1991 to commemorate the bicentenary of Boswell s Life of Johnson

The Oxford History of Classical Reception in English

Literature: The Oxford History of Classical Reception in English Literature David Hopkins,Charles Martindale,Norman

Vance,Rita Copeland,Patrick Cheney,Philip R. Hardie,Jennifer Wallace,2012-09-27 The present volume 3 is the first to appear

of the five that will comprise The Oxford History of Classical Reception in English Literature henceforth OHCREL Each

volume of OHCREL will have its own editor or team of editors Preface

Samuel Johnson Freya Johnston,Lynda

Mugglestone,2012-11-15 This text offers wide ranging coverage of Samuel Johnson s life work and reception across 15

thematically cohesive chapters Taking as its point of departure William Hazlitt s famous comparison between Johnson s prose

style and a pendulum this volume will contest and rebalance the metaphor of the pendulum

Johnson, Rasselas, and the

Choice of Criticism Edward Tomarken,2021-10-21 Although Rasselas has received more critical commentary than almost

any other work by Samuel Johnson Edward Tomarken s book is the first full length study to focus on his tale of the Prince of

Abyssinia This anomaly arises as Tomarken shows because Rasselas has remained resistant to the customary critical

approaches of the eighteenth nineteenth and twentieth centuries consistently eliciting new kinds of insights and raising new

sorts of problems Tomarken s contribution is a new methodology to explain this phenomenon He sees Johnson s early

writings London and Irene as instances of the writer trying with only partial success to achieve what he first realized in The

Vanity of Human Wishes a means of permitting literary form to refer to conduct Later works such as The Journey to the

Western Islands of Scotland are viewed as further developments of this method which achieved its fullest expression in

Rasselas and the Life of Pope Such a reading of Johnson develops an aesthetic that operates on the margins between the

literary and the extra literary Although Johnson s own critical view was unable to accommodate such a position Tomarken

shows that in practice he moved toward it by a process of trial and error manifest in his poetry and narratives When raised to

the level of critical method this approach goes beyond the assumptions not only of Johnson s day but also of our own

Tomarken s theoretical coda demonstrates how the choices of current critical theory like those in the marriage debate in

Rasselas can be understood to interact with one another Specifically he proposes a dialectical relationship for two

approaches hermeneutics and structuralism usually seen as opposed to one another This innovative study will interest not

only Johnson scholars but all those concerned with critical theory *A Clubbable Man* Anthony W. Lee,2022-06-17 Samuel

Johnson famously referred to his future biographer the unsociable magistrate Sir John Hawkins as a most unclubbable man

Conversely this celebratory volume gathers distinguished eighteenth century studies scholars to honor the achievements professional generosity and sociability of Greg Clingham taking as its theme textual and social group formations Here Philip Smallwood examines the mirrored minds of Johnson and Shakespeare while David Hopkins parses intersections of the general and particular in three key eighteenth century figures Aaron Hanlon draws parallels between instances of physical rambling and rhetorical strategies in Johnson s Rambler while Cedric D Reverand dissects the intertextual strands uniting Dryden and Pope Contributors take up other topics significant to the field including post feminism travel and seismology Whether discussing cultural exchange or textual reciprocities each piece extends the theme building on the trope of relationship to organize and express its findings Rounding out this collection are tributes from Clingham s former students and colleagues including original poetry

Index of English Literary Manuscripts ,1998-06-19 This volume the third in the series discusses the works of 11 British 18th century writers providing information on the nature of the MS date variant title s state of completion provenance and location date and first form of publication any scholarly use of the MS and the existence of any published facsimiles Information is drawn from material in libraries record offices and private collections throughout the world The listing of each author s manuscripts is preceded by an introduction The book records many hitherto unrecorded manuscripts

This Invisible Riot of the Mind Gloria Sybil Gross,2016-11-11 In This Invisible Riot of the Mind Gloria Sybil Gross contends that Samuel Johnson was a pioneer in the development of modern psychological thought challenging the timeworn stilted typecasting of Samuel Johnson as the pious Christian moralist Instead she argues that Johnson was a daring at times irreverent explorer of human nature who strenuously rejected old relics of sanctimony and repressive authority To make her case Gross draws on a wide range of materials from Johnson s life and works as well as from eighteenth century medical psychology Throughout she is scrupulous in analyzing Johnson s psychological thought within the cultural idiom that would have been available to him At the same time she employs a classical psychoanalytic approach that seeks to establish a coherent relationship among Johnson s life his fantasies and his creative work This reading of Johnson reveals the radical direction of his investigations of mental experience which put him in clear prospect of the basic premises underlying Freudian psychoanalysis Gross argues that these premises the principle of psychological determinism the view of the mind as dictated by forces in conflict the concept of the dynamic unconscious and the submerged power of desire in all human activity pervade Johnson s writings Gross demonstrates not only that Johnson can profitably be read in psychoanalytic terms but that Johnson is a psychological theorist of primary importance This original and insightful work will be of interest to students and scholars of English literature eighteenth century studies and literature and psychology

