholarship has been devoted to the vitally important economic and social rights dimensions of children's rights Nolan's book singlehandedly remedies that neglect and does so in a sophisticated nuanced and balanced way It provides a superb account of the pros and cons of judicial activism in promoting these rights Philip Alston John Norton Pomeroy Professor NYU Law School Thus far the burgeoning literature on the judicial enforcement of socio economic rights has failed to engage in a sustained systemic manner with this topic from the perspective of children and the complexity of their status as citizens within contemporary democracies This book fills this gap and makes a major contribution to the literature in the three interrelated areas of the judicial review of socio economic rights claims children's rights and democratic theory Nolan navigates skilfully through the dense but rich literature in these areas as well as relevant international and comparative law In so doing she illuminates both the pitfalls and potential of resorting to courts in a partial response to the multifaceted and deeply entrenched global phenomenon of child poverty Professor Sandra Liebenberg HF Oppenheimer Professor of Human Rights Law University of Stellenbosch Law Faculty Winner of the Kevin Boyle Book Prize 2012 awarded by the Irish Association of Law Teachers to a book that is deemed to have made an outstanding contribution to the understanding of law **Fortin's Children's Rights and the Developing Law** Jane Fortin, Rachel E.
