Solving The Equation of Love: A Manic Imagination [Equation Of Humanity Book 1] Eric J. Chou, 2023-08-25 This book is the 1st compendium of my life story and work I have lived experience of bipolar 1 and a vision disability and that informs everything I've done Looking back at the past decade of my life and all I've accomplished to date I can see it all in perfect focus and I can see the guiding will of God moving through my life bringing me through my relationships and setting me on the paths I've not just walked but the paths I've paved I've organized and build communities 150 members strong I've built a company and game project off of the fuel of passion alone I've not just influenced but have literally saved lives I've done research summarizing and highlighting my findings so others can carry on the legacy of Honor I've started The journey has been long and it's been hard but as I write this I'm beginning a new chapter of my life and I couldn't be humbler and prouder This book includes all the people communities and projects I care about and what has shaped me into the man leader and founder I am today I hope this lived experience of Bipolar 1 helps break the stigma shrouding mental health both in general and specifically in the creative industries I've been privileged to be a part of I wish to continue a dialog on these subjects and show that Mental health issues are indeed double edged swords that are core to who we are This book contains select documents of snap shots in time of my Tiberium Secrets mod a passion project that looks to the future of the Command Conquer video game franchise This book contains a new theory and model of mental health that is called The PPF Model The Past Present and Future model which aims to ground mental health discussions in common understandable terms Thanks to all the unsung heroes in my life I would not be who I am without all of you It's time for a new challenge The Future is Bright

Reimagining Work Rob Biederman, Pat Petitti, Peter Maglathlin, 2017-09-19 Thrive in the new economy by leading ahead of the next evolution Reimagining Work is the business leader's guide to surviving and thriving in the new on demand economy As the business and workplace environments evolve traditional management strategies are becoming obsolete the skilled workforce demands flexibility and more control over their work things that the major corporations repeatedly fail to offer Is it any wonder that the best and brightest talent is increasingly moving toward smaller companies with alternative management structures Companies like Uber Lyft Handy and Task Rabbit These businesses have seen major success by attracting the right people by giving them what they want As the shift continues businesses will need to change the way they recruit develop and train talent This book shows you how to restructure and reconfigure your current strategy toward one that will help your business not just survive but grow stronger in this new environment by offering what top talent demands Niche spaces like transportation and general labor may have catalyzed the movement toward on demand but their influence is spreading and traditional businesses must adapt or die This book shows you how to turn the shift into an asset for your company by leading through change for the better Reconsider your current talent sourcing strategies Update your team development and training programs Build a flexible workforce that thrives in the on demand economy Develop your business

to succeed amidst the changing business paradigm Growth is more than just expansion it s also maturation adaptation and evolution Our economy is on the cusp of a seismic shift and smart businesses will implement change early before the obsolete start falling behind Reimagining Work gives you actionable guidance for staying ahead of the curve **Congressional Record** United States.