Samuel Johnson in Context John T. Lynch,2012 A work of reference on the age of Johnson putting literature in the context of the society that produced it

Hester Lynch Thrale Piozzi Marianna D'Ezio,2010-01-08 Scholars and readers who are interested in eighteenth century British literature are surely familiar with Hester Lynch Thrale Piozzi in the light she came to

be known in her lifetime and after first as the formidable hostess of Streatham House South London and then as an outcast from respectable eighteenth century society after she had married the Italian piano teacher of her daughter As a writer her importance has long been that of a footnote to Samuel Johnson and as a consequence she has been part of the official British literary canon only as a character This volume introduces Hester Lynch Thrale Piozzi as a whole trying to link her fascinating and subversive biography to her development as a writer emphasizing the innovative issues of her works her style and her social and personal beliefs Piozzi s biography is an interesting example of the dynamic scene of the late eighteenth century where she was both conservative and subversive she was an eccentric and although her decision to marry the Italian singer and composer Gabriele Piozzi disgraced her it was through this act of subversion that Hester Thrale Piozzi could finally make her own entrance into the world as a public writer Once she had transgressed the social codes of so called feminine behaviour she was also ready to move into the public sphere publish her works and make money out of them pioneering several traditional literary genres through her passionate search for professional independence in the literary canon of the eighteenth century

Fifty Key Thinkers on Language and Linguistics Margaret Thomas,2012-04-27 What was the first language and where did it come from Do all languages have properties in common What is the relationship of language to thought Fifty Key Thinkers on Language and Linguistics explores how fifty of the most influential figures in the field have asked and have responded to classic questions about language Each entry includes a discussion of the person s life work and ideas as well as the historical context and an analysis of his or her lasting contributions Thinkers include Aristotle Samuel Johnson Friedrich Max M ller Ferdinand de Saussure Joseph H Greenberg Noam Chomsky Fully cross referenced and with useful guides to further reading this is an ideal introduction to the thinkers who have had a significant impact on the subject of Language and Linguistics

Samuel Johnson and the Scale of Greatness Isobel Grundy,1986 *Boswell's Creative Gloom* Allan Ingram,1982-06-18

English satirical poetry from Joseph Hall to Percy B. Shelley Hermann Fischer,2016-04-25 No detailed description available for English satirical poetry from Joseph Hall to Percy B Shelley

Aspects of Samuel Johnson Howard D. Weinbrot,2005 Howard D Weinbrot s Aspects of Samuel Johnson Essays on His Arts Mind Afterlife and Politics collects earlier and new essays on Johnson s varied achievements in lexicography poetry narrative and prose style It considers Johnson s uses of the general and the particular as they relate to the reader s role in the creative process his complex approach to the concept of literary genre and his resolutely in human view of skepticism

The Literary History of England Donald F. Bond,G. Sherburn,2003-09-02 English historians in the Middle Ages is an overview of the history of English historians and their works in the Middle Ages English historians helped lay the groundwork for modern historical methodology provided vital accounts of the early history of England its culture and revelations about the historians themselves The most remarkable period of historical writting was during the High Middle Ages in the 12th and 13th centuries when English chronicles produced works with a variety of interest wealth of information and amplitude of

range However one might choose to view the reliability Domestick Privacies: Samuel Johnson and the Art of Biography
David Wheeler, 1987 Biography was Samuel Johnson's favorite among literary genres and his Lives of the Poets is often
regarded as the capstone of his career The central place of biography in his oeuvre is explored in this collection of nine
original essays by leading Johnson scholars Varied in their focus and approach the essays range from a philosophical
overview of Johnson's notion of the relation between life and art to a detailed reading of the Life of Milton to a speculation on
the value of the Lives in the classroom Emerging clearly in the essays are the dual concerns artistic and intellectual

Decoding **New Light On Dr Johnson Essays On The**: Revealing the Captivating Potential of Verbal Expression
